#### **Principal's Message**

Dear Parents/Guardians/Community Members: Welcome to Valle Vista Elementary School! We take great pride in our school and believe it is one of the finest elementary schools in the San Jacinto Valley. We have a very dedicated staff who believes that ALL children can learn. Various intervention and enrichment programs are offered throughout the year aimed at meeting the needs of all students. We offer an English language development program in grades K-5, Walk to Learn enrichment and intervention program, and a Parent Assisted Learning Program (PAL's). Students are prepared for the technology age by means of a computer lab and computers in each classroom.

We are looking forward to a very productive year in which all students are successful. Teachers and students work very hard in a standards based curriculum and assessment program. One of our goals this year is to continue to improve on our past successes and ensure a high level of achievement for all students. With our experienced staff and supportive parents we believe that we can, not only accomplish our goals, but exceed them.

We encourage all parents to become active in their child's education. This can be accomplished through volunteering, attending parent-teacher conferences, open house, and back to school events. Your involvement is critical in the success of your child.

I look forward to meeting and working with you, and if you would ever like to speak with me you may stop by the school or call me at (951) 927-0800.

#### **School Profile**

This annual report describes Valle Vista Elementary as a school where staff, students and parents work together to foster high expectations and a commitment to academic excellence. Valle Vista Elementary prides itself on meeting the needs of all students with a vision towards preparing children to face the demands of the 21st century.

Valle Vista Elementary School is located in the eastern San Jacinto Valley and is part of the Hemet Unified School District. The community of Valle Vista is in the Hemet Post Office jurisdiction but represents a long established agricultural area of the valley, in transition to a more urbanized bedroom community for the city of Hemet. Valle Vista School is located at the corner of Fairview and Mayberry avenues.

#### **Opportunities for Parent Involvement**

We offer a Parent Assisted Learning program (PAL's) that provides tutoring, reading support and preteaching activities to students through trained volunteers. The site addresses all areas of parent involvement through their Single Plan For Student Achievement. For more information, contact the site Principal, Kathy Rush at (951) 927-0800.

#### **District Profile**

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 22,000 students. Preschool centers at seven school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

### Hemet Unified School District's Core Values

1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
2. All students can develop their intellect and improve their academic achievement level in each subject each year.
3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
4. Good first teaching is the most powerful tool for improving student achievement.
5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
6. The maintenance and development of students' nutritional and physical well-being supports and enhances intellectual development and academic achievement.
7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
9. It is the District's responsibility to respond positively to the changing needs of our community and students.
10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

### Types of Services Funded

During the 2008-2009 school year every classroom was equipped with an LCD camera, Document Camera and easel to allow greater use of the curricular materials. Additionally, after school interventions were funded with categorical funds.

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

Title I - \$14,230  
 EIA - \$18,709  
 EIA/LEP - \$4,880  
 ELAP - \$3,814  
 Lottery - \$16,626

### Class Size and Distribution

This table displays by the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Percent Difference (School/State)			-13.1	-3.9

### Teacher and Administrative Salaries (FY 08-09)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/>.

Teacher and Administrative Salaries		
Category	District Amount	State Average
Beginning Teacher Salary	40,147	4
Mid-Range Teacher Salary	66,464	60,038.00
Highest Teacher Salary	87,860	79,654.00

### Core Academic Classes Taught by NCLB Compliant Teachers

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers at the school, at all schools in the district, at high-poverty schools in the district, and at low-poverty schools in the district. More information on teacher qualifications required under NCLB can be found at the CDE Web site at <http://www.cde.ca.gov/nclb/sr/tq/>.

% of Classes In Core Academic Subjects Taught by Teachers Who Are		
Level	NCLB Compliant	Non-NCLB Compliant
This School	96.67	3.33
All Schools in District	95.43	4.57
High-Poverty Schools		3.38
Low-Poverty Schools		N/A

### Academic Counselors and Other Support Staff

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Academic Counselors and Other Support Staff	
Title	# of FTE Assigned to School
Academic Counselor	0
Average # of Students per Counselor	
Counselor (Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	0

## School Site Safety Plan

SB187 Safety Plan

Date the plan was last updated: June 30, 2010

Date the plan was last reviewed by the staff: August 21, 2010

The Comprehensive Safe School Plan includes data regarding school crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5. A copy of the plan is available for inspection by the public at each school.

