School Mission Statement
All students at Jacob Wiens Elementary School will achieve their individual learning objectives and be self-motivated learners. Students will become socially responsible and develop positive character values.

At Jacob Wiens Elemententary School, our staff serves as advocates for ALL students by utilizing all available resources, providing exemplary role models, implementing innovative strategies that promote learning as well as maintaining high academic and behavioral expectations. Our teachers utilize the Data Team Process to analyze student data, design interventions and develop SMART goals.

## School Vision Statement

## EDUCATE EMPOWER EXCITE

At Jacob Wiens, we exist to EDUCATE, EMPOWER and EXCITE our student!. Our faculty is committed to teamwork, teaching to the standards, working with parents as well as the local community. They aggressively pursue new educational methodologies to enhance their teaching expertise. All staff members are fully credentialed teachers. Through the school's staff and its patrons, Jacob Wiens Elementary School strives to maintain a positive learning environment in which the successful efforts of its students are both cherished and celebrated.

## School Profile

Currently, Jacob Wiens has 36 classrooms. Thirty-one classrooms are general education classes in grades K through 5 and two classrooms are SDC classes and one offers Resource support. Jacob Wiens is also fortunate to have two Reading Specialist in classrooms working with students in grades 1-2. To effectively maintain our high teacher expectations as well as continually strive to exceed them, our staff at Jacob Wiens, is a PLC (Professional Learning Community). As a PLC, our teachers are engaged in the key curriculum and decision-making process with the goal of making sure students are learning rather than just being taught. As a PLC, we are aggressive in seeking large improvements in student achievement and we ground our work in formative and summative data.

We are excited to begin our journey towards AVID Elementary Certification. AVID stands for Advancement Via Individual Determination. AVID has proven time and time again that, when given a system of rigorous curriculum and strategic support, students can be academically successful. AVID Elementary is a foundational component of the AVID College Readiness System and supports AVID's mission and vision to provide a comprehensive model of success for all students, from elementary through higher education. Here at Jacob Wiens all students receive AVID instructional strategies that are embedded into their daily instruction. The instructional strategies are referred to as WICOR strategies (Writing, Inquiry, Collaboration, Organization and Reading). AVID elementary also offers resources to all parents in the grade level.

In addition to AVID, Jacob Wiens is also a PBIS school site. PBIS stands for Positive Behavioral Interventions and Supports. It is a a schoolwide positive behavioral intervention and support discipline plan where the approach is to proactively prevent or reduce challenging behaviors and produce positive outcomes. PBIS works much like reading and math, behavior can be taught. PBIS seeks to create positive environments by utilizing proactive strategies such as introducing, defining, modeling, teaching, and supporting positive behavioral expectations school-wide and then reinforcing and rewarding students for these positive social behaviors. It is also about creating positive school environments so that all children feel safe and can learn.

Jacob Wiens is a Title-I School. Title I funds help to provide intervention programs for students who are not meeting their grade level standards. Title I funds have also been used to provide after-school intervention programs in reading, writing, math and English language development. The school has a P.T.A. to support the school's programs and students. An Enrichment Program is offered to students who have been designated as "Gifted and Talented". An English Language Advisory Committee (ELAC) is a parental organization we have in place to provide a forum for the parents of English Language Learning students to voice their opinions and concerns regarding the educational needs of their children. During the school year a Latino Literacy Program is offered for Spanish speaking parents to learn English as well as become acclimated to the school's environment. The school's staff has also been trained in using GLAD teaching strategies and Differientiated Instruction through Universal Design training that are designed to assist non English speaking students and struggling students.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)
A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, including English learners kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8 ." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/6/16 that each pupil in the district, including English learners in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

## School Facility Conditions and Planned Improvements (Most Recent Year)

Jacob Wiens Elementary School provides a safe, clean environment for learning. Our site has large administrative offices, a library, a multipurpose room, and a disaster shed containing disaster supplies along with a large playground and playing field. Every classroom has adequate space and all the materials needed to ensure student success.

All of the Jacob Wiens' classrooms have a minimum of one computer per room that is connected to the Internet plus a cart on wheels with 7 wireless lap top computers for student use. There are also banks of computers along both sides of the each of the three major classroom wings of the classrooms, as well as a separate computer lab adjacent to the MPR. These computers assist teachers in ensuring that our students are computer literate as well as facilitate the implementation of computer based programs such as Odyssey and the MIND Institute.

There are also several computer terminals in the library for use with our computerized card catalog, student book check out, as well as providing further terminals for our computer based programs such as Odyssey, MIND, Accelerated Reader and SuccessMaker.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

## Opportunities for Parental Involvement (School Year 2016-17)

Parent involvement opportunities are available to all parents at our school through our PTA, ATP, ELAC and SSC. These groups offer parents an opportunity to work collaboratively with the school to reach our goal of producing students who are high achievers, possess a love for learning and who are productive and caring citizens. These offerings are available in both English and Spanish. These opportunities include, Parent Project ${ }^{\circledR}$ (secondary), Parent Project Jr. ${ }^{\otimes}$ (elementary), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), and a district-wide PTA/ELAC community event, named, "CultureFest!," and the District Curriculum Council. Our parents will also participate in the SMART program which offers a seven-session parent academy that educates and empowers parents. Topics include understanding the education system, communicating effectively, advocating for a quality education, and the importance of parent involvement. The site addresses the six areas of parent involvement through their comprehensive school plan. For more information contact the Principal, Dana Childs-Mazzei at (951) 929-3734 or visit the Jacob Wiens website.

## State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## School Safety Plan

(1) Assessment of the current status of school crime committed on school campuses and at school-related functions.
(2) Includes strategies and programs that provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:
(A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.
(B) Disaster procedures, routine and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 ( 42 U.S.C. Sec. 12101 et seq.).
(C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other schooldesignated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.
(D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.
(E) A discrimination and harassment policy consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.
(F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel," if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define "gang-related apparel." The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any schoolsponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, "gang-related apparel" shall not be considered a protected form of speech pursuant to Section 48950.
(G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.
(H) A safe and orderly environment conducive to learning at the school.
(I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.

## Professional Development provided for Teachers

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided through the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The focus of the Professional Development Academy has been on the implementation, support, and instructional improvement of California State Standards. The district's Educational Department, including Academic Coaches provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the Academic Coaches provide a variety of district and site based trainings based on data, principal feedback and, teacher survey results. Achievement data is used to determine site support and priorities for professional development opportunities. Teachers are provided with multiple opportunities throughout the school year and during the summer to participate in trainings. The PDA also supports our new teachers through our Center for Teacher Innovation (CTI) Induction Program and provides intensive coaching to support them in their new teaching assignment.

## Types of Services Funded

The SAFE after school program services students in grades one through eight from the time the dismissal bell rings until 6:00 PM. There are approximately 105 students enrolled in the program. The program is financed through State funds (Prop-49). The SAFE program also funds after school interventions targeting students who are scoring below proficiency on grade level standards.

Other programs that are funded are: Pathfinder, Elementary Counselors, ST Math, Compass Learning, Imagine Learning, Reading Learning Dynamics.

## OTHER PROGRAMS

To help ensure a quality education for all students, state and federal funding is provided for the following special programs to supplement the core instructional program provided by the school district:

LCAP Supplemental Initiatives -- \$85,706
Supplemental/Concentration -- \$29,347
AVID -LCAP--\$9,929
Site Lottery -- \$16,667
Title I -- \$134,683
Spec Ed Federal Local Asst -- \$87,022
ASES-After School Program -- \$51,388
Special Education State/Local -- \$361,540

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
