### Introduction

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

### Data and Access

**Data**  
*DataQuest* is an online data tool located at <http://dg.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**  
Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### Principal's Message

Welcome to McSweeney Elementary School where it is our primary purpose to see that every child succeeds. I am extremely proud to be the Principal of McSweeney Elementary School where students enjoy learning, parents are making a difference, and the school staff strives to ensure all students are given the opportunity to meet academic proficiency. We invite you to visit our school so you can experience first hand the commitment we have to our students.

Our highly trained staff provides learning opportunities that ensure all students reach academic proficiency levels and strive towards their individual potential. Students are active participants in the learning process and work closely with staff in setting these goals. The integration of technology and the arts compliments the core curriculum as well

as weekly offerings of choral music, band, and physical education.

The parents and families of McSweeney Elementary School are integral to the success of our students! Their devote commitment and support is reflected in the hours they spend volunteering their time and participation in advisory councils, committees, and school events. The attendance at our school functions speaks volumes about the level of dedication each parent has for their child. All of this combined promotes and creates an unparalleled learning experience for our students.

### About This School

We opened our doors in August 2003, serving one of the largest geographic attendance areas in the district. Our school boundaries extend from rural to densely populated city areas. It is here where one can experience high expectations for academic achievement, responsible citizenship, and a wonderful sense of community with an emphasis on mutual respect and observance of personal rights balanced with responsibility.

The McSweeney staff maintains high professional standards, working collaboratively towards academic success, participating in valuable workshops/trainings, and implementing instructional and program practices proven to promote student achievement. All aspects of McSweeney School promote student learning and serve to enhance their understanding of the world.

Students at McSweeney School come from a variety of backgrounds, which represent cultural diversity and socioeconomic population.

### District Profile

Hemet Unified School District encompasses one incorporated city and numerous unincorporated communities within its 700+ topographically diverse square miles. We have 29 elementary and secondary schools with an enrollment of over 23,000 students. Agriculture still provides an important economic influence, as do other light and service industries. The rural flavor of the community still survives despite the rapid growth which has taken place in the area.

- English Language Advisory Council (site/ELAC) (district/DELAC)
- Curriculum Council
- Student Success Team (SST)
- Academic Probation/Retention Meetings
- Parent-Teacher Student conferences
- Parent-Teacher Association (PTA)/Parent Volunteer Program
- Gifted and Talented Parent Advisory
- Title One Parent Involvements Meetings
- Family Reading Nights/Family Math Nights

Parents are also provided with an annual Parent/School compact outlining everyone's responsibilities towards student achievement and social expectations. A McSweeney Handbook is provided to each student and family detailing all programs, rules, and procedures.

McSweeney is fortunate to have tremendous community support, consisting of individual reading tutors, business/organization sponsors and numerous parent volunteers. Motivational awards, volunteer tutoring, library books, band instruments, and field trip opportunities and assemblies are provided through our community supporters. Their offerings have made a difference and allowed us to grow together as a school and community.

The site addresses all areas of parent involvement through their Single Plan for Student Achievement. For more information, contact the site Principal, Daryl Wallace at (951) 925-4366

## School Climate:

### School Safety

#### SB187 Safety Plan

**Date the plan was last updated:** September, 2007

**Date the plan was last reviewed with staff:** September, 2007

The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5. A copy of the plan is available for inspection by the public at each school.

Student safety is provided through the assignment of teachers and paid supervisors during all recess and lunch periods, as well as, before and after school. A crossing guard is on duty to assist students and parents before and after school. All visitors and volunteers are required to sign in at the office, state their business at the school, and show picture identification. They are provided with a visitor tag to wear while on school grounds.

Disaster preparedness drills are conducted monthly, and the staff is trained in emergency procedures, including evacuation routes and safety checks.

### School Discipline Practices

Our goal is to create a productive learning environment for our students. To do this we must have clear expectations and fair consequences. Behavior which is disruptive or which hurts others will not be tolerated. Students who violate school rules may be suspended or expelled if necessary. The following table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period:

	School			District		
	05-06	06-07	07-08	05-06	06-07	07-08
Suspensions	5.8	2.9	3.5	17.1	15.4	14.8
Expulsions	0.0	0.0	0.0	0.1	0.5	0.6

## School Facilities:

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Regular and corrective maintenance is handled on a priority basis and emergencies are handled immediately.

### School Facility Conditions and Improvements

McSweeney Elementary School opened in the fall of 2003 and provides a safe, clean environment for learning. Students and staff take pride in the beauty and cleanliness of the school. The design of the school creates a home-like feeling as the majority of classrooms are contained under one roof, with a large, open library situated in the heart of the school. Twenty-five classrooms, school office and health office, multipurpose room with a state of the art sound system surrounding an open-air courtyard used for celebrations and events. Eight relocatable classrooms and restrooms were added to our campus in 2004 to accommodate enrollment growth. Every classroom has adequate space and all the materials needed to ensure student success. In 2007 we

welcomed a Head Start Pre-School Program. We currently have 34 students in this program.