Routine student safety is provided through the assignment of teachers and paid supervisors for supervision duty during all recess and lunch periods, as well as, before and after school. Disaster preparedness drills are conducted monthly. The school has a current disaster preparedness and safety plan. School gates are closed five minutes after school begins and opened three minutes before school lets out. All visitors and volunteers are required to sign in at the office, state their business at the school, and show identification. They are provided with a visitor tag to wear while on school grounds. They must return to sign out at the office at the end of their visit.

Valle Vista Elementary School has a current disaster preparedness plan with the PTA providing basic first aid supplies for emergency use. Minimal supplies exist for a major disaster. The community is encouraged to use Valle Vista's facilities and the school is the central point for neighborhood activities.

Fire drills are conducted monthly and the staff is trained in emergency procedures, including evacuation routes and safety checks.

## Facilities Maintenance

**Date of Most Recent Inspection:** 8/2/10

Valle Vista Elementary School opened its doors in the fall of 1992. Valle Vista School currently houses over 700 students utilizing both permanent and relocatable classrooms on approximately 12 acres. Every classroom has adequate space and all the materials needed to ensure student success. The campus was repainted in the summer of 2008, with interior paint and wall paper repairs made also. The main irrigation water supply was replaced and improved during the Winter of 2010.

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

## Professional Development

The school district provides all certificated and classified members with opportunities for professional growth and training in a variety of programs so that all teachers and paraprofessionals may become highly qualified under the No Child Left Behind law. The focus is on the delivery of a standards-based instructional program. District professional development priorities are outlined in the current LEA addendum as Curriculum Specific Trainings in Language Arts and Mathematics, Administrator Training Program, English Now, BTSA Induction Support for year one and two teachers, and specific Special Education trainings. Peer Assistance Review (PAR) is available to veteran teachers who need unique structure and support. Achievement data is used to determine site support and priorities in professional development. Moreover, seven Strategy Focused Instructional Coaches in language arts and mathematics, provide ongoing support in day to day professional development needs for all instructional personnel. The District revised the Technology Plan in 2006 to include opportunities for staff to increase skills in technology application and instruction.

Categorical funds at the district and site level are designated for a Director of Professional Development, a secretary and an eight hour clerk to coordinate district professional development. The 2010-2011 Professional Development "At a Glance" calendar is posted weekly to share professional development occurring throughout the district.

## Curriculum and Instructional Materials

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/5/10 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below (0% lack textbooks and/or instructional materials in any of the listed areas). The chart below outlines the textbooks adopted and used by Hemet Unified School District.

## California Physical Fitness Test Results

Every year, the California Physical Fitness Test is administered to students in grades 5, 7, and 9 only. This table displays by grade level the percent of students scoring in the healthy fitness zone on four out of five, five out of five and all six fitness standards for the most recent testing period.

California Physical Fitness Test Results

## DataQuest and Access to Data

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners). Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## California Standards Tests (CST)

The California Standards Tests (CSTs) show how well students are doing in relation to the state content standards. The CSTs include English-language arts and mathematics in grades 2 through 11; science in grades 5, 8, 9, 10, and 11; and history-social science in grades 8, 9, 10, and 11. Student scores are reported as performance levels. Detailed information regarding CST results for each grade and performance level, including the percent of students not tested, can be found at the CDE Web site at <http://star.cde.ca.gov>. Note: Scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy.

## CST Results for All Students - Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

### Adequate Yearly Progress (AYP)

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria: 1) Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics, 2) Percent proficient on the state's standards-based assessments in ELA and mathematics, 3) API as an additional indicator and 4) Graduation rate (for secondary schools).

### AYP Overall and by Criteria

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria		
	School	District
<b>AYP Overall</b>	No	No
<b>Participation Rate:</b>		
English-Language Arts	Yes	Yes
Mathematics	Yes	Yes
<b>Percent Proficient:</b>

### Federal Intervention Program

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Web site at <http://www.cde.ca.gov/ta/ac/ay/>.
