## Mission Statement

The mission of the Family Tree Learning Center is the following:

- We provide a safe and secure environment that promotes respect for self and others.
- Parent and child input is paramount to create successful relationships between students, teachers, parents and staff.
- We nourish and celebrate individuality and uniqueness.
- Decisions are based upon the best interests of students.
- We provide support to differentiate instruction and curriculum to ensure student mastery of the standards while meeting individual student needs.

## School Profile

Family Tree Learning Center is a K-8 Home School/ Independent Study School that serves as one of the alternative educational options for the Hemet Unified School District. It was opened to support families who have made the decision to educate their children in nontraditional settings. Students have access to the approved district core curriculum and follow the same school calendar. Some families incorporate additional materials to meet the educational goal that they may have determined to be important.

Family Tree Learning Center is located at 258 N. Thompson Street, Hemet, CA 92543. Itinerant teachers also work with families in alternate locations.

Using an Independent Study format, parents and students work with an assigned credentialed teacher weekly or bi-weekly, who prepares the curriculum, organizes the materials, and offers the support needed for the students to be successful. Family Tree Learning Center works with a wide variety of students ranging from gifted and talented to struggling learners.

Communication is the key to success for our students. Our parents and teachers continually collaborate and fine tune each student's educational journey. We have students enrolled here for a variety of reasons. Some families attend for short time periods while students recover from injuries or illnesses. Some of our families enroll so they can travel and stay current with a traditional curricular program so that their transition back into a Hemet Unified School is smooth. Other families are in it for the long haul and really enjoy being an intimate part of their child's education. Independent Study affords families the gift of time and flexibility that doesn't exist in a traditional setting.

## Opportunities for Parent Involvement

Parents of the students at Family Tree Learning Center are all involved in their children's instructional programs. Teachers and parents meet regularly to discuss student progress and development. Parents are also invited to get involved with district level decision making groups such as Curriculum Council, School Site Council and the Parents' Advisory Group. We also have parents who volunteer to serve as resources to each other. For more information on how you can get involved please contact Ellen Burgess, Principal, at (951) 925-2324. ext. 200.

## District Profile

Hemet Unified School District encompasses one incorporated city and numerous unincorporated communities within its 700+ topographically diverse square miles. We have 29 elementary and secondary schools with an enrollment of over 23,000 students. Agriculture still provides an important economic influence, as do other light and service industries. The rural flavor of the community still survives despite the rapid growth which has taken place in the area.

## Hemet Unified School District's Core Values

1. Provide a data-driven, standards-based academic program in which students and staff can succeed.
2. All students will improve their achievement in each subject each year.
3. Recruit, train, retain the very best staff for HUSD.
4. Effective initial instruction is the most powerful tool for achievement.
5. Provide viable alternative pathways for student success.
6. Nutritional and physical well-being supports academic achievement.
7. Non-academic endeavors and activities are necessary to provide a balanced educational experience.
8. The quality of our published works and the state of our facilities reflects how we view ourselves.
9. HUSD is responsible to respond positively and proactively to changes in our community.

| Enrollment by Student Group |  |
| :--- | :---: |
| 2008-09 Enrollment: 185 |  |
| African American | $7.03 \%$ |
| American Indian or Alaska Native | $2.70 \%$ |
| Asian | $0.00 \%$ |
| English Learners | $4.00 \%$ |
| Filipino | $1.08 \%$ |
| Hispanic or Latino | $25.41 \%$ |
| Pacific Islander | $0.00 \%$ |
| White (not Hispanic) | $57.84 \%$ |
| Socioeconomically Disadvantaged | $38.00 \%$ |
| Students with Disabilities | $4.00 \%$ |
| Multiple or No Response | $5.95 \%$ |

## Suspensions \& Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

| Suspension Rates |  |  |  |  |  |  |
| :--- | :---: | :---: | :---: | :---: | :---: | :---: |

| Expulsions | 0.0 | 0.0 | 0.0 | 0.5 | 0.6 | 0.4 |

## Academic Counselors and Other Support Staff

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

| Academic Counselors and Other Support Staff |  |
| :--- | :--- |
| Title | \# of FTE Assigned |
| Academic Counselor |  |

| Psychologist |  |
| Social Worker |  |
| Nurse |  |
| Health Technician |  |
| Speech/Language/Hearing Specialist |  |
| Resource Specialist (non-teaching) |  |

