School Description

Helen Hunt Jackson College Prep High School offers a grade 9-12 high school program and is committed to providing a high quality, yet flexible, standards based blended learning opportunity for our students. Instruction is available via independent study, seat based, online, or any combination of models. We provide common core curriculum and instructional guidance to students and families who are looking for options and want to customize a learning plan that works for them. Helen Hunt Jackson is a fully accredited high school within the Hemet Unified School District and follows the same school year calendar as the district.

The mission of Helen Hunt Jackson College Prep High School is to prepare its diverse student body to be contributing members of a changing local and global society. It is our goal to help our students earn a high school diploma, be college or career ready, and have a plan for the future. Our program welcomes all students who are self-motivated and want choices in how they are going to achieve their high school diploma. Students can create their own unique school schedule similar to a college campus. A student might take seat based classes, such as Chemistry and Geometry, and then complete their other classes through independent study or even online. Successful students can choose to earn additional credits per semester by taking extra classes, Career & Technical Education, or Community Service. Students may also enroll concurrently in their local high school to participate in band, theater, or sports programs. Our program has a full offering of courses to meet HUSD graduation requirements as well as CSU/UC "A-G" requirements for admission to a four-year university. At Helen Hunt Jackson, students can design their own customized educational program.

Helen Hunt Jackson serves students whose education needs are not met in a traditional high school program. Students come to us for a wide variety of reasons, such as wanting personalized instruction, a small school environment, or a flexible schedule. Students may have medical, transportation, or time commitment issues. We are a one stop solution for home school families and affords the gift of time and flexibility that doesn't exist in a traditional setting. We accept inter-district transfers within Riverside and other contiguous counties.

Helen Hunt Jackson College Prep High School is located at 26400 Dartmouth St., Hemet, California and shares the campus with Family Tree Learning Center, a K-8 independent study program.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board. Sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/4/18 that each pupil in the district, including English learners, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

School Facility Conditions and Planned Improvements (Most Recent Year)

The facility consists of 23 classrooms, a library, and an office complex. The classrooms are spacious and conducive to individual appointments as well as large group meetings, activities, or seminars. Classrooms are decorated with academic and motivational materials creating a pleasant and positive learning environment. Some rooms have two teacher stations for individual appointments. Other classrooms are labs. Every classroom has adequate space and all the materials needed to ensure student success. It is modern, attractive and clean. The students have access to clean restrooms nearby their classrooms. The campus is gated and secure. The school also has one full time and one six hour campus supervisor who oversees student safety.

Helen Hunt Jackson Alternative School shares the campus with Family Tree Learning Center and the College Prep High School. There is one full time custodian.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	23.0	42.0	36.0	36.0	48.0	50.0
Math	7.0	5.0	23.0	22.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

Home and school communication is the key to success for our students. Our parents and teachers continually collaborate to support and fine tune each student's educational journey. In addition to this collaboration, Helen Hunt Jackson has a Parent Teacher Student Organization (PTSO) that fundraises and coordinates extracurricular school events. We want to encourage participation above and beyond the basic curriculum to give our students a quality learning experience. Parents are also invited to get involved with school and district level decision making groups such as Curriculum Council, School Site Council, and the Parents' Advisory Group.

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. These opportunities include, Parent Project® (secondary), Parent Project Jr.® (elementary), District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), and the District Curriculum Council.

We also have parents who volunteer to serve as resources for our students and for each other. For more information, contact the site Principal Frank Green at (951) 765-5193.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

- (1) Assessment of the current status of school crime committed on school campuses and at school-related functions.
- (2) Includes strategies and programs that provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:
 - (A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.

(B) Disaster procedures, routine and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.).

(C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.

(D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.

(E) A discrimination and harassment policy consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.

(F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel," if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define "gang-related apparel." The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, "gang-related apparel" shall not be considered a protected form of speech pursuant to Section 48950.

(G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.

(H) A safe and orderly environment conducive to learning at the school.

(I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.

(J) Schoolsite council or school safety planning committee, develops and updates the comprehensive school safety plan, shall, where practical, consult, cooperate, and coordinate with other schoolsite councils or school safety planning committees.

(K) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.

(L) As comprehensive school safety plans are reviewed and updated and includes policies and procedures aimed at the prevention of bullying.

(M) The comprehensive school safety plan, written and updated by the schoolsite council or school safety planning committee on (2/29/16) and was submitted to the District for approval pursuant to subdivision (a) of Section 32288 on (2/29/16).

Professional Development provided for Teachers

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided by the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The primary focus of the Professional Development Academy is supporting instruction of California State Standards and the new curriculum adoptions that have taken place during the past few years. The district's Educational Services Department, including Teachers On Special Assignment (TOSA), provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the TOSAs provide a variety of district and site-based trainings based on data, principal feedback and, teacher survey results.

The PDA also supports new teachers through our Center for Teacher Innovation (CTI) Induction Program, which provides intensive coaching and support in the inquiry process. Additionally, the TOSAs now support the ten site-based Instructional Coaches, located at designated elementary and middle schools across the district. A new teacher academy is offered for all new the HUSD teachers during the summer, and all elementary classroom teachers participated in training in the new ELA adoption (Benchmark Advanced), and our secondary Math teachers also participated in training for the newly adopted secondary math curriculum.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
