2012-13 School Accountability Report Card Published During the 2013-14 School Year

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. All data are reported for the 2012-13 school-year, unless otherwise indicated. For more information about SARC requirements, see the California Department of Education (CDE) SARC webpage at www.cde.ca.gov/ta/ac/sa/. For additional information about this school, please contact the school administration at (951) 765-5193.

District Profile

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 21,157 students. Preschool centers at nine school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter high school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

School Description

Helen Hunt Jackson is committed to providing our students with a high quality, yet flexible, standards based learning opportunity delivered through an independent study model. Helen Hunt Jackson is a 9-12 alternative high school within the Hemet Unified School District. We provide instructional guidance and support to students and families who have made the decision to work independently towards a traditional high school diploma.

While the independent study program in California started out as an option for gifted students, it is now open to any student who is self-motivated and can benefit from this type of instruction. Students meet with their highly qualified, credentialed teachers once a week to review their work, answer questions, take quizzes or tests, and receive new assignments. Most students are required to attend one or more math labs each week for support in the challenging subjects of Algebra, Geometry, and CAHSEE Prep. Helen Hunt Jackson utilizes the same core curriculum standards and follows the same calendar as other schools in the district.

Helen Hunt Jackson can be a solution for students who find themselves behind in graduation credits. Successful students can choose to earn additional credits per semester by taking extra classes, Work Experience, C.T.E., or Community Service. Students may also enroll concurrently in their local high school to participate in band, theater, or sports programs.

Helen Hunt Jackson serves students within the Hemet Unified School District. We also accept inter-district transfers within Riverside and other contiguous counties. Students attend Helen Hunt for many reasons including the benefits of attending a small school, personalized instruction, safety issues, medical conditions, and parents' choice for their children to be in a home school program. Some families enroll so they can travel and stay current with a traditional curriculum. Other families continue enrollment for all their children's schooling needs through to graduation. Independent study affords families the gift of time and flexibility that doesn't exist in a traditional setting.

Helen Hunt Jackson Alternative School is located at 258 N. Thompson Street, Hemet, CA 92543. Helen Hunt Jackson shares this campus with our sister school, Family Tree Learning Center which serves our students in grades K-8, also an independent study school.

Opportunities for Parental Involvement

Home and school communication is the key to success for our students. Our parents and teachers continually collaborate to support and fine tune each student's educational journey. In addition to this collaboration, Helen Hunt Jackson also has a Parent Teacher Student Organization (PTSO) that fundraises and coordinates extracurricular school events. We want to encourage participation above and beyond the basic curriculum to give our students a quality learning experience. Parents are also invited to get involved with school and district level decision making groups such as Curriculum Council, School Site Council, and the Parents' Advisory Group.

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. These opportunities include, Parent Project® (secondary), Parent Project Jr.® (elementary), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), and a district-wide PTA/ELAC community event, named, "Hemet Posada," and the District Curriculum Council.

We also have parents who volunteer to serve as resources for our students and for each other. For more information, contact the site Principal Myque Jeffers at (951) 765-5193.

Hemet Unified School District's Core Values

1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
2. All students can develop their intellect and improve their academic achievement level in each subject each year.
3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
4. Good first teaching is the most powerful tool for improving student achievement.
5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
9. It is the District's responsibility to respond positively to the changing needs of our community and students.
10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

Student Enrollment by Grade Level	
Grade Level	Number of Students
Gr. 9	32
Gr. 10	57
Gr. 11	95
Gr. 12	94
Total	278

Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	6.5
American Indian or Alaska Native	1.4
Asian	1.4
Filipino	0.4
Hispanic or Latino	44.2
Native Hawaiian/Pacific Islander	0.7
White	41.7
Two or More Races	3.6
Socioeconomically Disadvantaged	58.6
English Learners	12.9
Students with Disabilities	5.4

Average Class Size and Class Size Distribution

Average Class Size		Number of Classrooms*										
		1-20			21-32			33+				
Year	11	12	13	11	12	13	11	12	13	11	12	13
English	21.2	38.8	8	12	2	32	3	1	1	6	9	1
Math	20.9	11.8	30	7	24	5	7	0		1	0	4
Science	12	15.3	9	12	9	16	0	1		2	0	
SS	18.9	1	9	14	1	42	5	0		4	0	

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area, English, Math, Science and Social Science (SS), rather than grade level.

