About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2011-12 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at www.cde.ca.gov/ta/ac/sa/. For additional information about this school, please contact the school administration at (951) 763-1865.

District Profile

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 21,157 students. Preschool centers at nine school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter high school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

Principal's Message...

"Building Better Futures"

Welcome to the new 2012-13 school year at Hamilton High School. We begin yet another new year with an optimistic attitude and positive outlook for student success in all aspects of campus life. The staff has been hard at work identifying areas which require our attention and are developing plans in response to the findings. As always, we are focused on how to improve individual student achievement levels as we prepare them for their post-secondary endeavors. HUSD has recently adopted several support programs which adds to the resources through which the staff can determine individual and specific areas of needed support as well as tools that provide students with unique prescriptive assignments designed in address. Many of these services are web-based which expands the options for student access.

AERIES, our online student academic/attendance data base, has been well received and deemed effective in helping students maintain pace with expectations. If you are a parent or student and do not have, or have lost, your access code, please contact the Hamilton High School office. This is a very simple way to monitor academic progress and verify attendance patterns.

When high school graduates come back to visit they almost all say that "high school seemed to pass rapidly and if they had it to do over they would have prioritized their activities and allocated their time differently." The decisions and issues they face in "life after high school" are often considerable and, as all of us know, we can't change history. Hindsight is always 20/20. I have personally found that it is much better in the long run to pay now for more options in the years to come. I don't know anyone who can't improve with concerted and focused determination combined with good old hard work ethics. We challenge our students to make the most of their opportunities now as they prepare for their individual and unique futures. With our major focus on individual and collective achievement, we look forward to providing students with a year full of academic and co-curricular opportunities through which they can define and realize their personal goals. Our theme this year in support of this endeavor is: "Building Better Futures", as we seek in earnest to prepare all students for the years ahead.

As we continue through this time of economic uncertainty around the county, state, and country, we are challenged with the reality of shrinking resources that support schools and students. Hemet Unified School District and Hamilton High School will address the current situation with the same dedication to students and resolve to which our customers are accustomed. Our students will always come first and we are committed to maintaining a quality educational and co-curricular program in the face of difficult times that often come with tough choices.

We welcome your suggestions and input on any and all issues surrounding our school culture and educational programs. Please make a point of stopping by the office, at your convenience, to share any concerns or to simply say hello. I look forward to meeting all Hamilton stakeholders regardless of your role in our family.

Respectfully,

Jim Allured, Principal

VISION STATEMENT

Hamilton High School will be a positive, respectful, safe, and collaborative learning environment that provides all students with rich and challenging educational opportunities that create and motivate an appreciation for learning while developing the skills necessary to lead productive adult lives.

MISSION STATEMENT

Hamilton High School is a learning community dedicated to fostering student success through a solid academic foundation and maximizing intellectual potential in each individual within an environment that nurtures student involvement in a variety of formative experiences.

Hamilton's Expected Schoolwide Learning Results
ESLRs (CATS)

Communicate effectively

Access, assimilate, and apply information through various means

Think critically and problem solve

Seek academic success through efficient organizational and time management skills

School Profile

Hamilton, a comprehensive high school serving students in grades 9-12 school, is located in the high country of Anza. The school population is drawn from a rural environment, which includes Aguanga, Anza, and Garner Valley, and Mountain Center as well as the Cahuilla, Ramona, and Santa Rosa reservations.

Hamilton High School is dedicated to provide a curriculum aligned with Hemet Unified School District and California State Standards. Hamilton's staff believes that this institution is for and about young people and that everything done must be planned with an eye toward the impact every decision will have on every student's personal growth and development as well as on their academic success.

Opportunities for Parental Involvement

Parent involvement opportunities are available to all parents at our school. These opportunities include, Booster and Advisory Committees, School Site Council, Back-To-School program, Parent/Teacher conferences, WASC Focus Groups, English Learner Advisory Committee (ELAC), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC). In addition to the on-site opportunities, parents have access to AERIES, our online student database with rights to view the areas of academic progress in each subject area and their daily attendance records. Our school website, hamiltonbobcats.net, is also available to parents which provides current information relevant to students, parents, staff, and the services we provide at Hamilton.

Parental Volunteerism is extensive and includes: fundraising, athletics, mentoring, tutoring, and committee participation.

The site addresses the six areas of parent involvement through their comprehensive school plan.

