#### **School Mission Statement**

All students at Jacob Wiens Elementary School will achieve their individual objectives and be self-motivated learners. Students will become socially responsible and develop positive character values.

All students who have attended Jacob Wiens Elementary School for one full year will demonstrate mastery of the skills required by the Hemet Unified School District with at least 80% proficiency and will surpass our state API goal.

At Jacob Wiens Elementary School, our staff serves as advocates for ALL students by utilizing all available resources, providing exemplary role models, implementing innovative strategies that promote learning as well as maintaining high academic and behavioral expectations.

#### **School Vision Statement**

*Educate Empower Excite*

#### **School Profile**

Currently, Jacob Wiens has 33 classrooms. Thirty classrooms are general education classes in grades K through 5 and 30 classrooms are SDC classes. To effectively maintain our high teacher expectations as well as continually strive to exceed them, our staff at Jacob Wiens, is a PLC (Professional Learning Community). As a PLC, our teachers are engaged in the key curriculum and decision-making process with the goal of making sure students are learning rather than just being taught. As a PLC, we are aggressive in seeking large improvements in student achievement and we ground our work in formative and summative data.

Jacob Wiens is a Title-I School. Title I funds help to provide intervention programs for students who are not meeting their grade level standards. Title I funds have also been used to provide after-school intervention programs in reading, writing, math and English language development. The school has a P.T.A. to support the school's programs and students. An Enrichment Program is offered to students who have been designated as "Gifted and Talented". An English Language Advisory Committee (ELAC) is a parental organization we have in place to provide a forum for the parents of English Language Learning students to voice their opinions and concerns regarding the educational needs of their children. During the school year a Latino Literacy Program is offered for Spanish speaking parents to learn English as well as become acclimated to the school's environment. The school's staff has also been trained in using GLAD teaching strategies that are designed to assist non English speaking students and struggling students. At Jacob Wiens, we exist to educate, empower and excite our students. Our faculty is committed to teamwork, teaching to the standards, working with parents as well as the local community. They aggressively pursue new educational methodologies to enhance their teaching expertise. All staff members are fully credentialed teachers. Through the school's staff and its patrons Jacob Wiens Elementary School strives to maintain a positive learning environment in which the successful efforts of its students are both cherished and celebrated.

#### **District Profile**

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 22,000 students. Preschool centers at seven school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

## Hemet Unified School District's Core Values

1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
2. All students can develop their intellect and improve their academic achievement level in each subject each year.
3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
4. Good first teaching is the most powerful tool for improving student achievement.
5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
9. It is the District's responsibility to respond positively to the changing needs of our community and students.
10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

## Professional Development

The school district provides all certificated and classified members with opportunities for professional growth and training in a variety of programs so that all teachers and paraprofessionals may become highly qualified under the No Child Left Behind law. The focus is on the delivery of a standards-based instructional program. District professional development priorities are outlined in the current LEA addendum as Curriculum Specific Trainings in Language Arts and Mathematics, Administrator Training Program, English Now, BTSA Induction Support for year one and two teachers, and specific Special Education trainings. Peer Assistance Review (PAR) is available to veteran teachers who need unique structure and support. Achievement data is used to determine site support and priorities in professional development. Moreover, seven Strategy Focused Instructional Coaches in language arts and mathematics, provide ongoing support in day to day professional development needs for all instructional personnel. The District revised the Technology Plan in 2006 to include opportunities for staff to increase skills in technology application and instruction.

Categorical funds at the district and site level are designated for a Director of Professional Development, a secretary and an eight hour clerk to coordinate district professional development. The 2010-2011 Professional Development "At a Glance" calendar is posted weekly to share professional development occurring throughout the district. Curriculum development at Jacob Wiens continues to emphasize reading (literature based and phonics supported), language arts, mathematics, student learning styles, multiple intelligences authentic assessment measures, thematic teaching, cooperative learning, parent involvement, and specific instructional strategies.