Suspensions and Expulsions

Schoolwide	10-11	11-12	12-13
Suspensions Rate	1.46	2.7	2.1
Expulsions Rate	0	0.0	
Districtwide	10-11	11-12	12-13
Suspensions Rate	16.06	15.5	15.8
Expulsions Rate	0.37	0.4	.35

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment (and multiplying by 100).

School Safety Plan

This section provides information about the school's comprehensive safety plan, including the dates on which the safety plan was last reviewed, updated, and discussed with faculty; as well as a brief description of the key elements of the plan.

COMPREHENSIVE SCHOOL SITE SAFETY PLAN

Board approved: October 8, 2013

Per Board Policy 0450 and Education Code 32288, the school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site. Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286). Each school shall forward the safety plan to the Board for approval. (Education Code 32288). The Board shall review the comprehensive districtwide and/or school safety plan(s) in order to ensure compliance with state law, Board policy, and administrative regulation. The Board shall approve the plan at a regularly scheduled meeting. A copy of the Safe School Plan is available at the school site.

The Comprehensive Safe School Plan includes data regarding California Healthy Kids Survey, crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5.

A clean, safe, and secure teaching and learning environment is the highest priority to administration and staff. All students, visitors and volunteers are required to sign in at the office, state their business at the school, and show identification. Visitors and parents are provided with a visitor tag to wear while on school grounds. They must return to sign out at the office at the end of their visit.

Fire drills are conducted monthly and a disaster preparedness plan exists for emergencies. Staff is trained in emergency procedures, including evacuation routes and safety checks. The Riverside Sheriff and Hemet Fire Departments respond quickly to calls for assistance. Supervision is assigned with the maximum coverage before and after school and at lunches. Walkie talkies provide communication on campus with administrators. The school's physical facility is well maintained. District personnel periodically examine the school's physical facility regularly and help eliminate obstacles to school safety. Additionally, health and fire department inspectors contribute to the school safety. The classrooms are monitored for safety and appearance by administration, individual classroom teachers, custodians and campus supervisors. The pupils take pride in the appearance of their school.

School Facility Conditions and Planned Improvements (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Description of the safety, cleanliness, and adequacy of the school facility
- Description of any planned or recently completed facility improvements
- The year and month in which the data were collected
- Description of any needed maintenance to ensure good repair

Year and month in which data were collected: 10/21/13

The facility consists of twelve classrooms, a library, and an office complex. The classrooms are spacious and conducive to individual appointments as well as large group meetings, activities, or seminars. Classrooms are decorated with academic and motivational materials creating a pleasant and positive learning environment. Some rooms have two teacher stations for individual appointments. Other classrooms are labs. Every classroom has adequate space and all the materials needed to ensure student success. It is modern, attractive and clean. The students have access to clean restrooms nearby their classrooms. The campus is gated and secure. The school also has a full time campus supervisor who oversees student safety.

Helen Hunt Jackson Alternative School shares the campus with Family Tree Learning Center, as well as several other district programs. Helen Hunt shares 1.5 custodians with the rest of the Santa Fe Learning Center campus.

Our site was inspected as required by the Williams Legislation for the 2013/14 academic school year and received a GOOD rating of 96.88%. There were two deficiencies noted which needed repair: 1) Water faucet was not working, but it has since been repaired. 2) A vent cover near door was covered with a temporary filter, but it has since been replaced. All other criteria was marked as being in "Good Repair."

School Facility Good Repair Status (School Year 2013-14)

This section provides information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The Overall Rating (bottom row)

School Facility Good Repair Status				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	[X]	[]	[]	
Interior: Interior Surfaces	[X]	[]	[]	Room 201: Vent cover near door covered with temporary filter. Area needs to be addressed of potential pest intrusion now that vent filler has been removed.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	[X]	[]	[]

Without Full Credential	◆	◆	12

Teacher Misassignments and Vacant Teacher Positions at this School			
Schoolwide	10-11	11-12	13-14
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	13	0	0

* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Professional Development

This section provides information on the number of days provided for professional development and continuous professional growth in the most recent three year period.