For more information, contact the site Principal, Mr. Jim Allured at (951) 763-1865.

Hemet Unified School District's Core Values

1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
2. All students can develop their intellect and improve their academic achievement level in each subject each year.
3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
4. Good first teaching is the most powerful tool for improving student achievement.
5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
6. The maintenance and development of students' nutritional and physical wellbeing supports and enhances intellectual development and academic achievement.
7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
9. It is the District's responsibility to respond positively to the changing needs of our community and students.
10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

Student Enrollment by Grade Level	
Grade Level	Number of Students
Gr. 9	80
Gr. 10	92
Gr. 11	95
Gr. 12	87
Total	354

Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	0.6
American Indian or Alaska Native	4
Asian	0.6
Filipino	0.3
Hispanic or Latino	33.9
Native Hawaiian/Pacific Islander	0.6
White	59.6
Two or More Races	0.6
Socioeconomically Disadvantaged	73.7
English Learners	15.8
Students with Disabilities	8.2

Average Class Size and Class Size Distribution												
Average Class Size	Number of Classrooms*											
	1-20			21-32			33+					
Year	10	11	12	10	11	12	10	11	12	10	11	12
English	16.44	18	16.8	14	15	16	7	7	3	0	0	1
Math	11.68	18.2	18.3	13	13	13	3	5	4	0	0	0
Science	15.3	19.9	18.3	11	9	11	4	4	2	0	0	0
SS	19.45	21.3	24.3	7	5	5	8	9	6	1	1	1

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area, English, Math, Science and Social Science (SS), rather than grade level.

Suspensions and Expulsions			
School	09-10	10-11	11-12
Suspensions Rate	16.03	20.64	24.5
Expulsions Rate	0.25	1.07	0.8
District	09-10	10-11	11-12
Suspensions Rate	18.77	16.06	15.5
Expulsions Rate	0.52	0.37	0.4

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

Board approved: November 6, 2012

Per Board Policy 0450 and Education Code 32288, the school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site. Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286). Each school shall forward the safety plan to the Board for approval. (Education Code 32288). The Board shall review the comprehensive districtwide and/or school safety plan(s) in order to ensure compliance with state law, Board policy, and administrative regulation. The Board shall approve the plan at a regularly scheduled meeting. A copy of the Safe School Plan is available at the school site.

The Comprehensive Safe School Plan includes data regarding California Healthy Kids Survey, crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5.

A clean, safe, and secure teaching and learning environment is the highest priority to administration and staff. A disaster preparedness plan has been approved and exists for emergencies. Staff is trained in emergency procedures, including evacuation routes and safety checks. Supervision is assigned with the maximum coverage before and after school and at lunches. Walkie talkies provide communication on campus with administrators. The Riverside Sheriff and Fire Departments respond quickly to calls for assistance. In the event of a disaster, such as an earthquake during school hours, all students will be kept at school. They will not be released until a parent or parent designee arrives at the school to pick them up. Parents are requested to list their designees on the "Emergency Release" card sent home at the beginning of the school year. The office must be notified if home or business phone numbers are changed.

Most school gates are closed right after the morning bell rings and opened when school lets out to minimize access on campus during school hours. All classroom doors are locked during instructional minutes to provide a more safe and secure campus. All visitors and volunteers are required to sign in at the office, state their business at the school, and show identification. Visitors also sign-in through our Lobbyguard security system where they are provided with a photo I.D. to wear while on school grounds. They must return to sign out at the office at the end of their visit.

The school's physical facility is well maintained. District personnel periodically examine the school's physical facility regularly and help eliminate obstacles to school safety. Additionally, health and fire department inspectors contribute to the school safety. The classrooms are monitored for safety and appearance by administration and individual classroom teachers, custodians and administration. The pupils take pride in the appearance of their school.

Pursuant to state and District guidelines, Hamilton has a disaster preparedness plan and students participate in fire and earthquake drills as well as lock-down procedures and stay in place procedures. Classrooms have posted evacuation charts, and are equipped with disaster packets and kits as well as fire extinguishers. The School Safety Committee chairpersons conduct monthly, campus-wide, safety inspections and twice yearly, the county fire marshal inspects. The committee includes the plant manager, health clerk, school Resource Officer, a campus supervision aide, and the assistant principal.

