### **School Description**

### Principal's Message:

Dear Parents/Guardians/Community Members,

Welcome to Valle Vista Elementary School of Hemet Unified! We take great pride in our school and believe it is one of the finest elementary schools in the San Jacinto Valley. We have a very dedicated staff who believes that ALL children can learn. Various intervention and enrichment programs are offered throughout the year aimed at meeting the needs of all students. We offer an English Language Development program in grades TK-5. Students are prepared for the technology age by means of 1-1 technology for our upper grades and computers in every classroom. Each classroom is equipped with at least seven laptop and/or Chromebook computers for student learning, and more than half our classrooms have SmartBoard interactive whiteboards and/or promethium boards. Additionally, we offer our students access to computer-based enrichment and intervention programs for both at school and at home, such as Imagine Learning, Imagine Learning Math, ST Math, and Accelerated Reader.

We are looking forward to a very productive year in which all our Viking students are successful. Teachers and students work diligently with California State Standards-based curriculum and SmarterBalanced assessment programs. One of our goals this year is to continue to improve on our past successes and ensure a high level of achievement for all students. With our experienced staff and supportive parents, we believe that we can, not only accomplish our goals, but exceed them.

In order to support a safe and welcoming school environment, we practiced school-wide Positive Behavior Interventions and Supports, where we set explicit expectations for our students, teach necessary skills to meet those expectations, and positively reinforce when expectations are being met.

We encourage all parents to become active in their child's education. This can be accomplished through volunteering, attending parent-teacher conferences, open house, back to school night, and other evening events. Your involvement is critical in the success of your child. I look forward to meeting and working with our parents and community, and if you would ever like, please stop by the school, visit our school website at vallevista.hemetusd.org, send an email, or call us at (951) 927-0800.

Our Mission: Valle Vista's mission is to create a culture of universal achievement.

Our Vision: At Valle Vista Elementary, we envision a clean, safe, and respectful environment with happy, enthusiastic children who are supported both by involved families and highly qualified and engaged staff, in an effort to achieve common educational goals.

### **Our Core Values:**

- 1. We believe it is the student's, parent's, staff's, and community's responsibility to ensure every student, with appropriate support, becomes successful, lifelong learner.
- 2. We believe all students have the right to a safe, orderly, supportive and positive school environment
- 3. We believe in the power of collaboration among and between grade levels.

### **School Profile:**

This annual report describes Valle Vista Elementary as a school where staff, students and parents work together to foster high expectations and a commitment to academic excellence. Valle Vista Elementary prides itself on meeting the needs of all students with a vision towards preparing children to face the demands of the 21st century.

Valle Vista Elementary School is located in the eastern San Jacinto Valley and is part of the Hemet Unified School District. The community of Valle Vista is in the Hemet Post Office jurisdiction but represents a long established agricultural area of the valley, in transition to a more urbanized bedroom community for the city of Hemet. Valle Vista Elementary School is located at the corner of Fairview and Mayberry Avenues.

### **About the SARC**

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <a href="https://www.cde.ca.gov/fg/aa/lc/">https://www.cde.ca.gov/fg/aa/lc/</a>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/4/18 that each pupil in the district, including English learners, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

### School Facility Conditions and Planned Improvements (Most Recent Year)

Valle Vista Elementary School opened its doors in the fall of 1992. Valle Vista School currently houses nearly 730 students utilizing both permanent and relocatable classrooms on approximately 12 acres. Every classroom has adequate space and all the materials needed to ensure student success. The campus was repainted in the summer of 2017, with interior paint, exterior paint, and wall paper repairs made also. The main irrigation water supply was replaced and improved during the Winter of 2010. Valle Vista has a multi-purpose room and a library.