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs. During the last three years (2010-2013), over 600 days of professional training has been provided through the Hemet Unified School District Professional Development Academy. The training provided through the Academy allows teachers, administrators and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

Since the adoption of the Common Core Standards, the primary focus of the Professional Development Academy has been on the implementation and support of California Common Core Standards in English Language Arts and Mathematics. Eight Academic Coaches provide ongoing support and training in the skillful delivery of the newly adopted standards. Additionally, the Academic Coaches provide a variety of district and site based trainings based on data. Achievement data is used to determine site support and priorities for professional development opportunities. The PDA also supports our new teachers through our BTSA Induction Program.

Administrators and Teachers are provided specific professional development to implement and support new and on-going instructional programs. Professional development is delivered through trainings on-site, at the District Professional Development Academy, and conferences. As new initiatives and instructional programs are implemented, Academic Coaches assigned to specific sites offer coaching support and additional training.

Core Academic Classes Taught by Highly Qualified Teachers

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* webpage at: www.cde.ca.gov/nclb/sr/tq/

Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers		
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	92.0	8.0
Districtwide		
All Schools	92.6	7.4
High-Poverty Schools	92.6	7.4
Low-Poverty Schools	91.7	8.3

* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 25 percent or less in the free and reduced price meals program.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	1
Social/Behavioral or Career Development Counselor	0
Library Media Teacher (Librarian)	0
Library Media Services Staff (Paraprofessional)	0.875
Psychologist	Available as
Social Worker	0
Nurse	0.2
Speech/Language/Hearing Specialist	As needed
Resource Specialist	0
Other	0
Average Number of Students per Staff Member	
Academic Counselor	281

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2011-12)				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$3,899	\$3,682	\$217	\$64,257
District	♦	♦	\$5,191	\$68,733
State	♦	♦	\$5,537	\$69,704
Percent Difference: School Site/District			-95.8	-6.5
Percent Difference: School Site/ State			-96.1	-7.8

* **Supplemental/Restricted** expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

* **Basic/Unrestricted** expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the CDE Current Expense of Education & Per-pupil Spending webpage at www.cde.ca.gov/ds/fd/ec/. For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: www.ed-data.org.

Teacher and Administrative Salaries (Fiscal Year 2011-12)		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$42,721	\$41,462
Mid-Range Teacher Salary	\$64,296	\$66,133
Highest Teacher Salary	\$84,995	\$85,735
Average Principal Salary (ES)	\$107,837	\$107,206
Average Principal Salary (MS)	\$114,048	\$111,641
Average Principal Salary (HS)	\$122,275	\$122,628
Superintendent Salary	\$227,793	\$225,176
Percent of District Budget		
Teacher Salaries	37.4%	38.3%
Administrative Salaries	5.9%	5.1%

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

Types of Services Funded (Fiscal Year 2012-13)

This section provides specific information about the types of programs and services available at the school that support and assist students. For example, this narrative may include information about supplemental educational services related to the school's federal Program Improvement (PI) status.

OTHER PROGRAMS

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

MAA (Medicare Admin Activities) -- \$3,093

Lottery -- \$6,725

Special Education -- \$54,877

EIA-SCE-- \$29,679

EIA-LEP -- \$7,413

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2013-14)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instructional materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: October 8, 2013

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 10/8/2013 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics (Math) in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science (H-SS) in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the Percent of Students not tested, see the CDE STAR Results Web site at star.cde.ca.gov.