School Facility Conditions and Planned Improvements (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: 12/16/12

On September 7, 1999, Hamilton School opened its new \$13.5 million secondary campus addition, including a new football field with an all-weather track and one set of bleachers which accommodates approximately 500 spectators. Also included in the project was new softball and baseball fields, which like the football field is equipped with an artificial turf surface. Hamilton added sixteen classrooms, including two science labs, two computer labs with state-of-the-art instructional tools, an art classroom complete with kiln for ceramics. In addition, Hamilton has a gymnasium with shower and locker facilities, a weight room, a theatrical stage with professional sound/light systems, seating for approximately 300, and a dining hall with indoor/outdoor eating areas. Portable classrooms, which were moved onto the secondary site, have been retargeted however they are in poor condition.

School Facility Good Repair Status (School Year 2012-13)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

School Facility Good Repair Status					
System Inspected	Repair Status				Repair Needed and Action Taken or Planned
	Exemplary	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	[]	[]	[X]	[]	Five HVAC units not properly functioning and numerous thermostats throughout the campus
Interior: Interior Surfaces	[]	[]	[X]	[]	Water stains ceiling tiles 3rd year; black algae showing rm 403; carpet tears, several wallpaper tears in classrooms
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	[]	[X]	[]	[]	
Electrical: Electrical	[]	[X]	[]	[]	Floor outlet cover missing; trip hazard, several floor outlets not operational, several wall switches are in need of replacement
Restrooms/Fountains: Restrooms, Sinks/ Fountains	[]	[]	[X]	[]	Drinking fountains require pipes wrapped and some supply lines and valves replaced with appropriate cold weather parts
Safety: Fire Safety, Hazardous Materials	[]	[X]	[X]	[]	Fire curtain on the stage area is not operational and several fire extinguisher closets are in need of plastic covers. Fire strobes are in need of wire covers in areas where impact is possible.
Structural: Structural Damage, Roofs	[]	[]	[X]	[]	Ceiling plywood damp/rotting. A number of stucco surfaces are peeling and/or flaking
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	[]	[]	[X]	[]	Numerous areas on campus where doors require replacement or adjustment. Several window security grates are in need of attention and repair.
Overall Rating	[]	[]	[X]	[]

Teacher Misassignments and Vacant Teacher Positions at this School			
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	7	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs. During the last three years (2009-2012), 571 days of professional training has been provided through the Hemet Unified School District Professional Development Academy. The training provided through the Academy allows teachers, administrators and paraprofessionals to become highly skilled at providing quality leadership, instruction and support to the district's students. The focus of professional development is on the delivery of a standards-based instructional program. Achievement data is used to determine site support and priorities for professional development opportunities. Priorities are identified in the current LEA Plan under Specific Trainings in Language Arts and Mathematics, English Now, BTSA Induction Support for year one and two teachers and specific Special Education trainings. Additional coaching assistance is provided for veteran teachers who need individualized structure and support. Eight Strategy Focused Instructional Coaches provide ongoing support in trainings and in day to day professional development needs in the areas of language arts, mathematics, English Language Development and Technology. Administrators are provided specific professional development to implement and support new and on-going instructional programs. Professional development is delivered through trainings on-site, at the District Professional Development Academy, conferences, and through trainer of trainer's models. As new programs and instructional strategies are implemented, instructional coaches assigned to specific sites offer support and additional training. Site administrators receive continuing support at district leadership meetings from instructional coaches, district support staff and consultants.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: www.cde.ca.gov/nclb/sr/tq/

Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers		
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	93.33	6.67
Districtwide		
All Schools	91.61	8.39
High-Poverty Schools	91.64	8.36
Low-Poverty Schools	90	10

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	1
Social/Behavioral or Career Development Counselor	
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	1
Psychologist	0.33
Social Worker	0
Nurse	0.15
Speech/Language/Hearing Specialist	0.2
Resource Specialist	0
Other	0
Average Number of Students per Staff Member	
Academic Counselor	394

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2010-11)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$8,482	\$7,272	\$1,210	\$70,092
District	♦	♦	\$5,191	\$67,734
State	♦	♦	\$5,455	\$68,835
Percent Difference: School Site/District			-76.7%	3.5%
Percent Difference: School Site/ State			-77.8%	1.8%

* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

* **Basic/Unrestricted expenditures** are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: www.ed-data.org.

