Our Mission Statement

"The educational community will assist all students in maximizing their academic achievement and personal responsibility."

Our Vision Statement

Little Lake Elementary will aspire to the highest level of excellence in teaching, learning and positive behavior. We believe that school staff, parents and the community will work as a collaborative partnership to benefit all students in their academic success. We are dedicated to providing a nurturing, challenging and creative learning environment that celebrates diversity with compassion and acceptance.

School Profile

Little Lake Elementary was established in 1899. We are proud of our heritage and our long standing tradition of a commitment to excellence. This is appropriately reflected in our Mission Statement: "Little Lake Elementary is to assist all students in maximizing their academic achievement and personal responsibility." We are committed to a child centered learning environment with the highest level of excellence in teaching, learning, and positive behavior. We believe that school staff, parents and the community will work as a collaborative partnership to benefit all students in their academic success. We are dedicated to providing a nurturing, challenging and creative learning environment that celebrates diversity with compassion and acceptance.

Currently, Little Lake has 40 active classrooms. Thirty two classrooms are utilized for general education classes in grades TK thru 5th and eight classrooms are utilized for special education. Five of the special education classes are Severely Handicapped elementary and preschool programs which draw their attendance from both inside and outside our district boundaries. We have embraced these programs and welcomed them to our Little Lake family.

To effectively maintain our high teacher expectations as well as continually strive to exceed them, change is inevitable and our staff is learning that collaboration is essential. We have revised our Mission and Vision Statements (as displayed above in bold print) so we are able to refocus our efforts in an organized manner that will benefit all students.

Little Lake's teaching and support staff has grown to over 80 members with more than 800 years of successful teaching experience. To maintain a Tradition of Excellence, our Little Lake staff continues to hone skills through collaboration, staff development and the utilization of Rigorous Curriculum Design (RCD) and Data Teams. This dedication drives our instruction.

We exist to educate, elevate and encourage our students. Our practices in the classroom, implemented student programs, and after school involvement create a child centered learning environment. Our parents, staff, and community work collaboratively for the benefit of all students. Children come first at Little Lake Elementary.

District Profile

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 21,157 students. Preschool centers at nine school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter high school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

Hemet Unified School District's Core Values

- 1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
- 2. All students can develop their intellect and improve their academic achievement level in each subject each year.
- 3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
- 4. Good first teaching is the most powerful tool for improving student achievement.
- 5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
- 6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
- 7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
- 8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
- 9. It is the District's responsibility to respond positively to the changing needs of our community and students.
- 10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school at (951) 765-1660 or the district office.

2014-15 Student Enrollment by Grade Level					
Grade Level	Number of Students				
Kindergarten	153				
Grade 1	128				
Grade 2	138				
Grade 3	160				
Grade 4	144				
Grade 5	146				
Total Enrollment	869				

2014-15 Student Enrollment by Group						
Group Percent of Total Enrollment						
Black or African American	7					
American Indian or Alaska Native	0.7					
Asian	0.7					
Filipino	0.8					
Hispanic or Latino	53.2					
Native Hawaiian or Pacific Islander	0.1					
White	32.9					
Two or More Races	4.4					
Socioeconomically Disadvantaged	81.4					
English Learners	16.8					
Students with Disabilities	14.3					
Foster Youth	2.1					

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials							
Little Lake Elementary School	13-14	14-15	15-16				
With Full Credential	41	38	40				
Without Full Credential	0	0	0				
Teaching Outside Subject Area of Competence	0	0	0				
Hemet Unified School District	13-14	14-15	15-16				
With Full Credential	•	•	1061				
Without Full Credential	•	*	17				
Teaching Outside Subject Area of Competence	•	*	57				

Teacher Misassignments and Vacant Teacher Positions at this School							
Little Lake Elementary School 13-14 14-15 15-16							
Teachers of English Learners	0	0	0				
Total Teacher Misassignments	0	0	0				
Vacant Teacher Positions	0	0	0				

[&]quot;Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers

2014-15 Percent of Classes In Core Academic Subjects Core Academic Classes Taught by Highly Qualified Teachers							
Location of Classes Taught by Highly Qualified Teachers Not Taught by Highly Qualified Teachers							
This School	100.0 0.0						
	Districtwide						
All Schools	All Schools 96.5 3.5						
High-Poverty Schools 96.4 3.6							
Low-Poverty Schools	100.0	0.0					

High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9-1-15 that each pupil, including English learners, in the district in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2014-15 CAASPP Results for All Students							
Percent of Students Meeting or Exceeding the State Standards Subject (grades 3-8 and 11)							
	School District State						
ELA 37 33 44							
Math	32	22	33				

^{*} Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Results for All Students - Three-Year Comparison

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. These opportunities include, District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Institute for Quality Education (PIQE), Action Team for Partnerships (ATP), District Curriculum Council, English Learner Advisory Committee (ELAC), PTA, and in-school parent volunteer opportunities.

