#### **Mission Statement**

The staff, parents, and students of Idyllwild School will work collaboratively in a safe and supportive environment where all students learn.

#### **About This School**

Idyllwild has been designated a California Distinguished School by the State Department of Education. The staff is highly dedicated and committed to the belief that all students can learn. The School Site Council provides direction and success to make Idyllwild a safe and nurturing environment for all children. The PTA advocates for students, teachers, and actively supports the instructional standards-based program.

Teachers, principal and parents are committed to:

- focus on learning,
- support and implement research-based educational practices,
- share and use relevant data in a timely manner to differentiate instruction so that all students learn,
- collaborate across and within grade levels and subject matter to achieve our goals,
- implement common educational standards, benchmarks and assessments that provide for in-depth learning,
- be effective team members sharing decisionmaking and leadership roles,
- be respectful towards all members of the learning community and practice open, diplomatic, honest communication,
- consistently implement a clearly stated school -wide discipline plan that is communicated to all members and that honors the integrity of students,
- be actively involved and have a vested interest in our children's' education

Our exemplary staff works in tandem with the support and positive leadership of the community it serves. The business community of Idyllwild supports the school with over 4,000 hours of volunteer time, and financial donations. They recognize the achievements of students and take a very active role as volunteers in classrooms. The community is proud of the school and the work that the staff does to encourage children to grow into competent and caring adults.

You will learn much about Idyllwild School in the following pages of statistics and numbers. However, what cannot be encapsulated so easily is the giving, caring nature of the talented staff, the pleasure of teamwork, the joy and laughter expressed by the students, or the creative spirit that is nurtured in each of the children who attend Idyllwild School.

Idyllwild School is located 110 miles southeast of Los Angeles, 105 miles northeast of San Diego and 40 miles from Palm Springs. Our school is one of 27 schools in the Hemet Unified School District. The enrollment is approximately 320 students in grades K-8 and is located in a small resort-oriented town at the 6,000-foot elevation in the San Jacinto Mountains.

#### **District Profile**

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 22,000 students. Preschool centers at seven school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

## Hemet Unified School District's Core Values

1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
2. All students can develop their intellect and improve their academic achievement level in each subject each year.
3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
4. Good first teaching is the most powerful tool for improving student achievement.
5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
9. It is the District's responsibility to respond positively to the changing needs of our community and students.
10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

Expulsions	1.3	0.0	1.0	0.6	0.4	0.5

## Types of Services Funded

The SAFE after school program services students in grades one through eight from the time the dismissal bell rings until 6:00 PM. There are approximately 50 students enrolled in the program. The program is financed through State funds (Prop-49). The SAFE program also funds after school interventions targeting students who are scoring below proficiency on grade level standards. To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

Title I - \$5,505	ELAP - \$2,189
EIA - \$6,253	Lottery - \$7,674
EIA/LEP - \$1,118	

## Class Size and Distribution

### Expenditures Per Pupil and Teacher Salaries (FY 08-09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Pupil and Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary

Percent Difference (School/District)			10.3	12.9
Percent Difference (School/State)			13.6	7.6

### Teacher and Administrative Salaries (FY 08-09)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/>.

Teacher and Administrative Salaries		
Category	District Amount	State Average
Beginning Teacher Salary	40,147	40,421.00
Mid-Range Teacher Salary	66,464	60,038.00
Highest Teacher Salary	87,860	79,654.00

### Academic Counselors and Other Support Staff

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Academic Counselors and Other Support Staff	
Title	# of FTE Assigned to School
Academic Counselor	.2
Average # of Students per Counselor	115
Counselor (Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	0
Library Media Services Staff (paraprofessional)	.688
Psychologist	.33
Social Worker	0
Nurse	.25
Health Technician	.875
Speech/Language/Hearing Specialist	.5
Resource Specialist (non-teaching)	2
Other	0

### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Teacher Credentials				
Teachers	School			District
	07-08	08-09	09-10	09-10
With Full Credential	17	16	17	996
Without Full Credential	0	0	0	14
Outside Subject Area of Competence	4	4	4	108

### Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Misassignments/Vacancies			
	08-09	09-10	10-11
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

## Professional Development

The school district provides all certificated and classified members with opportunities for professional growth and training in a variety of programs so that all teachers and paraprofessionals may become highly qualified under the No Child Left Behind law. The focus is on the delivery of a standards-based instructional program. District professional development priorities are outlined in the current LEA addendum as Curriculum Specific Trainings in Language Arts and Mathematics, Administrator Training Program, English Now, BTSA Induction Support for year one and two teachers, and specific Special Education trainings. Peer Assistance Review (PAR) is available to veteran teachers who need unique structure and support. Achievement data is used to determine site support and priorities in professional development. Moreover, seven Strategy Focused Instructional Coaches in language arts and mathematics, provide ongoing support in day to day professional development needs for all instructional personnel. The District revised the Technology Plan in 2006 to include opportunities for staff to increase skills in technology application and instruction.

Categorical funds at the district and site level are designated for a Director of Professional Development, a secretary and an eight hour clerk to coordinate district professional development. The 2010-2011 Professional Development "At a Glance" calendar is posted weekly to share professional development occurring throughout the district.

## School Site Safety Plan

### SB187 Safety Plan

**Date the plan was last updated:** May, 2010

**Date the plan was last reviewed with staff:** August, 2010

The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5. A copy of the plan is available for inspection by the public at each school.

Idyllwild School works closely with local agencies and the Mountain Area Disaster preparedness group to develop earthquake and disaster procedures. Monthly fire and earthquake drills are held to ensure that staff and students know how to evacuate safely in the event of a true disaster. Each year an earthquake "simulation" drill involves school staff, community agencies and District support groups. Students are well supervised before school, during recesses, lunch periods, and bus boarding after school.

All visitors and volunteers are required to sign in at the office, state their business at the school, and show identification. They are provided with a visitor tag to wear while on school grounds. They must return to sign out at the office at the end of their visit.

## Facilities Maintenance

**Date of Most Recent Inspection:** 8/6/10

Idyllwild School first opened its doors in 1927, but has gone through a dramatic face lift and modernization. The new gymnasium, improved playground areas, drainage system and classroom buildings provide increased access to a pleasant and safe learning environment. Idyllwild has one computer lab in the new two-story building that provides access to the Internet for whole class instruction using technology. Every classroom has adequate space and all the materials needed to ensure student success. The school campus is secured with perimeter fencing.

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

## Curriculum and Instructional Materials

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/5/10 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below (0% lack textbooks and/or instructional materials in any of the listed areas). The chart below outlines the textbooks adopted and used by Hemet Unified School District.

### California Physical Fitness Test Results

Every year, the California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students scoring in the healthy fitness zone on four out of five, five out of five and all six fitness standards for the most recent testing period.

California Physical Fitness Test Results

### DataQuest and Access to Data

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners). Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### California Standards Tests (CST)

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10, and 11; and history-social science in grades 8, 9, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE Web site at <http://star.cde.ca.gov>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy.

### CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

### Adequate Yearly Progress (AYP)

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria: 1) Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics, 2) Percent proficient on the state's standards-based assessments in ELA and mathematics, 3) API as an additional indicator and 4) Graduation rate (for secondary schools).

### AYP Overall and by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria

### Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.

### Academic Performance Index (API)

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ap/>.
