2011-12 School Accountability Report Card Published During the 2012-13 School Year

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2011-12 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <u>www.cde.ca.gov/ta/ac/sa/</u>. For additional information about this school, please contact the school administration at (951) 765-5193.

District Profile

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 21,157 students. Preschool centers at nine school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter high school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

School Description

Mission Statement

The mission of the Family Tree Learning Center is the following:

- We provide a safe and secure environment that promotes respect for self and others.
- Parent and child input is paramount to create successful relationships between students, teachers, parents and staff.
- We nourish and celebrate individuality and uniqueness.
- Decisions are based upon the best interests of students.
- We provide support to differentiate instruction and curriculum to ensure student mastery of the standards while meeting individual student needs.

School Profile

Family Tree Learning Center is a K-8 Home School/ Independent Study School that serves as one of the alternative educational options for the Hemet Unified School District. It was opened to support families who have made the decision to educate their children in nontraditional settings. Students have access to the approved district core curriculum and follow the same school calendar. Some families incorporate additional materials to meet the educational goal that they may have determined to be important.

Family Tree Learning Center is located at 258 N. Thompson Street, Hemet, CA 92543.

Hemet Unified School District

1791 West Acacia Ave. Hemet, CA 92545-3632 (951) 765-5100 www.hemetusd.k12.ca.us

District Governing Board

Mr. William Sanborn Mrs. Marilyn Forst Mr. Paul Bakkom Dr. Lisa DeForest Mrs. Charlotte Jones Mr. Ross Valenzuela Mr. Joe Wojcik

District Administration Dr. Barry L. Kayrell Superintendent

Dr. Sally Cawthon Assistant Superintendent Educational Services

Dr. LaFaye Platter Deputy Superintendent Human Resources

Vince Christakos Assistant Superintendent Business Services Using an Independent Study format, parents and students work with an assigned credentialed teacher weekly or bi-weekly, who prepares the curriculum, organizes the materials, and offers the support needed for the students to be successful. Family Tree Learning Center works with a wide variety of students ranging from gifted and talented to struggling learners.

Communication is the key to success for our students. Our parents and teachers continually collaborate and fine tune each student's educational journey. We have students enrolled here for a variety of reasons. Some families attend for short time periods while students recover from injuries or illnesses. Some of our families enroll so they can travel and stay current with a traditional curricular program so that their transition back into a Hemet Unified School is smooth. Other families are in it for the long haul and really enjoy being an intimate part of their child's education. Independent Study affords families the gift of time and flexibility that doesn't exist in a traditional setting.

Opportunities for Parental Involvement

Parent involvement opportunities are available to all parents at our school. These offerings are available in both English and Spanish. These opportunities include, Parent Project[®], P.R.I.C.E. Parenting[®], Parent Institute for Quality Education[®], District English Learner Advisory Committee, District Advisory Committee, and a district-wide PTA/ELAC community event, named, "Hemet Posada."

Parents of the students at Family Tree Learning Center are all involved in their children's instructional programs. Teachers and parents meet regularly to discuss student progress and development. Parents are also invited to get involved with district level decision making groups such as Curriculum Council, School Site Council and the Parents' Advisory Group. We also have parents who volunteer to serve as resources to each other. For more information on how you can get involved please contact Sharleen Rainville, Principal, at (951) 925-2324. ext. 200.

Hemet Unified School District's Core Values

- 1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
- 2. All students can develop their intellect and improve their academic achievement level in each subject each year.
- 3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
- 4. Good first teaching is the most powerful tool for improving student achievement.
- 5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
- 6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
- 7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
- 8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
- 9. It is the District's responsibility to respond positively to the changing needs of our community and students.
- 10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

Suspensions and Expulsions School 09-10 10-11 11-12 **Suspensions Rate** 1.43 2.92 2.5 0 **Expulsions Rate** 0 1.3 09-10 10-11 11-12 District 18.77 16.06 15.5 **Suspensions Rate** 0.52 0.37 0.4 **Expulsions Rate**

The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area, English, Math, Science and Social Science (SS), rather than grade level.

School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Board approved: November 6, 2012

Per Board Policy 0450 and Education Code 32288, the school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site. Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286). Each school shall forward the safety plan to the Board for approval. (Education Code 32288). The Board shall review the comprehensive districtwide and/or school safety plan(s) in order to ensure compliance with state law, Board policy, and administrative regulation. The Board shall approve the plan at a regularly scheduled meeting. A copy of the Safe School Plan is available at the school site.

The Comprehensive Safe School Plan includes data regarding California Healthy Kids Survey, crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5.

A clean, safe, and secure teaching and learning environment is the highest priority to administration and staff. Fire drills are conducted monthly and a disaster preparedness plan exists for emergencies. Staff is trained in emergency procedures, including evacuation routes and safety checks. Supervision is assigned with the maximum coverage before and after school and at lunches. Walkie talkies provide communication on campus with administrators. The Riverside Sheriff and Hemet Fire Departments respond quickly to calls for assistance. School gates are closed right after the morning bell rings and opened when school lets out. All visitors and volunteers are required to sign in at the office, state their business at the school, and show identification. They are provided with a visitor tag to wear while on school grounds. They must return to sign out at the office at the end of their visit.

The school's physical facility is well maintained. District personnel periodically examine the school's physical facility regularly and help eliminate obstacles to school safety. Additionally, health and fire department inspectors contribute to the school safety. The classrooms are monitored for safety and appearance by administration and individual classroom teachers, custodians and administration. The pupils take pride in the appearance of their school.