Little Lake Elementary School addresses all areas of parent involvement through their Single Plan For Student Achievement. For more information, contact the site Principal, Amanda Niaves at (951) 765- 1660.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

COMPREHENSIVE SCHOOL SITE SAFETY PLAN

Board approved: March 17, 2015

Per Board Policy 0450 and Education Code 32288, the school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site. Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286). Each school shall forward the safety plan to the Board for approval. (Education Code 32288). The Board shall review the comprehensive districtwide and/or school safety plan(s) in order to ensure compliance with state law, Board policy, and administrative regulation. The Board shall approve the plan at a regularly scheduled meeting. A copy of the Safe School Plan is available at the school site.

The Comprehensive Safe School Plan includes data regarding California Healthy Kids Survey, crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5.

A clean, safe, and secure teaching and learning environment is the highest priority to administration and staff. Fire and other emergency drills are conducted monthly, and a disaster preparedness plan exists for emergencies. Staff is trained in emergency procedures, including evacuation routes and safety checks. Supervision is assigned with the maximum coverage before and after school and at lunches. Walkie talkies provide communication on campus between supervisors, teachers on duty, administrators, the health technician, and the office staff at all times. In the event of a disaster, such as an earthquake during school hours, all students will be kept at school. They will not be released until a parent or parent designee arrives at the school to pick them up. Parents are requested to list their designees on the "Emergency Release" card sent home at the beginning of the school year. The office must be notified if home or business phone numbers are changed. Site Administration continually monitors the school's safety plan and preparedness.

School gates are closed right after the morning bell rings and opened when school lets out. All visitors and volunteers are required to sign in at the office, state their business at the school, and show identification. They are provided with a visitor tag to wear while on school grounds. They must return to sign out at the office at the end of their visit.

The school's physical facility is well maintained. District personnel frequently examine the school's physical facility and help eliminate obstacles to school safety. Additionally, health and fire department inspectors evaluate and contribute feedback to ensure school safety. The classrooms are monitored for safety and appearance by administration and individual classroom teachers, custodians and administration, as well as after hours security staff. The pupils take pride in the appearance of their school.

The SAFE after school program offers both academic enrichment and positive behavior support from the end of the school day until 6 p.m. each day school is in session.

Suspensions and Expulsions						
School	2012-13	2013-14	2014-15

Average Number of Students per Staff Member				
Academic Counselor	0			

One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Professional Development provided for Teachers

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided through the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The focus of the Professional Development Academy has been on the implementation, support, and instructional improvement of California State Standards. The district's Educational Department, including Academic Coaches provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the Academic Coaches provide a variety of district and site based trainings based on data, principal feedback and, teacher survey results. Achievement data is used to determine site support and priorities for professional development opportunities. Teachers are provided with multiple opportunities throughout the school year and during the summer to participate in trainings. The PDA also supports our new teachers through our Center for Teacher Innovation (CTI) Induction Program and provides intensive coaching to support them in their new teaching assignment.

FY 2013-14 Teacher and Administrative Salaries						
Category	District Amount	State Average for Districts In Same Category				
Beginning Teacher Salary	\$44,161	\$43,165

Types of Services Funded

The SAFE after school program services students in grades one through eight from the time the dismissal bell rings until 6:00 PM. There are approximately 102 students enrolled in the program. The program is financed through State funds (Prop-49). The SAFE program also funds after school interventions targeting students who are scoring below proficiency on grade level standards.

Other programs that are funded are: Pathfinder Ranch, Elementary Counselors, ST Math, Compass Learning, Imagine Learning, Learning Dynamics, Reading Intervention Program, Reading A-Z, Elementary Assistant Principals, Bilingual Parent Liasons.

OTHER PROGRAMS

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

Supplemental/Concentration -- \$58,760 Site Lottery -- \$21,930 Title I -- \$152,824 Spec Ed Federal Local Asst -- \$249,651 ASES-After School Program -- \$74,806 Special Education State/Local -- \$707,250 Common Core State Standards - \$4,283

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
