Principal's Message:

Dear Parents/Guardians/Community Members,

Welcome to Valle Vista Elementary School of Hemet Unified! We take great pride in our school and believe it is one of the finest elementary schools in the San Jacinto Valley. We have a very dedicated staff who believes that ALL children can learn. Various intervention and enrichment programs are offered throughout the year aimed at meeting the needs of all students. We offer an English Language Development program in grades TK-5. Students are prepared for the technology age by means of two computer labs and computers in every classroom. Each classroom is equipped with at least seven laptop and/or Chromebook computers for student learning, and more than half our classrooms have SmartBoard interactive whiteboards. Our fifth grade classrooms are one-to-one with Chromebooks, as each student is assigned a Chromebook computer for use during school. Additionally, we offer our students access to computer-based enrichment and intervention programs for both at school and at home, such as Imagine Learning, Odyssey Compass Learning, ST Math, RAZ Kids Reading, and Accelerated Reader.

We are looking forward to a very productive year in which all our Viking students are successful. Teachers and students work diligently in a new California State Standards-based curriculum and SmarterBalanced assessment program. One of our goals this year is to continue to improve on our past successes and ensure a high level of achievement for all students. With our experienced staff and supportive parents, we believe that we can, not only accomplish our goals, but exceed them.

In order to support a safe and welcoming school environment, we practiced school-wide Positive Behavior Interventions and Supports, where we set explicit expectations for our students, teach necessary skills to meet those expectations, and positively reinforce when expectations are being met.

We encourage all parents to become active in their child's education. This can be accomplished through volunteering, attending parent-teacher conferences, open house, and back to school events. Your involvement is critical in the success of your child. I look forward to meeting and working with our parents and community, and if you would ever like, please stop by the school, visit our school website at vallevista.hemetusd.org, send an email, or call us at (951) 927-0800.

Our Mission: Valle Vista's mission is to create a culture of universal achievement.

Our Vision: At Valle Vista Elementary, we envision a clean, safe, and respectful environment with happy, enthusiastic children who are supported both by involved families and highly qualified and engaged staff, in an effort to achieve common educational goals.

Our Core Values:

1. We believe it is the student's, parent's, staff's, and community's responsibility to ensure every student, with appropriate support, becomes successful, lifelong learner.
2. We believe all students have the right to a safe, orderly, supportive and positive school environment.
3. We believe in the power of collaboration among and between grade levels.

School Profile:

This annual report describes Valle Vista Elementary as a school where staff, students and parents work together to foster high expectations and a commitment to academic excellence. Valle Vista Elementary prides itself on meeting the needs of all students with a vision towards preparing children to face the demands of the 21st century.

Valle Vista Elementary School is located in the eastern San Jacinto Valley and is part of the Hemet Unified School District. The community of Valle Vista is in the Hemet Post Office jurisdiction but represents a long established agricultural area of the valley, in transition to a more urbanized bedroom community for the city of Hemet. Valle Vista Elementary School is located at the corner of Fairview and Mayberry Avenues.

District Profile

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 21,157 students. Preschool centers at nine school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter high school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

Hemet Unified School District's Core Values

1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
2. All students can develop their intellect and improve their academic achievement level in each subject each year.
3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
4. Good first teaching is the most powerful tool for improving student achievement.
5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
9. It is the District's responsibility to respond positively to the changing needs of our community and students.
10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school at (951) 927-0800 or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9-1-15 that each pupil, including English learners, in the district in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

School Facility Conditions and Planned Improvements (Most Recent Year)

Valle Vista Elementary School opened its doors in the fall of 1992. Valle Vista School currently houses nearly 700 students utilizing both permanent and relocatable classrooms on approximately 12 acres. Every classroom has adequate space and all the materials needed to ensure student success. The campus was repainted in the summer of 2008, with interior paint and wall paper repairs made also. The main irrigation water supply was replaced and improved during the Winter of 2010. Valle Vista has 2 computer labs, a library, and a multi-purpose room.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

	5		--	--	--	--	--	--

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. These opportunities include Parent Project® (secondary), Parent Project Jr.® (elementary), District English Learner Advisory Committee (DELAC), English Learner Advisory Committee - site level (ELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), Parent Institute for Quality Education (PIQE), ESL classes by Mt. San Jacinto Community College, Watch DOGS program, Parent-Teacher Association (PTA), a district-wide PTA/ELAC community event, named, "Hemet Posada," and the District Curriculum Council.