### Deferred Maintenance Fund

The district participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2008-09 school year, the district has budgeted \$932,691 for the deferred maintenance program. This represents .5% percent of the district's general fund budget.

### New School Construction & Modernization Projects

Rancho Viejo Middle School opened in August 2008 with 1,400 students. Tahquitz High School Phase 2 Classrooms and Phase 3 Stadium are completed. Hemet High School Phase 1 Swimming Pool is under construction. Administration Remodel and Addition is in DSA and is scheduled to start construction in December 2008. The Hemet HS Weightroom is in DSA and scheduled for construction January 2009. Acacia Middle School will undergo major classroom modernization using local funding. The project is in design and will start construction June 2009. Cottonwood Library projected is scheduled for January 2009 construction.

### Cleaning Process and Schedule

The site administrators, custodian and district personnel conduct routine physical inspections for safety and maintenance. Classrooms and restrooms are cleaned daily. The principal works with the custodial staff to develop cleaning schedules to ensure a clean and safe school. Students are encouraged to have pride in their school and to do their part to keep the school clean.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or at the district office.

## School Facility Good Repair Status (School Year 2008-09)

## Curriculum and Instruction:

### Availability of Textbooks and Instructional Materials

In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/7/2008 that each pupil in the district, in kindergarten through grade twelve, has been provided with a standards-aligned textbooks or basic instructional materials in each of the areas listed below.

Core Curriculum Areas	Pupils Who Lack Textbooks and Instructional Materials
Reading/Language Arts	0%
Mathematics	0%
Science	0%
History-Social Science	0%
Foreign Language	0%
Health	0%
Visual and Performing Arts	0%

## Adopted Textbooks

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board. The chart below outlines the adopted textbooks we use in our District.

## Student Performance:

### California Physical Fitness Test Results

The California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students meeting fitness standards (scoring in the healthy fitness zone on all six fitness standards) for the most recent testing period. Detailed information regarding the California Physical Fitness Test, and comparisons of a school's test results to the district and state levels, can be found at the Physical Fitness Testing Web site at <http://www.cde.ca.gov/ta/tg/pf/>.

Grade Level	Percent of Students Meeting Fitness Standards (on all six fitness standards)

*Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

### California Standards Tests (CST)

The California Standards Tests (CST) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 5, 8, and 9 through 11; and history-social science in grades 8 and 10 through 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and proficiency level, including the percent of students not tested, can be found on the Standardized Testing and Reporting (STAR) Results Web page at <http://star.cde.ca.gov>.

### CST Results for all Students Three year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

### Accountability:

#### Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the API Web site at <http://www.cde.ca.gov/ta/ac/ap/>.

#### API Ranks - Three Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10 percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10 percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2005	2006	2007
Statewide	3	4	4
Similar Schools	2	4	2

## API Changes by Student Group

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score.

Group	Actual API Change			API Score
	2005-06	2006-07	2007-08	2008
All Students	40	-15	31	756
Hispanic or Latino	41	-20	33	722
White (not Hispanic)	52	-6	35	802
Economically Disadvantaged	43	-18	28	728
English Learners	51	37	15	679

## Adequate Yearly Progress (AYP)

The federal No Child Left Behind Act (NCLB) requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics.
- Percent proficient on the state's standards-based assessments in ELA and mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the AYP Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

## AYP Overall and by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate—ELA	Yes	Yes
Participation Rate—Mathematics	Yes	Yes
Percent Proficient—ELA	No	No
Percent Proficient—Mathematics	Yes	No
API	Yes	Yes

## Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement Implementation	2006-2007	2004-2005
Year in Program Improvement	Year 3	Year 3
Number of Schools Currently in Program Improvement		13
Percent of Schools Currently in Program Improvement		46.4

## Instructional Planning and Scheduling:

### Professional Development

The school district provides all staff members with opportunities for professional growth and training in a variety of programs so that all teachers and paraprofessionals may become highly qualified under the No Child Left Behind law. The focus is on the delivery of a standards-based instructional program. District professional development priorities are outlined in the current LEA addendum as SB472 Language Arts and Mathematics, AB430 Administrative Training, AB 2913 English Learner Authorization, BTSA Induction Support for year one and year

two teachers, and specific Special Education trainings. Peer Assistance Review (PAR) is available to veteran teachers who need unique structure and support. Achievement data is used to determine site support and priorities in professional development. Moreover, four BTSA induction support providers, five academic coaches in language arts and mathematics, and five Reading First coaches provide ongoing support in day to day professional development needs for all instructional personnel. The District revised the Technology Plan in 2006 to include opportunities for staff to increase skills in technology application and instruction.

Categorical funds at the district and site level are designated for a Director of Professional Development, a secretary and an eight-hour clerk to coordinate district professional development. The District has a professional development calendar on the website for the 2008-09 school year.