School Facility Conditions and Planned Improvements (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: 11/2/12

The classrooms are spacious and conducive to individual appointments as well as large group meetings, activities, or seminars. We share the campus with Helen Hunt Jackson Alternative School, as well as several other district programs. The students have access to clean restrooms nearby their classrooms, as well as drinking fountains in each classroom. The campus is gated and secure.

Our site was inspected as required by the Williams Legislation for the 2012/13 academic school year and received an exemplary rating.

School Facility Good Repair Status (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs. During the last three years (2009-2012), 571 days of professional training has been provided through the Hemet Unified School District Professional Development Academy. The training provided through the Academy allows teachers, administrators and paraprofessionals to become highly skilled at providing quality leadership, instruction and support to the district's students. The focus of professional development is on the delivery of a standards-based instructional program. Achievement data is used to determine site support and priorities for professional development opportunities. Priorities are identified in the current LEA Plan under Specific Trainings in Language Arts and Mathematics, English Now, BTSA Induction Support for year one and two teachers and specific Special Education trainings. Additional coaching assistance is provided for veteran teachers who need individualized structure and support. Eight Strategy Focused Instructional Coaches provide ongoing support in trainings and in day to day professional development needs in the areas of language arts, mathematics, English Language Development and Technology. Administrators are provided specific professional development to implement and support new and on-going instructional programs. Professional development is delivered through trainings on-site, at the District Professional Development Academy, conferences, and through trainer of trainer's models. As new programs and instructional strategies are implemented, instructional coaches assigned to specific sites offer support and additional training. Site administrators receive continuing support at district leadership meetings from instructional coaches, district support staff and consultants.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: www.cde.ca.gov/nclb/sr/tq/

Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers

Types of Services Funded (Fiscal Year 2011-12)

This section provides specific information about the types of programs and services available at the school that support and assists students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

MAA -- \$2,997 Site Lottery -- \$1,954 ELL - \$0.00 EIA -- \$1.888 EIA/LEP -- \$362

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012-13)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: October 2, 2012

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/2/2012 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below.

Our site was inspected for textbooks on 8/31/12 as required by the Williams Legislation for the 2012/13 academic school year and has sufficient textbooks.

2011-12 School Accountability Report Card for Family Tree Learning Center

<u>Note</u>: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include Englishlanguage arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at star.cde.ca.gov.

	STAR Results for All Students - Three-Year Comparison								
	Percent of Students Scoring at Proficient or Advanced							d	
Subject	School District State								
	09-10	10-11	11-12	09-10	10-11	11-12	09-10	10-11	11-12

Science	33	40	29	47	49	49	54	57	60
H-SS	27	36	28	36	39	38	44	48	49

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

2012 STAR Results by Student Group					
Group	Percent of Students Scoring at Proficient or Advanced				
	ELA	Math	Science	H-SS	
All Students in the LEA	50	42	49	38	
All Student at the School	46	25	29	28	
Male	35	18	15	15	
Female	54	29	34	35	
Black or African American					
American Indian or Alaska Native					
Asian					
Filipino					
Hispanic or Latino	35	22	17		
Native Hawaiian/Pacific Islander					
White	51	30	47	56	
Two or More Races					
Socioeconomically Disadvantaged	37	16	15	21	
English Learners					
Students with Disabilities					
Students Receiving Migrant Education Services					

California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at www.cde.ca.gov/ta/tg/pf/.

Grade	Percent of Students Meeting Fitness Standards				
Level	4 of 6	5 of 6	6 of 6		
7	24	44	12		

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at www.cde.ca.gov/ta/ac/ap/.

API Growth by Student Group – Three-Year Comparison				
Group	Actual API Change			
Group	09-10	10-11	11-12	
All Students at the School	60	-27	С	
Black or African American				
American Indian or Alaska Native				
Asian				
Filipino				
Hispanic or Latino				
Native Hawaiian/Pacific Islander				
White	48	-47		
Two or More Races				
Socioeconomically Disadvantaged				
English Learners				
Students with Disabilities				

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison						
API Rank	2009 2010 2011					
Statewide	1	2	1			
Similar Schools 1						

Federal Intervention Program (School Year 2012-13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement	Year 3	
Number of Schools Currently in Program In	19	
Percent of Schools Currently in Program In	nprovement	70.4

API Growth by Student Group - 2012 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2012 Growth API (API-G) at the school, district, and state level.

Group		School	District	State
All Students	Students	60	15,535	4,664,264
at the School	API-G	682	758	788
Black or	Students	4	1,074	313,201
African American	API-G		683	710
American Indian or	Students	1	192	31,606
Alaska Native	API-G		748	742
Asian	Students	0	202	404,670
	API-G		848	905
Filipino	Students	1	175	124,824
	API-G		863	869
Hispanic	Students	27	7,842	2,425,230
or Latino	API-G	650	734	740
Native Hawaiian/	Students	0	91	26,563
Pacific Islander	API-G		801	775
White	Students	23	5,560	1,221,860
	API-G	733	799	853
Тwo	Students	4	396	88,428
or More Races	API-G		767	849
Socioeconomically	Students	33	12,128	2,779,680
Disadvantaged	API-G	638	734	737
English Learners	Students	8	2,951	1,530,297
	API-G		696	716
Students	Students	7	2,277	530,935
with Disabilities	API-G		613	607

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at www.cde.ca.gov/ta/ac/ay/.

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	No	Yes
Met Graduation Rate (if applicable)	N/A	No