### **B. Pupil Outcomes**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
	Percent of Students Meeting or Exceeding the State Standa (grades 3-8 and 11)					Standards
Subject	Sch	ool	Dist	rict	State	
	16-17	17-18	16-17	17-18	16-17	17-18

Math	27.0	23.0	23.0	22.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### **State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

### C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

· Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2018-19)

Parent involvement opportunities are available to all parents at all schools. These offerings are available in both English and Spanish. These opportunities include Parent Project® (secondary), Parent Project Jr.® (elementary), District English Learner Advisory Committee (DELAC), English Learner Advisory Committee - site level (ELAC), District Advisory Committee (DAC), Parent Engagement Leadership Institute (PELI), Parent Institute for Quality Education (PIQE), ESL classes by Mt. San Jacinto Community College, Parent-Teacher Association (PTA), a district-wide PTA/ELAC community event, named, "Hemet Posada," and the District Curriculum Council.

This site addresses all areas of parent and community member involvement throughout the school year through various volunteer/participation activities; classroom volunteering, field trip volunteering, Vlking Readers (student reading intervention), movie nights, 100 Mile Club runs, Lunch on the Lawn, Viking run, Holiday shop, Dinner with Santa, Winter Ornament craft workshop, Valentine craft workshop, Book Fair, Daddy/Daughter dance, Mother/son dance, STEAM nights, AVID nights, Donuts with Dr. Ramirez, and a Volunteer Appreciation Tea. For more information, contact the site Principal, Christine Ramirez-Shows at (951) 927-0800.

### **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

- (1) Assessment of the current status of school crime committed on school campuses and at school-related functions.
- (2) Includes strategies and programs that provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:
- (A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.
- (B) Disaster procedures, routine and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.).
- (C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.
- (D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.
- (E) A discrimination and harassment policy consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.
- (F) The provisions of any school wide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel," if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define "gang-related apparel." The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A school wide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, "gang-related apparel" shall not be considered a protected form of speech pursuant to Section 48950.
- (G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.
- (H) A safe and orderly environment conducive to learning at the school.
- (I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.
- (J) School site council or school safety planning committee, develops and updates the comprehensive school safety plan, shall, where practical, consult, cooperate, and coordinate with other school site council and school safety planning committees.
- (K) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.
- (L) As comprehensive school safety plans are reviewed and updated and includes policies and procedures aimed at the prevention of bullying.
- (M) The comprehensive school safety plan, written and updated by the school site council or school safety planning committee on (2/8/16) and was submitted to the District for approval pursuant to subdivision (a) of Section 32288 on (2/11/16).

### **Professional Development provided for Teachers**

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided by the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The primary focus of the Professional Development Academy is supporting instruction of California State Standards and the new curriculum adoptions that have taken place during the past few years. The district's Educational Services Department, including Teachers On Special Assignment (TOSA), provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the TOSAs provide a variety of district and site-based trainings based on data, principal feedback and, teacher survey results.

The PDA also supports new teachers through our Center for Teacher Innovation (CTI) Induction Program, which provides intensive coaching and support in the inquiry process. Additionally, the TOSAs now support the ten site-based Instructional Coaches, located at designated elementary and middle schools across the district. A new teacher academy is offered for all new the HUSD teachers during the summer, and all elementary classroom teachers participated in training in the new ELA adoption (Benchmark Advanced), and our secondary Math teachers also participated in training for the newly adopted secondary math curriculum.

### **Types of Services Funded**

Every classroom is equipped with an LCD projector, Document Camera, and easel to allow greater use of the curricular materials. Some classrooms are additionally equipped with SmartBoard interactive whiteboards and/or promethium boards. After school interventions are funded with Title I categorical funds. This includes tutoring in core subjects as well as STEaM tutoring.

The SAFE after school program services students in grades one through five from the time the dismissal bell rings until 6:00 PM. There are approximately 120 students enrolled in the program at Valle Vista. The program is financed through State funds (Prop-49). The SAFE program also funds after school interventions targeting students who are scoring below proficiency on grade level standards.

Other programs that are funded are: an outdoor science camp, Elementary Counselors, ST Math, Compass Learning, Imagine Learning, Reading Learning Dynamics.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="https://dq.cde.ca.gov/dataquest/">https://dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