The site addresses all areas of parent involvement through their Single Plan For Student Achievement. For more information, contact the site Principal, Jennifer Martin at jmartin@hemetusd.org or (951) 927-0800.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates, pupil expulsion rates; and other local measures on the sense of safety.

School Safety Plan

COMPREHENSIVE SCHOOL SITE SAFETY PLAN

Board approved: March 3, 2015

Per Board Policy 0450 and Education Code 32288, the school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site. Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286). Each school shall forward the safety plan to the Board for approval. (Education Code 32288). The Board shall review the comprehensive district-wide and/or school safety plan(s) in order to ensure compliance with state law, Board policy, and administrative regulation. The Board shall approve the plan at a regularly scheduled meeting. A copy of the Safe School Plan is available at the school site.

The Comprehensive Safe School Plan includes data regarding California Healthy Kids Survey, crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5.

A clean, safe, and secure teaching and learning environment is the highest priority to administration and staff. Fire drills are conducted monthly and a disaster preparedness plan exists for emergencies. Staff is trained in emergency procedures, including evacuation routes and safety checks. Supervision is assigned with the maximum coverage before and after school, at recesses, and at lunches. Walkie-talkie radios provide communication on campus with administrators. In the event of a disaster, such as an earthquake during school hours, all students will be kept at school. They will not be released until a parent or parent designee arrives at the school to pick them up. Parents are requested to list their designees on the "Emergency Release" card sent home at the beginning of the school year. The office must be notified if home or business phone numbers are changed. There is a functioning Safety Committee that continually monitors the school's safety plan and preparedness.

School gates are closed right after the morning bell rings and opened when school lets out. All visitors and volunteers are required to sign in at the office, state their business at the school, and show identification. Identification is scanned through school's Lobby Guard system. Volunteers are provided with a visitor tag to wear while on school grounds. They must return to sign out at the office at the end of their visit.

The school's physical facility is well maintained. District personnel periodically examine the school's physical facility regularly and help eliminate obstacles to school safety. Additionally, health and fire department inspectors contribute to the school safety. The classrooms are monitored for safety and appearance by administration and individual classroom teachers, custodians and administration. The pupils take pride in the appearance of their school.

Valle Vista Elementary School has a current disaster preparedness plan with the PTA providing basic first aid supplies for emergency use. Minimal supplies exist for a major disaster. The community is encouraged to use Valle Vista's facilities and the school is the central point for neighborhood activities.

The SAFE after school program offers both academic enrichment and positive behavior support from the end of the school day until 6:00 PM each day school is in session.

Professional Development provided for Teachers

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided through the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The focus of the Professional Development Academy has been on the implementation, support, and instructional improvement of California State Standards. The district's Educational Department, including Academic Coaches provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the Academic Coaches provide a variety of district and site based trainings based on data, principal feedback and, teacher survey results. Achievement data is used to determine site support and priorities for professional development opportunities. Teachers are provided with multiple opportunities throughout the school year and during the summer to participate in trainings. The PDA also supports our new teachers through our Center for Teacher Innovation (CTI) Induction Program and provides intensive coaching to support them in their new teaching assignment.

Types of Services Funded

Every classroom is equipped with an LCD projector, Document Camera, and easel to allow greater use of the curricular materials. Some classrooms are additionally equipped with SmartBoard interactive whiteboards. After school interventions are funded with Title I categorical funds.

The SAFE after school program services students in grades one through eight from the time the dismissal bell rings until 6:00 PM. There are approximately 120 students enrolled in the program at Valle Vista. The program is financed through State funds (Prop-49). The SAFE program also funds after school interventions targeting students who are scoring below proficiency on grade level standards.

Other programs that are funded are: Pathfinder, Elementary Counselors, ST Math, Compass Learning, Imagine Learning, Reading Learning Dynamics.

OTHER PROGRAMS:

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

Site Allocated:

- MAA (Medicare Admin Activities) -- \$277
- Supplemental/Concentration -- \$24,920
- Site Lottery -- \$51,972
- Title I -- \$117,065
- Spec Ed Federal Local Asst. -- \$110,699
- ASES, After School Program -- \$93,818
- Special Education State/Local -- \$781,912
- Common Core State Standards -- \$47,474

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