STAR Results for All Students - Three-Year Comparison									
Subject	Percent of Students Scoring at Proficient or Advanced								
	School			District			State		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
ELA	31	42	35	48	50	48	54	56	55
Math	9	11	10	42	42	41	49	50	50
Science	25	24	29	49	49	48	57	60	59
H-SS	19	25	21	39	38	41	48	49	49

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2013 STAR Results by Student Group				
Group	Percent of Students Scoring at Proficient or Advanced			
	ELA	Math	Science	H-SS
All Students in the LEA	48	41	48	41
All Student at the School	35	10	29	21
Male	35	11	40	31
Female	35	9	19	15
Black or African American	25	7		
American Indian or Alaska Native				
Asian				
Filipino				
Hispanic or Latino	33	12	19	20
Native Hawaiian/Pacific Islander				
White	37	9	39	27
Two or More Races				
Socioeconomically Disadvantaged	35	11	22	16
English Learners	8	9		
Students with Disabilities	7			
Students Receiving Migrant Education Services				

California Physical Fitness Test Results

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the Percent of Students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE PFT webpage at www.cde.ca.gov/ta/tg/pf/.

Grade Level	Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	31.6	34.2	18.4

DataQuest

DataQuest is an online data tool located on the CDE DataQuest webpage at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE API webpage at www.cde.ca.gov/ta/ac/ap/.

API Growth by Student Group – Three-Year Comparison			
Group	Actual API Change		
	10-11	11-12	12-13
All Students at the School	21	35	-26
Black or African American			
American Indian or Alaska Native			
Asian			
Filipino			
Hispanic or Latino	27	30	6
Native Hawaiian/Pacific Islander			
White	24	45	-52
Two or More Races			
Socioeconomically Disadvantaged	26	6	11
English Learners			
Students with Disabilities			

Academic Performance Index Ranks - Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Academic Performance Index Ranks - Three-Year Comparison			
API Rank	2010	2011	2012
Statewide	2	2	3
Similar Schools	5	6	7

Federal Intervention Program (School Year 2013-14)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE PI Status Determinations webpage: www.cde.ca.gov/ta/ac/ay/tidetermine.asp.

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement		Year 3
Number of Schools Currently in Program Improvement		20
Percent of Schools Currently in Program Improvement		87.0

API Growth by Student Group - 2013 Growth API Comparison

This table displays, by student group, the number of students included in the API and the 2013 Growth API (API-G) at the school, district, and state level.

Group	School	District	State	
All Students at the School	Students	140	15,308	4,655,989
	API-G	682	755	790
Black or African American	Students	9	1,090	296,463
	API-G		688	708
American Indian or Alaska Native	Students	0	182	30,394
	API-G		734	743
Asian	Students	2	207	406,527
	API-G		842	906
Filipino	Students	1	153	121,054
	API-G		869	867
Hispanic or Latino	Students	65	7,890	2,438,951
	API-G	701	731	744
Native Hawaiian/Pacific Islander	Students	1	71	25,351
	API-G		759	774
White	Students	60	5,232	1,200,127
	API-G	671	799	853
Two or More Races	Students	2	483	125,025
	API-G		752	824
Socioeconomically Disadvantaged	Students	81	12,217	2,774,640
	API-G	678	732	743
English Learners	Students	20	2,963	1,482,316
	API-G	580	691	721
Students with Disabilities	Students	8	2,357	527,476
	API-G		609	615

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, can be found at the CDE Adequate Yearly Progress (AYP) webpage at www.cde.ca.gov/ta/ac/ay/.

AYP Criteria	School	District
Made AYP Overall	No	No
Met Participation Rate: English-Language Arts	Yes	Yes
Met Participation Rate: Mathematics	Yes	Yes
Met Percent Proficient: English-Language Arts	No	No
Met Percent Proficient: Mathematics	No	No
Met API Criteria	No	No
Met Graduation Rate (if applicable)	Yes	No

Admission Requirements for California's Public Universities

University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work.

For general admissions requirements, please visit the UC Admissions Information webpage at www.universityofcalifornia.edu/admissions/. (Outside source)

California State University

Eligibility for admission to the California State University (CSU) is determined by three factors:

- Specific high school courses
- Grades in specified courses and test scores
- Graduation from high school

Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information see the CSU webpage at www.calstate.edu/admission/admission.shtml. (Outside source)

Completion of High School Graduation Requirements

This table displays, by student group, the number of students who were a part of the school's most recent graduating class for which CDE has available data and meet all state and local graduation requirements for grade twelve completion, including having passed both the ELA and mathematics portions of the CAHSEE or received a local waiver or state exemption.

