School Description

Alessandro High School's Mission Statement:

Alessandro High School provides a variety of alternative educational experiences, helping at risk students achieve high academic and social success while preparing for college and career goals.

Alessandro High School's Vision Statement:

Alessandro High School is committed to building personal connections with students while providing the academic means and career pathways to become lifelong learners and productive citizens.

Schoolwide Learner Outcomes "D.R.E.A.M."

- DO IT! Students will complete state and local graduation requirements.
- RESPONSIBLE BEHAVIOR Students will learn responsible behavior.
- ESTEEM Students will enhance self esteem and self understanding.
- ACADEMIC PLAN Students will learn standards based academic skills.
- MULTICULTURAL AWARENESS Students will develop cultural awareness and understanding.

School Profile

Located on the Santa Fe Education Center, Alessandro High School is the Hemet Unified School District's only continuation school with an enrollment at any given time of 380 students. Alessandro High School provides teacher-directed instruction and computer-based learning in a blended learning program for a high school diploma and a preparation program for the high school equivalency. This school services students age 16 and older who are in eleventh or twelfth grade and are still subject to compulsory education to complete the requirements necessary for graduation. Enrollment is open entry, open exit for both programs; meaning that new students start every other week and other students may move to more appropriate programs, or upon completion of requirements, graduate. Alessandro graduates still say the staff's caring attitude and one-on-one attention are traits they value most about their high school.

Alessandro High School has been fully accredited by the Western Association of Schools and Colleges since 1985 and was named by the State of California as a "California Model Continuation School" in 2007 and again in 2017. The staff at Alessandro High School consists of 1.8 clerical, one custodian, eighteen teachers, one aide, 2.6 campus supervisors; one health tech and one library technician, one academic counselor, one 0.6 social worker, one 0.5 assistant principal, and one 0.5 principal.

Principal's Message

I am honored to serve as a principal of Alessandro High School. Students attending this programs will quickly come to know that they have options and hope for their education. Our dedicated staff strives to provide a quality education to each individual student which will prepare them for further educational or career goals. It is our mission in the Twenty-first Century, to provide the necessary education which will transition into successful career opportunities for every student.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/4/18 that each pupil in the district, including English learners, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

School Facility Conditions and Planned Improvements (Most Recent Year)

The Santa Fe Education Center was created in 2011. Facilities designed for Alessandro include 10 permanent classrooms, six relocatable classrooms, a permanent administration building, a permanent food services building with adjacent multi-purpose room that seats 250. Currently, the Adult Education program share the same facilities as Alessandro. The Accelerated Core Education (ACE) programs utilize three permanent classrooms and share the other larger facilities. A gymnasium and outdoor facilities are available for use by the Physical Education classes.

Alessandro High School is one of four educational option programs sharing the facilities at the Santa Fe Education Center.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Name of Person to Contact: Tara O'Malley

Phone Number: (951) 765-5182

All parents of Alessandro students are required to attend an orientation meeting prior to their student's attendance at Alessandro High School. Parents are advised of the many opportunities they will have to become involved in their student's education. School-wide meetings are conducted every semester so parents can meet with their student's advisor, discuss their student's academic progress and review their most current graduation plan. In addition, parents/guardians of Alessandro students are encouraged to join the School Site Advisory Council. Through this council, parents/guardians will become involved in ongoing planning, review, and improvements at Alessandro. The Title I committee, a sub committee of the Advisory Committee, provide Title I parents with the opportunity to become involved in the operational decisions pertaining to their Title I students academic improvement. The English Language Advisory Committee, ELAC, provides parents/guardians of English Learning students the opportunity to be part of the decision-making committee to ensure students are making academic progress and will be prepared to be successful post graduation. The school's PBIS (Positive Behavior Intervention Support) Committee provides a way for parents/guardians to have a direct impact on the climate of the entire campus. The school's attendance staff and counselor consistently confer with parents about attendance issues and utilize parent conferences to inform parents of academic progress. The principal has an open door policy and invite parents to visit the school at their convenience.

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. These opportunities include, Parent Project® (secondary), Parent Project Jr.® (elementary), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), and a district-wide PTA/ELAC community event, named the "Family Festival," and the District Curriculum Council.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

(1) Assessment of the current status of school crime committed on school campuses and at school-related functions.

(2) Includes strategies and programs that provide or maintain a high level of school safety and address the school’s procedures for complying with existing laws related to school safety, which shall include the development of all of the following:

(A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.

(B) Disaster procedures, routine and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.).

(C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.

(D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.

(E) A discrimination and harassment policy consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.

(F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing “gang-related apparel,” if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define “gang-related apparel.” The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, “gang-related apparel” shall not be considered a protected form of speech pursuant to Section 48950.

(G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.

(H) A safe and orderly environment conducive to learning at the school.

(I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.

(J) Schoolsite council or school safety planning committee, develops and updates the comprehensive school safety plan, shall, where practical, consult, cooperate, and coordinate with other schoolsite councils or school safety planning committees.

(K) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.

(L) As comprehensive school safety plans are reviewed and updated and includes policies and procedures aimed at the prevention of bullying.

(M) The comprehensive school safety plan, written and updated by the schoolsite council or school safety planning committee on (5/3/17) and was submitted to the District for approval pursuant to subdivision (a) of Section 32288 on (3/2/16).

Professional Development provided for Teachers

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided by the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The primary focus of the Professional Development Academy is supporting instruction of California State Standards and the new curriculum adoptions that have taken place during the past few years. The district's Educational Services Department, including Teachers On Special Assignment (TOSA), provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the TOSAs provide a variety of district and site-based trainings based on data, principal feedback and, teacher survey results.

The PDA also supports new teachers through our Center for Teacher Innovation (CTI) Induction Program, which provides intensive coaching and support in the inquiry process. Additionally, the TOSAs now support the ten site-based Instructional Coaches, located at designated elementary and middle schools across the district. A new teacher academy is offered for all new the HUSD teachers during the summer, and all elementary classroom teachers participated in training in the new ELA adoption (Benchmark Advanced), and our secondary Math teachers also participated in training for the newly adopted secondary math curriculum.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
