School Description

Mission Statement

Whittier Elementary School's purpose is to help all students learn academically and socially—to ensure that in every grade all students acquire the knowledge, skills, and dispositions deemed essential to their success.

Vision Statement

In order to fulfill the fundamental purpose of helping all our students learn at high levels, we are dedicated to creating a school in which...

*Every teacher, parent, and student is clear on the academic and social learning expectations.

*We will know when students have met learning expectations by utilizing common assessments. When

students have not met learning expectations, the school will have a collaborative form of successful intervention in place.

- *There is a climate of high expectations for student success, and staff members communicate their high expectations to students, parents, and one another.
- *A collaborative culture ensures staff members work together interdependently to better meet the needs of their students and to analyze and improve their professional practice.
- *All children are validated and valued as a person, encouraged, inspired and given every opportunity to reach their potential in a safe and nurturing environment.
- *All students are actively engaged in learning.
- *Excitement permeates our campus!

Principal's Message

Whittier Elementary School is dedicated to the development of the whole child, providing a solid foundation that stimulates thought, wonder, and a life-long passion for learning. Students, staff, parents, and the Whittier community share the responsibility of creating a positive environment that empowers all students to reach their fullest potential in all core areas as well as citizenship and character development.

School Profile

Whittier Elementary is located in sunny Hemet, California. One might imagine our mascot, the wildcat, roaming the San Jasinto valley and Santa Rosa hillsides. The wildcat''s clowder approach is symbolic of that formed by teachers, staff, and parents that surround each student here at Whittier. Though successful on their own, wildcats are even stronger and more powerful when working as a group. Like all wildcats, they travel the wide open valleys, mountains and plains of the world bound by few limits. Wildcats can travel the open topography of their choosing and make their home at any corner of the earth. This mobility is exactly the kind of power teachers at Whittier Elementary wish to give their students. Whittier students hail from many parts of the globe. The teachers' task is to impart essential skills to empower the children and keep all options and pathways open. The objective is to put the world within the children's reach. Our school opened in 1964 and presently serves 825 students in grades TK-5. Pounce on by and observe our "Wildcat" pride!

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/5/17 that each pupil in the district, including English learners, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

School Facility Conditions and Planned Improvements (Most Recent Year)

Whittier Elementary School provides a safe and clean environment for learning. The school, built in 1966 on 10.87 acres, currently has 21 permanent rooms and 25 portable classrooms, an office complex, multipurpose room with kitchen, library, computer room, teacher workroom and lounge, three playground areas, and an outdoor eating area. The campus is fenced and gated.

The administrative staff consists of 1 principal and 1 assistant principal. Certificated staff consists of 36 regular classroom teachers, 1 speech therapist, 4 special education teachers, and 3 physical education teachers. One library technician maintains the library. Twenty five classified staff provide services to students and staff in the office, classrooms, and on the playgrounds.

Our site was inspected as required by the Williams Legislation for the 2017-18 academic school year and received a exemplary rating.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

^{*} Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parent involvement opportunities are available to all parents. These offerings are available in both English and Spanish. Parent involvement opportunities include, District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), PTA School SMARTS, Parent/Teacher Organization (PTO), English Language Advisory Committee (ELAC) and Local Control Accountability Plan (LCAP).

The site addresses all areas of parent involvement through the PTO, ELAC, School Site Council meetings, Single Plan For Student Achievement, and classroom volunteers. For more information, contact the site Principal, (951) 765-1650.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Safety Plan was developed by the School Site Council in cooperation with local law enforcement and other school site councils in order.

to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the

Comprehensive School Site Safety Plan include the following:

(1) Assessment of the current status of school crime committed on school campuses and at school-related functions.

- (2) Includes strategies and programs that provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:
- (A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.
- (B) Disaster procedures, routine and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.).
- (C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.
- (D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.
- (E) A discrimination and harassment policy consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.
- (F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel," if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define "gang-related apparel." The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, "gang-related apparel" shall not be considered a protected form of speech pursuant to Section 48950.
- (G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.
- (H) A safe and orderly environment conducive to learning at the school.
- (I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.
- (J) Schoolsite council or school safety planning committee, develops and updates the comprehensive school safety plan, shall, where practical, consult, cooperate, and coordinate with other schoolsite councils or school safety planning committees.
- (K) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.
- (L) As comprehensive school safety plans are reviewed and updated and includes policies and procedures aimed at the prevention of bullying.
- (M) The comprehensive school safety plan, written and updated by the School Site Council or School Safety Planning Committee on (11/28/17) and was submitted to the District for approval pursuant to subdivision (a) of Section 32288 on (2/23/17).

Professional Development provided for Teachers

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided by the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The focus of the Professional Development Academy has been on the implementation, support, and instructional improvement of California State Standards. The district's Educational Department, including Teachers On Special Assignment (TOSA) provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the TOSAs provide a variety of district and site-based trainings based on data, principal feedback and, teacher survey results. Achievement data is used to determine site support and priorities for professional development opportunities. Teachers are provided with multiple opportunities throughout the school year and during the summer to participate in trainings. The PDA also supports our new teachers through our Center for Teacher Innovation (CTI) Induction Program and provides intensive coaching to support them in their new teaching assignment. Additionally, the TOSAs are now support the ten site-based Instructional Coaches that are located a various elementary and middle schools across the district.

During the 2016-2017 and 2017-2018 school year, HUSD has two non-student days that are for the purpose of professional development for all staff. A summer 3-day new teacher academy was offered in the 2017-2018 school year, for all new the HUSD teachers. Additionally, a new elementary math curriculum (Eureka Math) was adopted and teachers were provided two days of training during the summer.

Types of Services Funded

The SAFE after school program services students in grades one through eight from the time the dismissal bell rings until 6:00 PM. There are approximately 183 students enrolled in the program. The program is financed through State funds (Prop-49). The SAFE program also funds after school interventions targeting students who are scoring below proficiency on grade level standards.

Other programs that are funded are: 5th Grade Overnight, Elementary Counselors, Compass Learning, Imagine Learning, Reading Learning Dynamics.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