Teacher and Administrative Salaries (Fiscal Year 2010-11)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$42,241	\$41,455
Mid-Range Teacher Salary	\$63,574	\$66,043
Highest Teacher Salary	\$84,040	\$85,397
Average Principal Salary (ES)	\$104,155	\$106,714
Average Principal Salary (MS)	\$112,967	\$111,101
Average Principal Salary (HS)	\$117,829	\$121,754
Superintendent Salary	\$232,093	\$223,357
Percent of District Budget		
Teacher Salaries	38%	39%
Administrative Salaries	6%	5%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded (Fiscal Year 2011-12)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

Title I

Provides additional support to students by providing additional counseling services, additional classroom supplies, and tutoring programs both before and after school.

EIA/LEP/ELAP

Provides smaller class sizes by providing funding for 6th period assignments. It also provides additional classroom supplies and programs.

OTHER PROGRAMS

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

MAA -- \$5,067
Site Lottery -- \$11,105
Title I -- \$81,131
AARA STATE FISCAL STABILITY -- \$154
AARA ED JOBS -- \$95,025
EIA -- \$11,408
EIA/LEP -- \$3,565
AG Incentive -- \$5,926
Voc Ed, Carl Perkins -- \$54,897
Indian Education Grant -- \$12,781
Medi-Cal Billing -- \$81

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2012-13)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instructional materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: October 2, 2012

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/2/2012 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at star.cde.ca.gov.

STAR Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced								
	School			District			State		
	09-10	10-11	11-12	09-10	10-11	11-12	09-10	10-11	11-12
ELA	44	39	47	48	48	50	52	54	56
Math	24	22	28	41	42	42	48	50	51
Science	38	44	40	47	49	49	54	57	60
H-SS	35	39	27	36	39	38	44	48	49

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

EdData Partnership Web Site

EdData is a partnership of the CDE, EdSource, and the Fiscal Crisis Management and Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

2012 STAR Results by Student Group				
Group	Percent of Students Scoring at Proficient or Advanced			
	ELA	Math	Science	H-SS
All Students in the LEA	50	42	49	38
All Student at the School	47	28	40	27
Male	44	28	42	33
Female	52	29	38	21
Black or African American				
American Indian or Alaska Native				
Asian				
Filipino				
Hispanic or Latino	36	26	16	7
Native Hawaiian/Pacific Islander				
White	57	32	56	40
Two or More Races				
Socioeconomically Disadvantaged	43	27	36	24
English Learners	5	18		
Students with Disabilities	26	26		23
Students Receiving Migrant Education Services				

California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at www.cde.ca.gov/ta/tg/pf/.

Grade Level	Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	21.1	31	

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at www.cde.ca.gov/ta/ac/ap/.

API Growth by Student Group – Three-Year Comparison			
Group	Actual API Change		
	09-10	10-11	11-12
All Students at the School	23	15	-1
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	40	-20	-15
Native Hawaiian/Pacific Islander			
White	19	40	2
Two or More Races			
Socioeconomically Disadvantaged	22	13	-7
English Learners			
Students with Disabilities			

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison			
API Rank	2009	2010	2011
Statewide	4	5	5
Similar Schools	7	7	5

Federal Intervention Program (School Year 2012-13)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District
Program Improvement Status	In PI	In PI
First Year of Program Improvement	2011-2012	2004-2005
Year in Program Improvement	Year 2	Year 3
Number of Schools Currently in Program Improvement	19	
Percent of Schools Currently in Program Improvement	70.4	

API Growth by Student Group - 2012 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2012 Growth API (API-G) at the school, district, and state level.

Group	School	District	State	
All Students at the School	Students	240	15,535	4,664,264
	API-G	735	758	788
Black or African American	Students	1	1,074	313,201
	API-G		683	710
American Indian or Alaska Native	Students	8	192	31,606
	API-G		748	742
Asian	Students	2	202	404,670
	API-G		848	905
Filipino	Students	1	175	124,824
	API-G		863	869
Hispanic or Latino	Students	79	7,842	2,425,230
	API-G	687	734	740
Native Hawaiian/Pacific Islander	Students	1	91	26,563
	API-G		801	775
White	Students	146	5,560	1,221,860
	API-G	769	799	853
Two or More Races	Students	2	396	88,428
	API-G		767	849
Socioeconomically Disadvantaged	Students	187	12,128	2,779,680
	API-G	716	734	737
English Learners	Students	40	2,951	1,530,297
	API-G	669	696	716
Students with Disabilities	Students	19	2,277	530,935
	API-G	540	613	607

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at www.cde.ca.gov/ta/ac/ay/.

