School Description

At RVMS we foster and support a student centered approach, which provides an atmosphere where a child's social, emotional, and academic needs are equally important. We understand that all students have special talents and we plan on providing the opportunities for students to develop these talents.

To support these goals the RVMS staff:

Will be committed to leading our diverse population

Will provide a variety of academic, physical, and social experiences

Will maintain a safe learning environment for all students

Will keep student success at the forefront of all decisions

The mission of Rancho Viejo Middle School is to provide a safe learning environment where kids feel connected to school. ALL students will learn and grow through a variety of educational experiences.

District Profile

Hemet Unified School District covers one of the largest geographic areas of any district in California. It covers over 700 square miles of very diverse topography; from valley flatlands, to foothills, to mountains. It serves a growing community with a current enrollment of over 21,157 students. Preschool centers at nine school locations, eleven elementary schools (K-5), three elementary/middle schools (K-8), four middle schools (6-8), four comprehensive high schools (9-12), one continuation high school (11-12), a vocational education focused charter high school, a science-based charter Middle School, an Adult Education Center, Independent Study Programs, a Home School Program, and a self-paced on-line instruction program offer a wide variety of learning opportunities for students of all ages.

Educational programs are designed to be flexible enough to provide a positive educational environment for all students, yet structured enough to ensure attainment of the California Content Standards and passing the California High School Exit Exam. With the support of the community, school staffs have developed highly successful programs in music, agriculture, and athletics.

Hemet Unified School District's Core Values

- 1. It is the District's responsibility to provide a structure and framework in which students and staff can succeed.
- 2. All students can develop their intellect and improve their academic achievement level in each subject each year.
- 3. It is the District's responsibility to recruit, train and retain the very best staff to work in the Hemet Unified School District.
- 4. Good first teaching is the most powerful tool for improving student achievement.
- 5. It is the District's responsibility to provide alternative education opportunities that create pathways to success for students who do not do well in a traditional setting.
- 6. The maintenance and development of students' nutritional and physical well being supports and enhances intellectual development and academic achievement.
- 7. Participation in activities such as academic competitions, music, drama, sports, clubs and other "non-academic" endeavors develops the human spirit and provides balance between the intellectual, physical and emotional/social development of our students.
- 8. The quality of interaction with our community, the quality of our published works and the state of our facilities all reflect what we think of ourselves as a district.
- 9. It is the District's responsibility to respond positively to the changing needs of our community and students.
- 10. It is the District's responsibility to ensure that the allocation of fiscal resources supports the Core Values of the District.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school at (951) 765-6287.

2013-14 Student Enrollment by Grade Level			
Grade Level Number of Students			
Gr. 6	395		
Gr. 7	437		
Gr. 8 411			
Total	1,243		

2013-14 Student Enrollment by Group				
Group	Percent of Total Enrollment			
Black or African American	11.2			
American Indian or Alaska Native	0.8			
Asian	1.2			
Filipino	1.0			
Hispanic or Latino	62.3			
Native Hawaiian/Pacific Islander	0.2			
White	21.4			
Two or More Races	1.8			
Socioeconomically Disadvantaged	87.1			
English Learners	14.8			
Students with Disabilities	16.0			

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials						
Rancho Viejo Middle School	12-13	13-14	14-15			
Fully Credentialed	46	44	48			
Without Full Credential	0					
Teaching Outside Subject Area of Competence	10	10	4			
Hemet Unified School District	12-13	13-14	14-15			
Fully Credentialed	+	+	928			
Without Full Credential	+	+	10			
Teaching Outside Subject Area of Competence	+	+				

Teacher Misassignments and Vacant Teacher Positions at this School							
Rancho Viejo Middle School 12-13 13-14 14-15							
Teachers of English Learners	0	0	0				
Total Teacher Misassignments	0	0	0				
Vacant Teacher Positions	0	0	0				

[&]quot;Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers

2013-14 Percent of Classes In Core Academic Subjects
Core Academic Classes Taught by Highly Qualified Teachers

core Academic classes radgite by rightly Qualified reactions						
Location of Classes	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers				
This School	97.31	2.69				
Districtwide						
All Schools	94.79	5.21				
High-Poverty Schools	94.85	5.15				
Low-Poverty Schools	91.67	8.33				

