### School Description

Cawston Elementary School is a Kindergarten through Grade 5 public elementary school enjoying its 11th year of providing high-quality education to young people. Cawston Elementary is also home to a preschool - Grade 5 Specialized Academic Instruction program for students with Autism. This year, Cawston Elementary has the privilege of serving approximately 850 students. Cawston believes student achievement will be attained when we promote and sustain a respectful, responsible and safe learning environment where all students can grow.

Cawston Elementary encourages creativity, innovative thinking, cooperative problem solving and a strong commitment to citizenship and academic excellence. The unique potential and self-esteem of individual students is valued and nurtured. This comprehensive approach to education prepares our students for success throughout their academic career as well as preparing them to become productive and active citizens within our community.

Students Achieving in Fun Environments (SAFE), an after school program serves approximately 100 of our students. The SAFE program provides students in first through fifth grade extended learning opportunities and positive behavior support from school dismissal until 6:00 P.M. SAFE provides access to homework assistance, extended learning opportunities in math and language arts, and a standards-based physical education program.

At Cawston Elementary, promotes global citizenship! The school focuses on building a school culture and climate that considers all stakeholders members of the Cawston Family. A safe school environment that fosters a climate of respect, responsibility and safety is the base for our Positive Behavior Support Plan. The standards for behavior are clear to faculty, students and parents. All members of the Cawston community reinforce these behavior expectations. We believe that positive behavior should be modeled, reinforced and practiced by all members of our site.

The Parent Teacher Association (PTA), Action Team for Partnerships (ATP) and English Learner Parent Advisory Committee of Cawston Elementary coordinate a variety of family events and activities throughout the school year. In addition, our amazing PTA regularly contributes to our classroom teachers by providing resources for annual projects that works to better our school.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, including English learners kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/6/16 that each pupil in the district, including English learners in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

### School Facility Conditions and Planned Improvements (Most Recent Year)

Cawston Elementary School is located on the west side of Hemet in a beautiful facility consisting of one permanent building and sixteen re-locatable classrooms. At the heart of our school is our library. Accessible in each of our 3 indoor "pods" are 20-30 computers available for student use. Re-locatable classrooms each have 3 desktop computers and all classrooms have an additional 7 laptops. Every classroom has adequate space and materials needed to ensure student success in all core subjects.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Students with Disabilities	20	19	95.0	52.6

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### Opportunities for Parental Involvement (School Year 2016-17)

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. These opportunities include, Parent Project® (secondary), Parent Project Jr.® (elementary), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI).

Opportunities for parent involvement at Cawston Elementary are available and we appreciate and welcome family members to take an active part in our educational and social activities. We have a wonderful PTA and are always looking for new recruits. Whether you wish to be a regular volunteer at school, enjoy chaperoning field trips, like to help out at special events or are willing to donate supplies, you can make a difference!

SAFE after school program offers both academic enrichment and positive behavior support from the end of the school day until 6pm each day school is in session.

We also have a School Site Council, Action Team for Partnerships, and English Learner Advisory Committee. These require parent members to advise and assist us in putting together our school plans. If you are interested in getting involved with any of these groups or you would like to volunteer, please call our office manager, Donna Arias at (951) 765-0277 ext. 201.

#### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan

- (1) Assessment of the current status of school crime committed on school campuses and at school-related functions.
- (2) Includes strategies and programs that provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:
  - (A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.
  - (B) Disaster procedures, routine and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.).
  - (C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.
  - (D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.
  - (E) A discrimination and harassment policy consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.

- (F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing “gang-related apparel,” if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define “gang-related apparel.” The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, “gang-related apparel” shall not be considered a protected form of speech pursuant to Section 48950.
- (G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.
- (H) A safe and orderly environment conducive to learning at the school.
- (I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.
- (J) Schoolsite council or school safety planning committee, develops and updates the comprehensive school safety plan, shall, where practical, consult, cooperate, and coordinate with other schoolsite councils or school safety planning committees.
- (K) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.
- (L) As comprehensive school safety plans are reviewed and updated and includes policies and procedures aimed at the prevention of bullying.
- (M) The comprehensive school safety plan, written and updated by the schoolsite council or school safety planning committee on (1/25/16) and was submitted to the District for approval pursuant to subdivision (a) of Section 32288 on (2/2/16).

**Professional Development provided for Teachers**

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided through the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The focus of the Professional Development Academy has been on the implementation, support, and instructional improvement of California State Standards. The district's Educational Department, including Academic Coaches provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the Academic Coaches provide a variety of district and site based trainings based on data, principal feedback and, teacher survey results. Achievement data is used to determine site support and priorities for professional development opportunities. Teachers are provided with multiple opportunities throughout the school year and during the summer to participate in trainings. The PDA also supports our new teachers through our Center for Teacher Innovation (CTI) Induction Program and provides intensive coaching to support them in their new teaching assignment.

### **Types of Services Funded**

The SAFE after school program services students in grades one through eight from the time the dismissal bell rings until 6:00 PM. There are approximately 123 students enrolled in the program. The program is financed through State funds (Prop-49). The SAFE program also funds after school interventions targeting students who are scoring below proficiency on grade level standards.

Other programs that are funded are: Pathfinder, Elementary Counselors, ST Math, Compass Learning, Imagine Learning, Reading Learning Dynamics.

### **OTHER PROGRAMS**

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

LCAP Supplemental Initiatives -- \$99,965  
Supplemental/Concentration -- \$33,165  
Site Lottery -- \$22,080  
Title I -- \$126,546  
Spec Ed Local Asst -- \$67,849  
ASES-After School Program -- \$105,943

### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