## Professional Development

The school district provides all staff members with opportunities for professional growth and training in a variety of programs so that all teachers and paraprofessionals may become highly qualified under the No Child Left Behind law. The focus is on the delivery of a standardsbased instructional program. District professional development priorities are outlined in the current LEA addendum as Curriculum Specific Trainings in Language Arts and Mathematics, Administrator Training Program, English Now, BTSA Induction Support for year one and year two teachers, and specific Special Education trainings. Peer Assistance Review (PAR) is available to veteran teachers who need unique structure and support. Achievement data is used to determine site support and priorities in professional development. Moreover, three BTSA induction support providers, seven instructional coaches in language arts and mathematics, and five Reading First coaches provide ongoing support in day to day professional development needs for all instructional personnel. The District revised the Technology Plan in 2006 to include opportunities for staff to increase skills in technology application and instruction.

Categorical funds at the district and site level are designated for a Director of Professional Development, a secretary and an eight-hour clerk to coordinate district professional development. The District has a professional development At a Glance calendar on the website for the 2009-2010 school year.

## Types of Services Funded

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:
EIA \$7,033
EIA/LEP \$1,675
ELAP \$1,245
School \& Library Improvement Block Grant \$2,754
Lottery \$4,446
GATE \$257
Safe \& Drug Free Schools \$215

## Expenditures Per Pupil and Teacher Salaries (FY 07-08)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at http://www.cde.ca.gov/ds/fd/ec/ and
http://www.cde.ca.gov/ds/fd/cs/.

## Academic Performance Index (API)

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000 , with a statewide target of 800 . Detailed information about the API can be found at the CDE Web site at http://www.cde.ca.gov/ta/ac/ap/.

## School Site Safety Plan

SB187 Safety Plan
Date the plan was last updated: April 2009
Date the plan was last reviewed by the staff: April 2009
The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5. A copy of the plan is available for inspection by the public at each school.

## Facilities Maintenance

This year Family Tree Learning Center remained at the same vacated elementary school campus. The classrooms are spacious and conducive to individual appointments as well as large group meetings, activities, or seminars. We share the campus with Helen Hunt Jackson Alternative School, as well as several other district programs. The students have access to clean restrooms nearby their classrooms, as well as drinking fountains in each classroom. The campus is gated and secure.

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

## Curriculum and Instructional Materials

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/6/09 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below ( $0 \%$ lack textbooks and/or instructional materials in any of the listed areas). The chart below outlines the textbooks adopted and used by Hemet Unified School District.

California Physical Fitness Test Results
Every year, the California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students scoring in the healthy fitness zone on four out of five, five out of five and all six fitness standards for the most recent testing period.

## DataQuest and Access to Data

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners). Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## California Standards Tests (CST)

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades $5,8,9,10$, and 11; and history-social science in grades $8,9,10$, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE Web site at http://star.cde.ca.gov. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy.

CST Results for All Students - Three-Year Comparison

## National Assessment of Educational Progress

The National Assessment of Educational Progress (NAEP) is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and mathematics are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities and English language learners is reported based on three levels (identified, excluded, and assessed). Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the National Assessment of Educational Progress Web page (Outside Source). Information on the differences between NAEP and CST can be found on the CDE National Assessment of Educational Progress (NAEP) Web page.

Adequate Yearly Progress (AYP)
The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria: 1) Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics, 2) Percent proficient on the state's standards-based assessments in ELA and mathematics, 3) API as an additional indicator and 4) Graduation rate (for secondary schools).
AYP Overall and by Criteria
This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

| AYP Criteria |  |  |
| :--- | :---: | :---: |
|  | School | District |
| AYP Overall | No | No |
| Participation Rate: |  |  |
| English-Language Arts | Yes | Yes |

| Percent of Schools Currently in PI | N/A | 46.4 |

## Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI , schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at http://www.cde.ca.gov/ta/ac/ayl.