Completion of High School Graduation Requirements			
Group	Graduating Class of 2013		
	School	District	State
All Students	130	1,551	418,598
Black or African American	8	100	28,078
American Indian or Alaska Native	1	20	3,123
Asian		26	41,700
Filipino	1	24	12,745
Hispanic or Latino	40	694	193,516
Native Hawaiian/Pacific Islander		10	2,585
White	73	645	127,801
Two or More Races	7	32	6,790
Socioeconomically Disadvantaged	5	160	31,683
English Learners	12	256	93,297
Students with Disabilities	72	1052	217,915

Dropout Rate and Graduation Rate			
Indicator	2009-10	2010-11	2011-12
Schoolwide			
Dropout Rate (1-year)	18.70	14.00	16.80
Graduation Rate	78.33	85.33	81.12
Districtwide			
Dropout Rate (1-year)	15.10	11.80	12.80
Graduation Rate	81.72	80.77	79.64
Statewide			
Dropout Rate (1-year)	16.60	14.70	13.10
Graduation Rate	80.53	77.14	78.73

* The National Center for Education Statistics graduation rate as reported in AYP is provided in this table.

California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade ten results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics to compute AYP designations required by the federal ESEA, also known as NCLB. For detailed information regarding CAHSEE results, see the CDE CAHSEE Web site at cahsee.cde.ca.gov/.

CAHSEE Results for All Students - Three-Year Comparison Percent of Students Scoring at Proficient or Advanced			
Subject	2010-11	2011-12	2012-13
Schoolwide			
English-Language Arts	49	39	44
Mathematics	39	31	31
Districtwide			
English-Language Arts	50	48	46
Mathematics	46	47	46
Statewide			
English-Language Arts	59	56	57
Mathematics	56	58	60

Advanced Placement Courses (School Year 2011–12)

The results profiled in the summary are based on all students who attempted an Advanced Placement (A.P.) Test from district high schools in 2012-13. The College Board recently released the district data.

The results reflect all tests attempted. Some students attempted more than one test; therefore, the number of attempted tests does not indicate unique students. Advanced Placement tests are important for college bound students in that students may receive “credit” for college classes if they earn a 3, 4, or 5 on an exam. Each college and university determines its own policy. In some cases, students earning a ‘5’ may be given credit for two classes of freshman level college work.

Advanced Placement Test pass rates for all district high schools participating are included. California and National averages are typically released in November. Factors to consider when analyzing AP test results include:

- Specialized training provided for the teacher
- Appropriate instructional materials
- Fidelity to advanced placement course outline
- Instructional minutes
- Extra time provided for student test preparation
- Student enrollment criteria

It is difficult for smaller schools to offer the same number of AP courses as the larger schools. At smaller schools AP courses are often combined with non-AP courses; i.e., United States History and AP United States History. Administration supports AP students in combination classes by providing tutorial assistance. Students at smaller schools can also access AP courses on-line through the University of California.

Advanced Placement Testing Summary

Advanced Placement Test	Helen Hunt Jackson Alternative High School			District			National	State

Career Technical Education Participation

Measure	CTE Program Participation
Number of pupils participating in CTE	N/A
Percent of pupils completing a CTE program and earning a high school diploma	N/A
Percent of CTE courses sequenced/ articulated between the school/ institutions of postsecondary education	N/A

Courses for University of California and/or California State University

UC/CSU Course Measure	Percent
2012-13 Students Enrolled in Courses Required for UC/CSU Admission	48.7
2011-12 Graduates Who Completed All Courses Required for UC/CSU Admission	1.5

Career Technical Education Programs

This section provides information about Career Technical Education (CTE) programs including:

- Programs and classes offered that are specifically focused on career preparation and or preparation for work
- How these programs and classes are integrated with academic courses and how they support academic achievement
- How the school addresses the needs of all students in career preparation and/or preparation for work, including needs unique to defined special populations of students
- The measurable outcomes of these programs and classes, and how they are evaluated
- State the primary representative of the district's CTE advisory committee and the industries represented on the committee

Independent Study students may enroll in CTE courses that are offered at other locations.
