Mission Statement

Dartmouth Middle School is committed to challenging, nurturing, and supporting all students in their academic, social, and emotional development in preparation for college and career.

School Profile

Founded in September 1994, Dartmouth Middle School currently serves sixth, seventh, and eighth grade students. Dartmouth Middle School is located east of the city of Hemet in the unincorporated section of Riverside County. Dartmouth serves as the feeder middle school for two elementary schools located in east Hemet.

Dartmouth was named an AVID Demonstration School in 2016 and a California Distinguished School in 2005. We have a knowledgeable staff of teachers who are experts at working with middle school students. We implement AVID (Advancement Via Individual Determination) and PBIS (Positive Behavior Interventions and Supports) strategies school-wide. Dartmouth is working hard to provide rigorous instruction to students in all content areas. Teachers use formative assessment to guide their work and instructional decisions they make on behalf of students. The Dartmouth staff recognizes that students benefit from all types of supports and is proud to offer academic interventions, behavior supports and a wide variety of social emotional aids.

We take great pride in our school and the achievement of students. The Dartmouth staff is committed to excellence and collaborates weekly in order to answer the questions Professional Learning Communities four big questions of, "What do we want our students to know? How will we know if they've learned it? What will we do when they have? What will we do when they haven't?" Additionally, Dartmouth is proud to offer a wide range of after school clubs and athletic opportunities, giving students many different options to get involved in shaping the culture and community of the school. Dartmouth is grateful for the outstanding support of family and community members who regularly donate time, goods and/or finances to help the school offer a well balanced education for all students.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/3/2019 that each pupil in the district, including English learners, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Dartmouth Middle School wishes to partner with parents and families in their child's education. As such, DMS is proud to offer many ways to get involved in the school. At the site level, families are invited to attend regular awards assemblies, School Site Council Meetings (SSC), English Learner Advisory Committee (ELAC) meetings and Parent/Teacher/Student/ASB Alliance meetings. All meetings are offered in English and Spanish and childcare is provided where applicable. At an individual student level, parents are encouraged to attend Back to School Knight, Parent Conferences, Open House, Student Study Team (SST) meetings, Individualized Education Plan (IEP) meetings and get involved by volunteering in the classroom. Additionally, DMS holds several parent night's per year- topics range from providing academic support at home, to preparing for high school, and fun events, such as our Middle School Matters and Common Core Camps. Parents are also encouraged to use the many online and digital resources available for checking student progress, grades and attendance such as Aeries Parent Portal and individual teacher's personal pages (Power School, Google Classroom, etc). Dartmouth has a parent center equipped with several computers, printers and access to staff to assist with their needs.

Hemet Unified School District also offers a full team to support the needs of families through the Parent Resource Center. Located at 258 N. Thompson Street in Hemet, the Parent Resource center offers centralized trainings and has a full staff of English and Spanish speaking employees who are ready to answer questions and provide support. They know how to connect families to the resources they may need and are a valuable part of the school district. Other parent meetings held at the district level include, District English Learner Advisory Committee (DELAC), District Advisory Committee (DAC) and LCAP Advisory Committee,

Dartmouth Middle School and Hemet Unified School District is always looking to work with families to offer support and gain valuable feedback on how to offer the best educational experience possible.

For more information, contact the site Principal, Kristen Anderson at (951) 765 - 2550.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The School Site Council or its delegate is responsible for the development and updating of the school's Comprehensive Safety Plan. The Safety Plan is discussed with staff, evaluated, amended/reviewed/updated by March 1 of each year. The school's safety committee makes monthly safety inspections. A school Disaster Preparedness Plan that deals with a wide variety of emergency situations is incorporated into the School Safety Plan. Earthquakes, fire, and lock down drills are conducted as required. Additionally, the school has an assigned School Resource Officer (SRO). The key elements of the Comprehensive Safety Plan are listed below:

- (1) Assessment of the current status of school crime committed on school campuses and at school-related functions.
- (2) Includes strategies and programs that provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:
 - (3) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.
 - (4) Disaster procedures, routine and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.).
 - (5) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.
 - (6) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.
 - (7) A discrimination and harassment policy consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.
 - (8) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibits pupils from wearing "gang-related apparel," if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define "gang-related apparel." The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, "gang-related apparel" shall not be considered a protected form of speech pursuant to Section 48950.
 - (9) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.
 - (10) A safe and orderly environment conducive to learning at the school.
 - (11) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.
 - (12) Schoolsite council or school safety planning committee, develops and updates the comprehensive school safety plan, shall, where practical, consult, cooperate, and coordinate with other schoolsite councils or school safety planning committees.
 - (13) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.
 - (14) As comprehensive school safety plans are reviewed and updated and includes policies and procedures aimed at the prevention of bullying.
 - (15) The comprehensive school safety plan, written and updated by the schoolsite council or school safety planning committee on (1/31/19) and was submitted to the District for approval pursuant to subdivision (a) of Section 32288 on (2/15/19).

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided by the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The primary focus of the Professional Development Academy is supporting instruction of California State Standards and the new curriculum adoptions that have taken place during the past few years. The district's Educational Services Department, including Teachers On Special Assignment (TOSA), provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the TOSAs provide a variety of district and site-based trainings based on data, principal feedback and, teacher survey results.

The PDA also supports new teachers through our Center for Teacher Innovation (CTI) Induction Program, which provides intensive coaching and support in the inquiry process. Additionally, the TOSAs support seven elementary site-based Instructional Coaches and eight secondary Math Coaches, located at designated schools across the district. A new teacher academy is offered for all new HUSD teachers during the summer, and all elementary classroom teachers participated in ongoing training which supports ELA and Math standards, and our secondary ELA teachers also participated in training for the newly adopted secondary ELA curriculum (Collections). Additional training and support are offered to Special Education Teachers, Science and History/Social Studies teachers.

Types of Services Funded

Restricted funds are used to operate the SAFE after school program services students in grades one through eight from the time the dismissal bell rings until 6:00 PM. The SAFE program also funds after school interventions targeting students who are scoring below proficiency on grade level standards. Base /unrestricted revenue support professional development, technology, counselors, supplemental EL, math and reading support as well as athletics, music, STEAM and AVID programs.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