^{*} High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 09/02/14 that each pupil in the district, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Results for All Students - Three-Year Comparison									
				ents Scoring at Proficient or Advanced exceeding the state standards)				ed	
Subject		School			District		State		
	11-12	12-13	13-14	11-12	12-13	13-14	11-12	12-13	13-14
Science	57	49	59	49	48	49	60	59	60

Science (grades 5, 8, and 10) assessments include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA). Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

STAR Results for All Students - Three-Year Comparison									
	Po	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)							
Subject	School District State								
	10-11 11-12 12-13 10-11 11-12 12-13 10-11 11-12 12						12-13

Math	37	38	33	42	42	41	49	50	50
HSS	34	32	29	39	38	41	48	49	49

STAR Program was last administered in 2012-13. Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Academic Performance Index Ranks - Three-Year Comparison							
API Rank 2010-11 2011-12 2012-13							
Statewide	4	4	3				
Similar Schools	8	8	5				

 For 2014 and subsequent years, the statewide and similar schools ranks will no longer be produced.

Grade	2013-14 Percent of Students Meeting Fitness Standards						
Level	4 of 6	5 of 6	6 of 6				
7	20.4	22.7	29.4				

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2013-14 CAASPP Results by Student Group						
Group	Percent of Students Scoring at Proficient or Advanced					
·	Science (grades 5, 8, and 10)					
All Students in the LEA	49					
All Student at the School	59					
Male	62					
Female	57					
Black or African American	55					
American Indian or Alaska Native						
Asian						
Filipino						
Hispanic or Latino	54					
Native Hawaiian/Pacific Islander						
White	77					
Two or More Races						
Socioeconomically Disadvantaged	58					
English Learners	22					
Students with Disabilities						
Students Receiving Migrant Education Services						

CAASPP includes science assessments (CSTs, CMA, and CAPA) in grades 5, 8, and 10. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

API Growth by Student Group – Three-Year Comparison						
Crown	Actual API Change					
Group	10-11	11-12	12-13			
All Students at the School	14	4	-25			
Black or African American	33	-16	-35			
American Indian or Alaska Native						
Asian						
Filipino						
Hispanic or Latino	18	15	-26			
Native Hawaiian/Pacific Islander						
White	19	-10	-20			
Two or More Races						
Socioeconomically Disadvantaged	19	6	-21			
English Learners	29	-3	-7			
Students with Disabilities	16	-11	7			

"N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. These opportunities include, Parent Project® (secondary), Parent Project Jr.® (elementary), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), and a district-wide PTA/ELAC community event, named, "Hemet Posada," and the District Curriculum Council.

It is the goal of Rancho Viejo to be the hub of community involvement by building strong relationships with parents and community stakeholders. There is no stronger team than staff, students, and parents working together to provide a safe, rigorous and meaningful education for our students! We have a very strong PTSA and are excited to continue our WATCH D.O.G.S. (Dads of Great Students) program this year. For our non-English speaking parents, we offer an English Language Advisory Committee (ELAC) to help keep all parents informed and involved. It is our hope to get as many parents on campus as possible to provide positive role models and adult mentors to our students. RVMS has also take advantage of some new technology tools that help support parent involvement as well.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Board approved: October 8, 2013

Per Board Policy 0450 and Education Code 32288, the school safety plan shall take into account the school's staffing, available resources, and building design, as well as other factors unique to the site. Each school shall review and update its safety plan by March 1 of each year. New school campuses shall develop a safety plan within one year of initiating operations. (Education Code 32286). Each school shall forward the safety plan to the Board for approval. (Education Code 32288). The Board shall review the comprehensive districtwide and/or school safety plan(s) in order to ensure compliance with state law, Board policy, and administrative regulation. The Board shall approve the plan at a regularly scheduled meeting. A copy of the Safe School Plan is available at the school site.

The Comprehensive Safe School Plan includes data regarding California Healthy Kids Survey, crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, and (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5.

