School Description

Family Tree Learning Center is committed to providing our students and families with a high quality, yet flexible, standards-based learning opportunity within an independent study model.

We strive to:

- Provide a personalized learning experience for each student.
- Form partnerships between parents and teachers to ensure student success.
- Encourage self-determination and excellence for all.

School Profile

Family Tree Learning Center is a K-8 Home/Independent Study School that serves as one of the alternative educational options for the Hemet Unified School District. Family Tree Learning Center provides support to families who have made the decision to educate their children in a nontraditional setting. Students have access to the state and district approved core curriculum and follow the same school calendar. Some families incorporate additional materials to meet the educational goals that they may have determined to be important. Parents and students meet with an assigned highly qualified, credentialed teacher weekly for ongoing guidance and support. The teacher prepares the curriculum, organizes the materials, and offers the assistance needed for the students and families to be successful.

Family Tree Learning Center serves students within the Hemet Unified School District. We also accept interdistrict transfers from Riverside and other contiguous counties. Students attend Family Tree for many reasons including the benefits of attending a small school, personalized instruction, safety issues, medical conditions, and parents' choice for their children to be in a home school program. Some of our families enroll so they can travel and stay current with a traditional curricular program. Other families enroll all their children for all their schooling needs and truly enjoy being an integral part of their child's education. Independent Study affords families the gift of time and flexibility that doesn't exist in a traditional setting.

The Mission of Family Tree Learning Center is to provide a safe and secure environment that promotes respect for self and others. Parent and child input is paramount to create successful relationships between teachers, parents and staff; to nourish and celebrate individuality and uniqueness; make decisions based upon the best interests of students; provide student support to differentiate instruction and curriculum while mastering the standards and beyond and provide individual instruction based on student needs.

Family Tree Learning Center is located at 26400 Dartmouth Street, Hemet, CA 92544. Family Tree shares this campus with our sister school, Helen Hunt Jackson College Prep High School which serves our students in grades 9-12, which provides a variety of learning models including independent study.

District Profile

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 21,157 students. Preschool centers at nine school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter high school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

Hemet Unified School District's Core Values

- 1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
- 2. All students can develop their intellect and improve their academic achievement level in each subject each year.
- 3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
- 4. Good first teaching is the most powerful tool for improving student achievement.
- 5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
- 6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
- 7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
- 8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district
- 9. It is the District's responsibility to respond positively to the changing needs of our community and students.
- 10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school at (951) 765-5193 or the district office.

2014-15 Student Enrollment by Grade Level				
Grade Level	Number of Students			
Kindergarten	2			
Grade 1	5			
Grade 2	4			
Grade 3	8			
Grade 4	9			
Grade 5	4			
Grade 6	13			
Grade 7	22			
Grade 8	34			
Total Enrollment	101			

2014-15 Student Enrollment by Group				
Group	Percent of Total Enrollment			
Black or African American	4			
American Indian or Alaska Native	2

Hispanic or Latino	41.6			
White	45.5			
Two or More Races	5.9			
Socioeconomically Disadvantaged	74.3			
English Learners	7.9			
Students with Disabilities	10.9			

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials						
Family Tree Learning Center	13-14	14-15	15-16			
With Full Credential	5	10	5			
Without Full Credential	0	0	0			
Teaching Outside Subject Area of Competence	0	0	0			
Hemet Unified School District	13-14	14-15	15-16

Teacher Misassignments and Vacant Teacher Positions at this School						
Family Tree Learning Center 13-14 14-15 15-16						
Teachers of English Learners	0	0	0			
Total Teacher Misassignments	0	0	0			
Vacant Teacher Positions	0	0	0			

[&]quot;Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers

2014-15 Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers							
Location of Classes Taught by Highly Qualified Teachers Not Taught by Highly Qualified Teacher							
This School	100.0	0.0					
	Districtwide						
All Schools	96.5	3.5					
High-Poverty Schools	96.4	3.6					
Low-Poverty Schools	100.0	0.0					

High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9-1-15 that each pupil, including English learners, in the district in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

School Facility Conditions and Planned Improvements (Most Recent Year)

The classrooms are spacious and conducive to individual appointments as well as large group meetings, activities, or seminars. Classrooms are decorated with academic and motivational materials creating a pleasant and positive learning environment. The students have access to clean restrooms nearby their classrooms, as well as drinking fountains in each classroom. The campus is gated and secure. The school also has a full time campus supervisor who oversees student safety.

We share the campus with Helen Hunt Jackson College Prep High School and College Prep High School, a charter school. Our site was inspected as required by the Williams Legislation for the 2013/14 academic school year and received a GOOD rating of 99.7%. All other criteria was marked as being in "Good Repair."