### Expenditures Per Pupil and Teacher Salaries (FY 08-09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures and teacher salaries can be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/ec/> and <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Pupil and Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supp.	Basic	
School	\$5,662	\$838	\$4,824	\$60,398

State	--	--	\$5,681	\$68,179
Percent Difference (School/District)			-3.5	-6.4
Percent Difference (School/State)			-15.1	-11.4

### Teacher and Administrative Salaries (FY 08-09)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/>.

Teacher and Administrative Salaries		
Category	District Amount	State Average
Beginning Teacher Salary	40,147	42,377
Mid-Range Teacher Salary	66,464	67,667
Highest Teacher Salary	87,860	87,102
Superintendent Salary	234,184	223,323
Average Principal Salary (Elementary)	107,901	108,894

Average Principal Salary (High)	117,801	124,531
% of Budget (Teacher Salaries)	39.1	40.2
% of Budget (Administrative Salaries)	6.4	5.5

### Core Academic Classes Taught by NCLB Compliant Teachers

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers at the school, at all schools in the district, at high-poverty schools in the district, and at low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at the CDE Web site at <http://www.cde.ca.gov/nclb/sr/tq/>.

% of Classes In Core Academic Subjects Taught by Teachers Who Are		
Level	NCLB Compliant	Non-NCLB Compliant
This School	96.67	3.33
All Schools in District	95.43	4.57
High-Poverty Schools		3.38
Low-Poverty Schools		N/A

### Academic Counselors and Other Support Staff

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Academic Counselors and Other Support Staff	
Title	# of FTE Assigned to School
Academic Counselor	0
Average # of Students per Counselor	
Counselor (Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	0
Library Media Services Staff (paraprofessional)	.688
Psychologist	.50
Social Worker	0
Nurse	.15
Health Technician	.875
Speech/Language/Hearing Specialist	1.0
Resource Specialist (non-teaching)	0
Other	0

### Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Teacher Credentials

## School Site Safety Plan

SB187 Safety Plan

Date the plan was last updated: May 2010

Date the plan was last reviewed with staff: May 2010

The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5. A copy of the plan is available for inspection by the public at each school.

There is a functioning Safety Committee that continually monitors the school's safety plan and preparedness. The campus is completely enclosed with fencing and there is a security guard that monitors the campus during evening hours to ensure the safety of the school's patrons and staff. In conjunction with the guard we utilize a "dark campus" as a means of reducing vandalism and other illegal activities during the times school is not in session. Jacob Wiens' students are well supervised by teachers, supervision aides, our assistant principal, and the principal upon their arrival at school and throughout the school day. School Administration assists with traffic control during the arrival and departure times of the school day.

Monthly fire and/or disaster drills are held to ensure that students and staff are prepared should there be a disaster during the school day.

## Facilities Maintenance

**Date of Most Recent Inspection:** 10/15/10

Jacob Wiens Elementary School provides a safe, clean environment for learning. Our site has large administrative offices, a library, a multipurpose room, and a disaster shed containing disaster supplies along with a large playground and playing field. Every classroom has adequate space and all the materials needed to ensure student success.

All of the Jacob Wiens' classrooms have a minimum of one computer per room that is connected to the Internet. There are also banks of computers along both sides of the each of the three major classroom wings of the classrooms. These computers assist teachers in ensuring that our students are computer literate as well as facilitate the implementation of the Accelerated Reader Program and Success Maker.

There are also several computer terminals in the library for use with our computerized card catalog, student book check out, as well as providing further terminals for our Accelerated Reader Program.

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

## Curriculum and Instructional Materials

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/5/10 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below (0% lack textbooks and/or instructional materials in any of the listed areas). The chart below outlines the textbooks adopted and used by Hemet Unified School District.

### California Physical Fitness Test Results

Every year, the California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students scoring in the healthy fitness zone on four out of five, five out of five and all six fitness standards for the most recent testing period.

### DataQuest and Access to Data

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners). Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### California Standards Tests (CST)

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10, and 11; and history-social science in grades 8, 9, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE Web site at <http://star.cde.ca.gov>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy.

### CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

### Adequate Yearly Progress (AYP)

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria: 1) Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics, 2) Percent proficient on the state's standards-based assessments in ELA and mathematics, 3) API as an additional indicator and 4) Graduation rate (for secondary schools).

### AYP Overall and by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria		
	School	District
<b>AYP Overall</b>	Yes	No
<b>Participation Rate:</b>

### Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.