Included in this section are the emergency procedures for Rancho Viejo Middle School. We place school safety as one of our top priorities and are always looking for ways to make this a safer campus for students and staff

General Emergency Information

- 1. 1.Be aware of all the marked exits from your room, area, and building.
- 2. 2.Be aware of the primary and secondary routes to the designated assembly area.
- 3. 3. Know your assigned task. If no special task assigned, stay with your students.
- 4. 4. The fire/evacuation alarm is a loud intermittent tone (and flashing lights where installed). When you hear this tone, escort your students from the building in an orderly fashion and proceed to the designated assembly area.
- 5. S.When the ground starts shaking or you hear the command "Drop" announcement, Duck, Cover, and Hold. Duck down, try to get under something sturdy, and cover your head with your hands. Hold on to whatever you're under until the tone or shaking stops. Do NOT automatically evacuate your room. Evacuate only if told to do so, or if there is an immediately danger to the students.
- 6. When told to lockdown or you hear the European siren tone, check the area immediately outside your door. If students are close, rush them into your room and lock your door and close your curtains/blinds or otherwise cover windows that are at eye level if possible. Do not unlock your door until you hear the all clear announcement. Contact the office if you have students un-accounted for or if you have extra students

Air Pollution

In the case of a declared air pollution advisory from the South Coast Air Quality Management District, an announcement will be made by administration and the following steps will be taken for the Air Quality Index listed:

"Unhealthy for Sensitive Groups": Strenuous student activity should be carefully evaluated. Activities of less strenuous nature are more appropriate. Children having respiratory difficulties aggravated by smog, children who have notes from parent or doctors and children who are complaining about the effects of smog must be allowed to remain indoors or inactive. Outdoor exertion should be avoided by everyone.

"Unhealthy": Prolonged out door exertion should be avoided by everyone.

"Very Unhealthy": All outdoor exertion should be avoided by everyone.

Unusual, Violent or Criminal Behavior

In the event of a shooting or threat of serious violence, lockdown your room and notify office of the circumstances. A full lockdown may ensue - follow lockdown procedures accordingly.

If you witness or are the victim of other violation of the law such as assault, robbery, theft, etc., notify an administrator as soon as possible to provide details about the nature and location of the incident, and a physical description of the perpetrator and property involved.

If you observe loitering or unauthorized soliciting on campus, notify the office.

The Student Resource Officer will investigate all criminal activity.

Unusual, Violent, or Criminal Behavior

Lockdown

Intruder on Campus, Threats, Violence, Civil Disturbance or Demonstrations

If one of the above situations occurs that requires a lockdown, you will here the command "lockdown" announcement.

- 1. 1. Check the area immediately outside your door. If students are close, rush them into your room.
- 2. 2.Lock all doors to your room. Don't forget "pod" doors also.
- 3. 3.Close curtains/blinds or otherwise cover any windows that are at eye level if possible.
- 4. 4.Call the office if you have students unaccounted for or if you have extra students.
- 5. 5.Do not unlock your door until you hear the all clear announcement. Exception: You may allow entry to a student or recognized staff member pounding on your door only if you can visually determine (through window) that he/she is unarmed. This is a judgment call on your part, understanding that the overriding concern must be for the safety of the larger number of people inside your room.

Earthquake — Duck, Cover, & Hold

DO NOT automatically evacuate during an earthquake

When the ground starts shaking or you hear the command "Drop" announcement, Duck, Cover & Hold.

Indoors:

- 1. You should duck down, get under something sturdy or cover your head with your hands, and hold onto whatever you're under until the shaking or the alarm stops.
- 2. 2.Stay away from windows, shelves, or equipment on carts.
- 3. 3.After the initial shock, evaluate the situation. If emergency help is needed (severe injuries, etc.), contact the office or Command Post via phone or runner.
- 4. 4.If there appears to be immediate danger by staying inside your room (gas smell, fire, significant structural damage), evacuate to the designated assembly area, assisting the disabled as necessary.
- 5. S.Report missing students via the normal drill procedures.
- 6. 6.Keep driveways, walkways, and dire lanes clear for emergency vehicles.
- 7. Assume your assigned emergency team task, if assigned, as soon as your students' needs are met.
- 8. 8.Do not return to your building until advised or the all clear has sounded.

Outdoors

- 1. Move quickly away from buildings, fences, trees and utility poles or wires.
- 2.Continue with steps 4-8 above.