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2014-15 CAASPP Results for All Students					
Subject	Percent of Students Meeting or Exceeding the State Standards Subject (grades 3-8 and 11)				
	School	District	State		
ELA	36	33	44		
Math	18	22	33		

^{*} Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

• Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Home and school communication is the key to success for our students. Our parents and teachers continually collaborate to support and fine tune each student's educational journey. In addition to this collaboration, Family Tree Learning Center also has a Parent Teacher Student Organization (PTSO) that fundraises and coordinates extracurricular school events. We want to encourage participation above and beyond the basic curriculum to give our students a quality learning experience. Parents are also invited to get involved with school and district level decision making groups such as Curriculum Council, School Site Council and the Parents' Advisory Group.

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. Other opportunities include: Parent Project® (secondary), Parent Project Jr.® (elementary), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), and a district-wide PTA/ELAC community event, named, "Hemet Posada," and the District Curriculum Council.

We also have parents who volunteer to serve as resources for our students and for each other. For more information on how you can get involved, please contact Principal Frank Green at (951) 765-5193.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

COMPREHENSIVE SCHOOL SITE SAFETY PLAN

Board approved: March 17, 2015

Per Board Policy 0450 and Education Code 32288, the school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site. Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286). Each school shall forward the safety plan to the Board for approval. (Education Code 32288). The Board shall review the comprehensive districtwide and/or school safety plan(s) in order to ensure compliance with state law, Board policy, and administrative regulation. The Board shall approve the plan at a regularly scheduled meeting. A copy of the Safe School Plan is available at the school site.

The Comprehensive Safe School Plan includes data regarding California Healthy Kids Survey, crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5.

A clean, safe, and secure teaching and learning environment is the highest priority to administration and staff. All students, visitors and volunteers are required to sign in at the office, state their business at the school, and show identification. Visitors and parents are provided with a visitor tag to wear while on school grounds. They must return to sign out at the office at the end of their visit.

Fire drills are conducted monthly and a disaster preparedness plan exists for emergencies. Staff is trained in emergency procedures, including evacuation routes and safety checks. The Riverside Sheriff and Hemet Fire Departments respond quickly to calls for assistance. Supervision is assigned with the maximum coverage before and after school and at lunches. Walkie talkies provide communication on campus with administrators.

The school's physical facility is well maintained. District personnel periodically examine the school's physical facility regularly and help eliminate obstacles to school safety. Additionally, health and fire department inspectors contribute to the school safety. The classrooms are monitored for safety and appearance by administration, individual classroom teachers, custodians and campus supervisors. The students and stakeholders take pride in the appearance of their school.

Suspensions and Expulsions							
School	2012-13	2013-14	2014-15				
Suspensions Rate	0.00	0.00	0.57				
Expulsions Rate	0.00	0.00	0.00				
District	2012-13	2013-14	2014-15				
Suspensions Rate	6.90	7.29	6.95				
Expulsions Rate	0.26	0.23	0.34				
State	2012-13	2013-14	2014-15				
Suspensions Rate	5.07	4.36	3.80				
Expulsions Rate	0.13	0.10	0.09				

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2014-15 Adequate Yearly Progress Overall and by Criteria								
AYP Criteria	School	District	State

Science	29	12	14		3	3	2	1	1			
SS	29	25	28		1		2	1	2			

Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff at this School					
Number of Full-Time Equivalent (FTE)					
Academic Counselor	0.5				
Counselor (Social/Behavioral or Career Development)	0				
Library Media Teacher (Librarian)	0				
Library Media Services Staff (Paraprofessional)	0.5				
Psychologist	Available as needed				
Social Worker	0				
Nurse	Available as needed				
Speech/Language/Hearing Specialist	Available as needed				
Resource Specialist	0.5				
Other	0				
Average Number of Students per Staff N	lember				
Academic Counselor	132				

^{*} One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Professional Development provided for Teachers

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided through the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The focus of the Professional Development Academy has been on the implementation, support, and instructional improvement of California State Standards. The district's Educational Department, including Academic Coaches provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the Academic Coaches provide a variety of district and site based trainings based on data, principal feedback and, teacher survey results. Achievement data is used to determine site support and priorities for professional development opportunities. Teachers are provided with multiple opportunities throughout the school year and during the summer to participate in trainings. The PDA also supports our new teachers through our Center for Teacher Innovation (CTI) Induction Program and provides intensive coaching to support them in their new teaching assignment.

FY 2013-14 Teacher and Administrative Salaries							
Category	District Amount	State Average for Districts In Same Category					
Beginning Teacher Salary	\$44,161	\$43,165					
Mid-Range Teacher Salary	\$66,464	\$68,574					
Highest Teacher Salary	\$87,860	\$89,146					
Average Principal Salary (ES)	\$118,248	\$111,129					
Average Principal Salary (MS)	\$127,067	\$116,569					
Average Principal Salary (HS)	\$135,629	\$127,448					
Superintendent Salary	\$227,058	\$234,382					
Percent of District Budget							
Teacher Salaries	37%	38%

Types of Services Funded

OTHER PROGRAMS

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

MAA (Medicare Admin Activities -- \$296 Supplemental/Concentration -- \$ 2,220 Site Lottery -- \$4,556 Title I -- \$16,573 Special Education State/Local -- \$62,412 Common Core State Standards -- \$63

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
