Mission Statement

Hemet High School provides all students with a quality comprehensive education that incorporates a standards-based curriculum through a variety of learning experiences that prepare students to be productive caring citizens in a changing world.

School Goals

- Reading, Writing, and Communication Skills
- Ethical, Honest, and Healthy Behavior
- Applied Knowledge and Reasoning Skills
- Lifelong Learners

School Profile

Hemet High is a premier high school in Riverside County. Academic programs and extracurricular activities are comprehensive, meeting the needs of a variety of students. Enriched coursework includes honors, advanced placement courses, articulated junior college courses, an outstanding freshman transition program and dedicated staff. Our extracurricular programs are showcased by a strong Academic Decathlon Program, which placed first or second in Riverside County for the last 17 years, Mock Trial, sports programs and school supported clubs. The vocal, instrumental, dance and cheer programs at Hemet High are nationally known and form a Performing Arts program open by audition. Hemet is proud to have a strong Vocational Education Program that provides courses on our campus, these include: Automotive Technology, Retail Sales and Merchandising, Culinary Arts and Sports Medicine/Athletic Training. Hemet High has a very active agriculture program and a distinguished AFJROTC unit. Our auto shop is AYES and NATEF certified and has many auto dealers as partners. Project Lead the Way, an Engineering Program is in its third year. All freshman participate in our BARR program, Building Assets Reducing Risks. The program is centered around developing assets in students. The goal is to support freshman as they transition into high school. We are recognized as a National Demonstration school for the BARR program. Hemet High School has been has received numerous CIF awards including the CIF Commissioner's Cup identifying the Girl's Athletic Program the number one ranked Girl's Athletic program in CIF Southern Section, CIF Champions of Character and 7 CIF Championships. Our school is a California Gold Ribbon School and California High Achieving Title One School.

The staff at Hemet High is unsurpassed in its experience and dedication. They are community members who take great pride in the achievements of their students, offering each one of them tremendous support. Hemet High is committed to providing its students the tools they need to be successful citizens in the 21st Century. With a strong sense of past and a forward outlook, it is an outstanding school.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, including English learners kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/6/16 that each pupil in the district, including English learners in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

School Facility Conditions and Planned Improvements (Most Recent Year)

Hemet High School opened its doors in 1972 and additions were made in 1987. Modernization was initially done in 2003. In 2008, a state of the art athletic facility with pool, weight room, stadium with synthetic turf was added to the existing site. Newly added and redesigned counseling and administrative offices were opened in June 2010. The 2013 school year began with the opening of a Performing Arts Complex, a two-story classroom building with 5 state of the art science labs and 7 classrooms, a two-story classroom with 34 classrooms including Special Education Suites. In 2014 the gymnasium was remodeled. Additional structures include food kiosks, Student Store and lunch structures. The agriculture area, gymnasium, welding and automotive rooms were remodeled recently. Hemet High School facility promotes teaching and learning. Every classroom has adequate space and all the materials needed to ensure student success.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Students with Disabilities	11	78	72	92.3	16.7

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Hemet High School is proud to provide a Parent Resource Center staffed with a full-time Bilingual Parent Liaison to assist parents in accessing school resources. The center provides parent training on a wide variety of topics from suicide prevention and awareness, internet safety to college planning and financial aide. Parents may also visit the Parent Resource Center to check our Chrome Books for home use. Additionally, Hemet High School will host Parent Project® in January 2017, open to all parents of Hemet High School and it's feeder elementary and middle schools.

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. These opportunities include, Parent Project® (secondary), Parent Project Jr.® (elementary), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), and a district-wide PTA/ELAC community event, named, "Hemet Posada," and the District Curriculum Council. Hemet high school has a bilingual parent liaison who is available everyday for questions and sets up parent nights during the year.

The site addresses the six areas of parent involvement through their comprehensive school plan. Parents may also be involved in: School Site Council; English Learner Advisory Council; Performing Arts Parent Club; Athletic Parent Clubs; and Grad Nite (Parents). We also seek parents to chaperone our many events and field trips. For more information, contact the site Principal, Dr. Emily Shaw at (951) 765-5150.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

- (1) Assessment of the current status of school crime committed on school campuses and at school-related functions.
- (2) Includes strategies and programs that provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:
 - (A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.
 - (B) Disaster procedures, routine and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.).
 - (C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.
 - (D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.
 - (E) A discrimination and harassment policy consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.
 - (F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel," if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define "gang-related apparel." The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, "gang-related apparel" shall not be considered a protected form of speech pursuant to Section 48950.
 - (G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.
 - (H) A safe and orderly environment conducive to learning at the school.
 - (I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.
 - (J) Schoolsite council or school safety planning committee, develops and updates the comprehensive school safety plan, shall, where practical, consult, cooperate, and coordinate with other schoolsite councils or school safety planning committees.
 - (K) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.
 - (L) As comprehensive school safety plans are reviewed and updated and includes policies and procedures aimed at the prevention of bullying.
 - (M) The comprehensive school safety plan, written and updated by the schoolsite council or school safety planning committee on (2/4/16) and was submitted to the District for approval pursuant to subdivision (a) of Section 32288 on (2/5/16).

Professional Development provided for Teachers

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided through the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The focus of the Professional Development Academy has been on the implementation, support, and instructional improvement of California State Standards. The district's Educational Department, including Academic Coaches provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the Academic Coaches provide a variety of district and site based trainings based on data, principal feedback and, teacher survey results. Achievement data is used to determine site support and priorities for professional development opportunities. Teachers are provided with multiple opportunities throughout the school year and during the summer to participate in trainings. The PDA also supports our new teachers through our Center for Teacher Innovation (CTI) Induction Program and provides intensive coaching to support them in their new teaching assignment.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