Fire / Evacuation

If you see a fire:

- 1. 1a.Pull fire alarm.
- 2. 2.Evacuate students to designated assembly area.
- 3. 3. Assist the disabled in exiting the building.
- 4. If necessary, flash lights off and to alert the deaf or hard of hearing and write notes to explain what is happening.
- 5. If the fire is minor (fire in a trash can, for example), you may attempt to use a fire extinguisher or fire hose by pointing stream at base of flames. The fire department should be notified even if the fire is extinguished.
- 6. 6. If the fire is larger, do not attempt to fight it.
- 7. Close all doors, but do not lock doors.

When you hear the fire alarm (intermittent, repairing alarm tone):

- 1. 1.Evacuate students to the designated assembly area.
- 2. 2. Assist the disabled in exiting the building.

If necessary, flash lights off and on to alert the deaf or hard of hearing and write notes to explain what is happening.

- 3. Close all doors, but do not lock doors.
- 4.Report missing students to the Incident Command Post via the method practiced during drills.
- 5. Keep driveways, walkways, and fire lanes clear for emergency vehicles.
- 6. Assume your emergency team task, if assigned, once your students' needs are met.
- 7.Do not return to the building until instructed to do so or the all clear has sounded.

Heightened Security Alert (H.S.A.)

Unlike earthquake, fire, etc., there may be situations that give us forewarning of reason for concern for the safety and security of your staff, students, and facility. Implementation may be requested by the Superintendent or may be called at the discretion of site administrators as their good judgement dictates. The following steps are to be taken when this alert is called.

- 1. 1.Communicate to staff that we are implementing a Heightened Security Alert. This would preferably be done by announcing via Public Address system for staff to check their email for an important message. If that's unworkable for any reason, use the P.A. to announce "Attention all staff: Please implement H.S.A. procedures at this time."
- 2. Consider canceling field trips to extracurricular activity. If already in route, consider recall–ing them depending on the situation at hand and the destination.
- 3. Teachers are to perform a discrete visual screening of their rooms. The recommended pro-cess is to stand in the back of the room, looking left to right at floor level, and then at a 3-foot level, 6-foot level, etc. until the room has been scanned. The intent is to identify anything new, unusual or previously unrecognized, such as a package, empty desk with a backpack, a moved ceiling panel, etc. If suspicions are aroused, contact administrator and move students to another location. Otherwise, no action required.
- Administrators shall provide an exterior presence and be watchful for anything out of place or unusual.
- 5. All staff is encouraged to independently review their emergency procedures flipchart or team responsibilities to facilitate a more immediate response if required.
- 6. Activate and distribute emergency communication equipment to team members as available.
- 7. Tighten physical security as appropriate (close access gates; deploy campus supervisors to grounds, etc.)
- 8. 8. Allow no visitors beyond office without administrator approval. Enforce I.D. badge use.
- 9. 9.Call 9-1-1 if any suspicions are aroused.

Electric Utility Failure

When the lights go out:

- 1. Reassure the children that this is temporary and that the lights will come back on in an hour or so.
- 2. Tell students that they will be staying together as a class until power is restored. Since bells, intercoms, lights, and phones will be non-functional, it's best to avoid movement of students as much as possible. Keep them in their seats to the extent reasonable.
- 3. If your classroom has any windows allowing enough light to at least keep from bumping into things, you'll be staying put. If your room is pitch black, turn on your flashlight and consider moving in an orderly fashion to a room (MPR, etc.) where there is perhaps better ambient light. If your flashlight works well and has good batteries and the kids are calm, stay put.
- 4. Pre-designated teachers send their student runners to the office for communication purposes.
- 5. Since reading and paper work will be difficult or impossible, go to lecture or discussion mode. You may also be able to read aloud from a book.
- 6. Once classroom order is established, turn off all electrical equipment (computers, etc. but not refrigerators/freezers), and all but one bank of the light switches. This helps assure a safer power-up for your equipment and the utility company.
- 7. Once power is restored, power up your equipment one at a time and continue normal classroom activity. Since bell schedules may now be screwed up, await announcement from the principal regarding movement to the next scheduled class.
- 8. Do not at any time use charcoal, gas, or propane heating devices indoors, as they create a carbon monoxide poisoning risk and an obvious fire hazard.
- 9. If anyone arrives at your sight claiming to be from the power company, insist on seeing proper photo identification before allowing them access.