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	No	Yes
Met Graduation Rate (if applicable)	Yes	No

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the UC Admissions Information webpage at www.universityofcalifornia.edu/admissions/. (Outside source)

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU webpage at www.calstate.edu/admission/admission.shtml. (Outside source)

Completion of High School Graduation Requirements

This table displays, by student group, the Percent of Students who began the 2011-12 school year in grade twelve and were a part of the school's most recent graduating class, meeting all state and local graduation requirements for grade twelve completion, including having passed both the ELA and mathematics portions of the CAHSEE or received a local waiver or state exemption.

Completion of High School Graduation Requirements			
Group	Graduating Class of 2012		
	School	District	State
All Students	0.83	0.82	---
Black or African American	0.00	0.69	---
American Indian or Alaska Native	0.80	0.92	---
Asian	0.00	0.84	---
Filipino	0.00	0.78	---
Hispanic or Latino	0.82	0.76	---
Native Hawaiian/Pacific Islander	100.00	0.85	---
White	0.91	0.87	---
Two or More Races			---
Socioeconomically Disadvantaged	0.82	0.74	---
English Learners	0.83	0.81	---
Students with Disabilities	0.90	0.62	---

Dropout Rate and Graduation Rate			
Indicator	2008-09	2009-10	2010-11
Dropout Rate (1-year)	5.2	16.2	13
Graduation Rate	86.81	82.18	85.00
District			
Dropout Rate (1-year)	4.9	15.1	11.9
Graduation Rate	82.99	81.72	80.64
Dropout Rate (1-year)	5.7	16.6	14.4
Graduation Rate	78.59	80.53	76.26

* The National Center for Education Statistics graduation rate as reported in AYP is provided in this table.

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics to compute AYP designations required by the federal ESEA, also known as NCLB. For detailed information regarding CAHSEE results, see the CDE CAHSEE Web site at cahsee.cde.ca.gov/.

CAHSEE Results for All Students - Three-Year Comparison Percent of Students Scoring at Proficient or Advanced			
Subject	2009-10	2010-11	2011-12
English-Language Arts	47	48	35
Mathematics	45	47	53
District			
English-Language Arts	52	50	49
Mathematics	49	47	47
English-Language Arts	54	59	56
Mathematics	54	56	58

Advanced Placement Courses (School Year 2011–12)

The results profiled in the summary are based on all students who attempted an Advanced Placement (A.P.) Test from district high schools in 2011-12. The College Board recently released the district data.

The results reflect all tests attempted. Some students attempted more than one test; therefore, the number of attempted tests does not indicate unique students. Advanced Placement tests are important for college bound students in that students may receive “credit” for college classes if they earn a 3, 4, or 5 on an exam. Each college and university determines its own policy. In some cases, students earning a ‘5’ may be given credit for two classes of freshman level college work.

Advanced Placement Test pass rates for all district high schools participating are included. California and National averages are typically released in November. Factors to consider when analyzing AP test results include:

- Specialized training provided for the teacher
- Appropriate instructional materials
- Fidelity to advanced placement course outline
- Instructional minutes
- Extra time provided for student test preparation
- Student enrollment criteria

It is difficult for smaller schools to offer the same number of AP courses as the larger schools. At smaller schools AP courses are often combined with non-AP courses; i.e., United States History and AP United States History. Administration supports AP students in combination classes by providing tutorial assistance. Students at smaller schools can also access AP courses on-line through the University of California.

Advanced Placement Testing Summary

Advanced Placement Test	Hamilton High School			District			National	State
	# Students Attempting Test*	# Students Passing w/ 3, 4, or 5	% Pass Rate	# Students Attempting Test*	# Students Passing	% Pass Rate	% Pass Rate	% Pass Rate

Career Technical Education Programs

This section provides information about Career Technical Education (CTE) programs including:

- Programs and classes offered that are specifically focused on career preparation and or preparation for work
- How these programs and classes are integrated with academic courses and how they support academic achievement
- How the school addresses the needs of all students in career preparation and/or preparation for work, including needs unique to defined special populations of students
- The measurable outcomes of these programs and classes, and how they are evaluated
- State the primary representative of the district’s CTE advisory committee and the industries represented on the committee

The career technical educational programs offered at Hamilton High School include:

- Agriscience
- Computer Applications
- Computer Keyboarding
