# 2012-13 School Accountability Report Card Published During the 2013-14 School Year

# About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2012-13 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at <u>www.cde.ca.gov/ta/ac/sa/</u>. For additional information about this school, please contact the school administration at (951) 765-5193.

# **District Profile**

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 21,157 students. Preschool centers at nine school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter high school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

# **School Description**

Family Tree Learning Center is committed to providing our students and families with a high quality, yet flexible, standards-based learning opportunity within an independent study model. We will:

- Provide a personalized learning experience for each student.
- Form partnerships between parents and teachers to ensure student success.
- Encourage self-determination and excellence in all we do.

# **School Profile**

Family Tree Learning Center is a K-8 Home/Independent Study School that serves as one of the alternative educational options for the Hemet Unified School District. Family Tree Learning Center provides support to families who have made the decision to educate their children in a nontraditional setting. Students have access to the state and district approved core curriculum and follow the same school calendar. Some families incorporate additional materials to meet the educational goals that they may have determined to be important. Parents and students meet with an assigned highly qualified, credentialed teacher weekly for ongoing guidance and support. The teacher prepares the curriculum, organizes the materials, and offers the assistance needed for the students and families to be successful.

# District Administration

Dr. Barry L. Kayrell Superintendent

Dr. Barry L. Kayrell Superintendent

Dr. David Horton Assistant Superintendent Educational Services

Dr. LaFaye Platter Deputy Superintendent Human Resources Family Tree Learning Center serves students within the Hemet Unified School District. We also accept inter-district transfers from Riverside and other contiguous counties. Students attend Family Tree for many reasons including the benefits of attending a small school, personalized instruction, safety issues, medical conditions, and parents' choice for their children to be in a home school program. Some of our families enroll so they can travel and stay current with a traditional curricular program. Other families enroll all their children for all their schooling needs and truly enjoy being an integral part of their child's education. Independent Study affords families the gift of time and flexibility that doesn't exist in a traditional setting.

Family Tree Learning Center is located at 258 N. Thompson Street, Hemet, CA 92543. Family Tree shares this campus with our sister school, Helen Hunt Jackson which serves our students in grades 9-12, also an independent study school.

# **Opportunities for Parental Involvement**

Home and school communication is the key to success for our students. Our parents and teachers continually collaborate to support and fine tune each student's educational journey. In addition to this collaboration, Family Tree Learning Center also has a Parent Teacher Student Organization (PTSO) that fundraises and coordinates extracurricular school events. We want to encourage participation above and beyond the basic curriculum to give our students a quality learning experience. Parents are also invited to get involved with school and district level decision making groups such as Curriculum Council, School Site Council and the Parents' Advisory Group.

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. Other opportunities include: Parent Project<sup>®</sup> (secondary), Parent Project Jr.<sup>®</sup> (elementary), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), and a district-wide PTA/ELAC community event, named, "Hemet Posada," and the District Curriculum Council.

We also have parents who volunteer to serve as resources for our students and for each other. For more information on how you can get involved, please contact Principal Myque Jeffers at (951) 765-5193.

# Hemet Unified School District's Core Values

- 1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
- 2. All students can develop their intellect and improve their academic achievement level in each subject each year.
- 3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
- 4. Good first teaching is the most powerful tool for improving student achievement.
- 5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
- 6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
- 7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
- 8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
- 9. It is the District's responsibility to respond positively to the changing needs of our community and students.
- 10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

Suspensions and Expulsions							
Schoolwide	10-11	11-12	12-13				
Suspensions Rate	2.92	2.5					
Expulsions Rate	0	1.3					
Districtwide	10-11	11-12	12-13				
Suspensions Rate	16.06	15.5	15.8				
Expulsions Rate	0.37	0.4	.35				

The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area, English, Math, Science and Social Science (SS), rather than grade level.