GUIDELINES FOR EVERYONE

Before, during and after an emergency, everyone must work together as a cohesive team, with a singleness of purpose. The safety and welfare of the students and staff is the purpose of readiness. Adhering to the following guidelines will assist you in this effort.

BEFORE

- 1. Be aware of and understand your assigned roles and responsibilities under the Emergency Procedures Plan for your site.
- 2. Develop and drill a home Emergency Procedures Plan.
- 3. Have a buddy system.
- 4. Follow instructions but have an ability to improvise, if necessary.

DURING AND AFTER

- 1. Make sure you are safe.
- 2. Assess the situation before taking action. Check those around you. Make sure your buddy is safe.
- 3. Remain calm. This will keep others calm.
- 4. Follow instructions.
- 5. Use common sense.
- 6. Communicate confidence in yourself.
- 7. Be alert. Watch for potential hazards. Guard yourself from things flying through the air.
- 8. Evaluate each situation and follow the plan in the best possible way. Improvise as necessary and appropriate.
- 9. Avoid "hot wires."
- 10. Don't use tap water or food until you are sure it is safe.
- 11. Consider using a chair to break out a window if doors are blocked. Watch for jagged edges.
- 12. Avoid rumors.
- 13. Recognize distortions are real and don't argue.
- 14. Be an active listener.

The SAFE after school program offers both academic enrichment and positive behavior support from the end of the school day until 6 p.m. each day school is in session.

Suspensions and Expulsions						
School	11-12	12-13	13-14			
Suspensions Rate	16.6	13.7	15.6			
Expulsions Rate	0.7	0.6	0.7			
District	11-12	12-13	13-14			
Suspensions Rate	8.5	6.9	7.3			
Expulsions Rate	0.3	0.3	0.2			
State	11-12	12-13	13-14			
Suspensions Rate	5.7	5.1	4.4			
Expulsions Rate	0.1	0.1	0.1			

^{*} The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

D. Other SARC Information

Types of Services Funded at Rancho Viejo Middle School

The SAFE after school program services students in grades one through eight from the time the dismissal bell rings until 6:00 PM. There are approximately 170 students enrolled in the program. The program is financed through State funds (Prop-49). The SAFE program also funds after school interventions targeting students who are scoring below proficiency on grade level standards.

Title

Provides additional support to students by providing additional counseling services, additional classroom supplies, and tutoring programs both before and after school.

EIA/LEP/ELAP

Provides smaller class sizes by providing funding for 6th period assignments. It also provides additional classroom supplies and programs.

Other programs being funded are: Music Programs, Athletic Programs, English 3D, Read 180/System 44, AVID

OTHER PROGRAMS

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

MAA (Medicare Admin Activities) -- \$1,166 Site Lottery -- \$48,903 Title I -- \$247,875 Spec Ed Local Asst -- \$157,527 Medi-Cal Reimbursements -- \$739 ASES-After School Program -- \$66,903 Special Education -- \$773,382 EIA-SCE-- \$48,345 EIA-LEP -- \$7,589 Common Core State Standards -- \$102,000 Other Local -- \$750

Professional Development provided for Teachers at Rancho Viejo Middle School

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs. During the last three years (2011-2015), over 650 days of professional training has been provided through the Hemet Unified School District Professional Development Academy. The training provided through the Academy allows teachers, administrators and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

Since the adoption of the Common Core Standards, the primary focus of the Professional Development Academy has been on the implementation and support of California Common Core Standards in English Language Arts and Mathematics. Thirteen Academic Coaches provide ongoing support and training in the skillful delivery of the newly adopted standards. Additionally, the Academic Coaches provide a variety of district and site based trainings based on data. Achievement data is used to determine site support and priorities for professional development opportunities. The PDA also supports our new teachers through our Center for Teacher Innovation (CTI) Induction Program.

Administrators and Teachers are provided specific professional development to implement and support new and on-going instructional programs. Professional development is delivered through trainings on-site, at the District Professional Development Academy, and conferences. As new initiatives and instructional programs are implemented, Academic Coaches assigned to specific sites offer coaching support and additional training.