### Support Staff:

#### Student Services

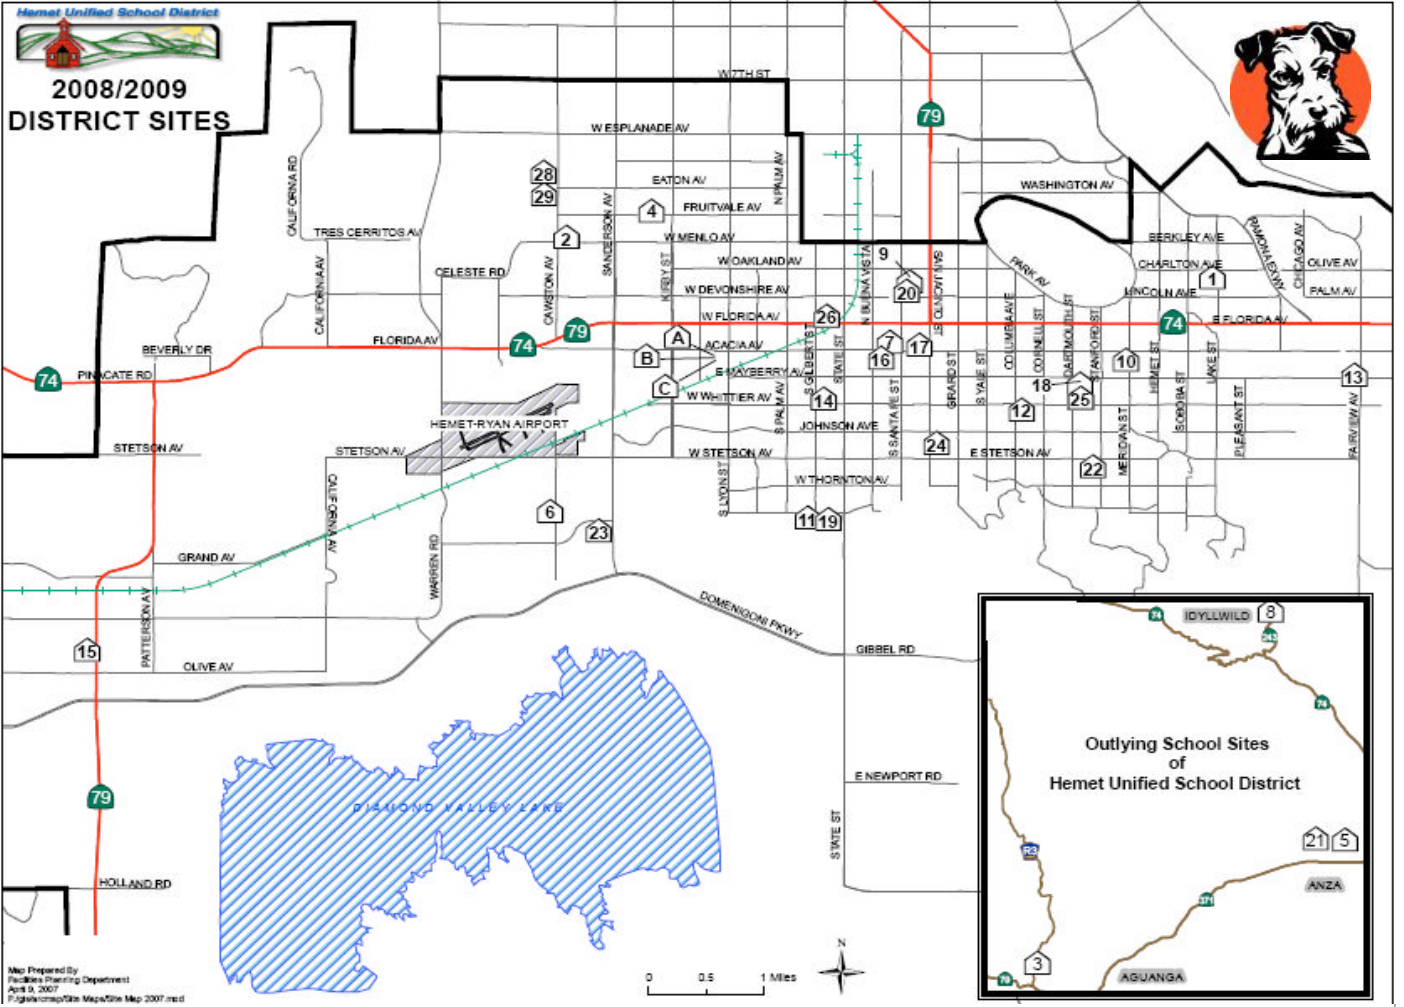

This table displays, in units of full-time equivalents (FTE), the number of support staff who are assigned to the school. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Title	Number of FTE Assigned to School
Library Media Services (paraprofessional)	1.0
Psychologist	1.0