### **School Safety Plan**

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

COMPREHENSIVE SCHOOL SITE SAFETY PLAN Board approved: October 8, 2013

Per Board Policy 0450 and Education Code 32288, the school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site. Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286). Each school shall forward the safety plan to the Board for approval. (Education Code 32288). The Board shall review the comprehensive districtwide and/or school safety plan(s) in order to ensure compliance with state law, Board policy, and administrative regulation. The Board shall approve the plan at a regularly scheduled meeting. A copy of the Safe School Plan is available at the school site.

The Comprehensive Safe School Plan includes data regarding California Healthy Kids Survey, crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5.

A clean, safe, and secure teaching and learning environment is the highest priority to administration and staff. All students, visitors and volunteers are required to sign in at the office, state their business at the school, and show identification. Visitors and parents are provided with a visitor tag to wear while on school grounds. They must return to sign out at the office at the end of their visit.

Fire drills are conducted monthly and a disaster preparedness plan exists for emergencies. Staff is trained in emergency procedures, including evacuation routes and safety checks. The Riverside Sheriff and Hemet Fire Departments respond quickly to calls for assistance. Supervision is assigned with the maximum coverage before and after school and at lunches. Walkie talkies provide communication on campus with administrators. The school's physical facility is well maintained. District personnel periodically examine the school's physical facility regularly and help eliminate obstacles to school safety. Additionally, health and fire department inspectors contribute to the school safety. The classrooms are monitored for safety and appearance by administration, individual classroom teachers, custodians and campus supervisors. The pupils take pride in the appearance of their school.

# School Facility Conditions and Planned Improvements (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

### Year and month in which data were collected: 10/21/13

The classrooms are spacious and conducive to individual appointments as well as large group meetings, activities, or seminars. Classrooms are decorated with academic and motivational materials creating a pleasant and positive learning environment. The students have access to clean restrooms nearby their classrooms, as well as drinking fountains in each classroom. The campus is gated and secure. The school also has a full time campus supervisor who oversees student safety.

We share the campus with Helen Hunt Jackson Alternative School, as well as several other district programs. Family Tree shares 1.5 custodians with the rest of the Santa Fe Learning Center campus.

Our site was inspected as required by the Williams Legislation for the 2013/14 academic school year and received a GOOD rating of 96.88%. There were two deficiencies noted which needed repair: 1) Water faucet was not working, but it has since been repaired. 2) A vent cover near door was covered with a temporary filter, but it has since been replaced. All other criteria was marked as being in "Good Repair."

# School Facility Good Repair Status (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

"Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

### **Professional Development**

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs. During the last three years (2010-2013), over 600 days of professional training has been provided through the Hemet Unified School District Professional Development Academy. The training provided through the Academy allows teachers, administrators and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

Since the adoption of the Common Core Standards, the primary focus of the Professional Development Academy has been on the implementation and support of California Common Core Standards in English Language Arts and Mathematics. Eight Academic Coaches provide ongoing support and training in the skillful delivery of the newly adopted standards. Additionally, the Academic Coaches provide a variety of district and site based trainings based on data. Achievement data is used to determine site support and priorities for professional development opportunities. The PDA also supports our new teachers through our BTSA Induction Program.

Administrators and Teachers are provided specific professional development to implement and support new and on-going instructional programs. Professional development is delivered through trainings on-site, at the District Professional Development Academy, and conferences. As new initiatives and instructional programs are implemented, Academic Coaches assigned to specific sites offer coaching support and additional training.

### Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: www.cde.ca.gov/nclb/sr/tq/

Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers						
Location of Classes Taught by Highly Not Taught by Hig Qualified Teachers Qualified Teacher						
This School	100.0	0.0				
	Districtwide					
All Schools	92.6	7.4				
High-Poverty Schools	92.6	7.4				
Low-Poverty Schools	91.7	8.3				

High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

Academic Counselors and Other Support Staff at this School				
Number of Full-Time Equivalent (FTE)

# Types of Services Funded (Fiscal Year 2012-13)

This section provides specific information about the types of programs and services available at the school that support and assists students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

### OTHER PROGRAMS

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

MAA (Medicare Admin Activities) -- \$3,953 Lottery -- \$2,275 Title I -- \$148,460 Special Education -- \$54,877 EIA-SCE-- \$6,595 EIA-LEP -- \$1,853

# Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instruction materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

### Year and month in which data were collected: October 8, 2013

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/8/2013 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

<u>Note</u>: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs), which include Englishlanguage arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- California Modified Assessment (CMA), an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA), includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at star.cde.ca.gov.

STAR Results for All Students - Three-Year Comparison									
	Percent of Students Scoring at Proficient or Advanced								ed
Subject	School District State								
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
ELA	46	46	42	48	50	48	54	56	55
Math	27	25	24	42	42	41	49	50	50
Science	40	29	39	49	49	48	57	60	59
H-SS	36	28	43	39	38	41	48	49	49

# **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### 2013 STAR Results by Student Group

Group	Percent of Students Scoring at Proficient or Advanced				
	ELA	Math	Science	H-SS	
All Students in the LEA	48	41	48	41	
All Student at the School	42	24	39	43	
Male	33	25	69		
Female	50	23	17	23	
Black or African American					
American Indian or Alaska Native					
Asian					
Filipino					
Hispanic or Latino	39	22	9		
Native Hawaiian/Pacific Islander					
White	43	25	53	50	
Two or More Races					
Socioeconomically Disadvantaged	37	19	37	38	
English Learners					
Students with Disabilities					
Students Receiving Migrant Education Services					

# **California Physical Fitness Test Results**

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at www.cde.ca.gov/ta/tg/pf/.

Grade Percent of Students Meeting Fitness Standards						
Level	4 of 6 5 of 6 6 of 6					
7	19.2	7.7	26.9			

# DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

# Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at www.cde.ca.gov/ta/ac/ap/.

API Growth by Student Group – Three-Year Comparison					
Crown	Actual API Change				
Group	10-11	11-12	12-13		
All Students at the School	-27	С	С		
Black or African American					
American Indian or Alaska Native					
Asian					
Filipino					
Hispanic or Latino			С		
Native Hawaiian/Pacific Islander					
White	-47		С		
Two or More Races					
Socioeconomically Disadvantaged			С		
English Learners					
Students with Disabilities					

# Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison							
API Rank	API Rank 2010 2011 2012						
Statewide	2	1	1				
Similar Schools							

# Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement		Year 3
Number of Schools Currently in Program In	20	
Percent of Schools Currently in Program In	87.0	

# API Growth by Student Group - 2013 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2013 Growth API (API-G) at the school, district, and state level.

Group		School	District	State
All Students	Students	81	15,308	4,655,989
at the School	API-G	728	755	790
Black or	Students	2	1,090	296,463
African American	API-G		688	708
American Indian or	Students	0	182	30,394
Alaska Native	API-G		734	743
Asian	Students	0	207	406,527
	API-G		842	906
Filipino	Students	0	153	121,054
	API-G		869	867
Hispanic	Students	41	7,890	2,438,951
or Latino	API-G	704	731	744
Native Hawaiian/	Students	0	71	25,351
Pacific Islander	API-G		759	774
White	Students	35	5,232	1,200,127
	API-G	737	799	853
Тwo	Students	3	483	125,025
or More Races	API-G		752	824
Socioeconomically	Students	46	12,217	2,774,640
Disadvantaged	API-G	711	732	743
English Learners	Students	6	2,963	1,482,316
	API-G		691	721
Students	Students	4	2,357	527,476
with Disabilities	API-G		609	615

# **Adequate Yearly Progress**

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at www.cde.ca.gov/ta/ac/ay/.

AYP Criteria	School	District
Made AYP Overall	Yes	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	Yes	No
Met Percent Proficient: Mathematics	Yes	No
Met API Criteria	Yes	No
Met Graduation Rate (if applicable)	N/A	No
