Principal's Message

West Valley High School provides a safe environment that fosters an authentic learning experience through collaboration with students, staff, parents, and the community. We strive to have all members of the Mustang family rise to the challenge of maintaining a student-centered environment that fosters high expectations and promotes positive social growth. The staff at West Valley is working to prepare our students for the next chapter where we are confident that they will achieve their full academic potential and become successful, contributing members of society. It is our hope that our students will cherish the memories they make during their time as a Mustang and ultimately find their purpose.

Vision Statement

West Valley High School is a comprehensive, standards-based school where inquiry, reflection, and writing expectations lead our students to become knowledgeable about academics and the world around them. Our vision is that all students will be open-minded and able to clearly articulate their knowledge through various modes of communication, and a balanced experience in all areas of education--academics, activities, and athletics-- will provide a firm foundation for lifelong success.

Mission Statement

West Valley's mission, along with parents and the community, is to prepare its diverse student body with the academic, vocational, and social skills necessary to become contributing members in a changing and global society.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

A District committee considers textbooks for recommendation on a cycle established by the State Board of Education and from a State adopted list. The committee meets to discuss current issues relevant to the subject matter, including student success, previously used textbooks, and instructional methods. The committee reviews demonstration copies of proposed textbooks, as well as listen to representatives describe the various highlights of the available materials. The review is followed by a pilot of materials that results in consensus by the committee of a recommended textbook. The textbook is forwarded to a K-12 Curriculum Council, which consists of teachers, parents, and community stakeholders, for review and approval. If the textbook is approved by the K-12 Curriculum Council, the textbook is forwarded to the Superintendent and the Governing Board for their review and approval. Each pupil in the district, including English learners, kindergarten through grade twelve, is provided with standards-aligned textbooks or basic instructional materials that are consistent with the content and cycles of the curriculum framework adopted by the State Board. Sufficient laboratory science equipment was available for science laboratory classes offered in grades 9-12.

AB 1246, added Education Code Section 60210, which allows the district to use any instructional materials, not just state-adopted, as long as they are aligned with the academic content standards. The EC 60119 has a new section (e) with a reference to the Common Core State Standards (CCSS). The section states: "For the purpose of transitioning to instructional materials that are aligned with the common core academic content standards, it is the intent of the Legislature that textbooks, instructional materials, and supplemental instructional materials be deemed to be aligned with the content standards pursuant to subdivisions (a) and (c), and be deemed consistent with the content and cycles of the curriculum framework adopted by the state board pursuant to subdivision (a) if the textbooks, instructional materials, supplemental instructional materials, or a combination of any such materials are aligned to the content standards adopted pursuant to Section 60605 or 60605.8." This addition means that materials aligned to either the 1997 standards or the 2010 CCSS standards for mathematics and English Language Arts are compliant with Williams Act requirements. In accordance with Education Code Section 60422(a) and 60119, the Governing Board certified on 9/3/2019 that each pupil in the district, including English learners, in kindergarten through grade twelve, has been provided with standards-aligned textbooks or basic instructional materials in each of the areas listed below:

School Facility Conditions and Planned Improvements (Most Recent Year)

WVHS is located in the southwest corner of Hemet between the Domenigoni Reservoir and Ryan Airport. The campus covers more than 60 acres, has over 100 classrooms and specialty classrooms like computer labs, agriculture program, choir, band, pottery and foods as well as a full complement of CTE programs including Sports Therapy. Presently, all computers are networked, allowing access to the student information database. Every classroom has adequate space and all the materials needed to ensure student success.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Math	16	20	22	22	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

West Valley High School provides many opportunities to get involved on campus. Parents can be part of ELAC (English Learners Advisory Committee), SSC (School Site Council), along with many booster groups here on campus. There are enrichment opportunities for parents that are available such as evenings with our counselors to inform parents about financial aid, applying to college, and guidance on how to help students be successful in high school. There are also opportunities to engage with administration through Pastries with the Principal and Afternoon Tea with the Principal, in addition to Back-to-School-Night, Open House, and other school events.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

- (1) Assessment of the current status of school crime committed on school campuses and at school-related functions.
- (2) Includes strategies and programs that provide or maintain a high level of school safety and address the school's procedures for complying with existing laws related to school safety, which shall include the development of all of the following:
- (A) Child abuse reporting procedures consistent with Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code.
- (B) Disaster procedures, routine, and emergency, including adaptations for pupils with disabilities in accordance with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.).
- (C) Policies pursuant to subdivision (d) of Section 48915 for pupils who committed an act listed in subdivision (c) of Section 48915 and other school-designated serious acts which would lead to suspension, expulsion, or mandatory expulsion recommendations pursuant to Article 1 (commencing with Section 48900) of Chapter 6 of Part 27 of Division 4 of Title 2.
- (D) Procedures to notify teachers of dangerous pupils pursuant to Section 49079.
- (E) A discrimination and harassment policy is consistent with the prohibition against discrimination contained in Chapter 2 (commencing with Section 200) of Part 1.
- (F) The provisions of any schoolwide dress code, pursuant to Section 35183, that prohibit pupils from wearing "gang-related apparel," if the school has adopted that type of a dress code. For those purposes, the comprehensive school safety plan shall define "gang-related apparel." The definition shall be limited to apparel that, if worn or displayed on a school campus, reasonably could be determined to threaten the health and safety of the school environment. A schoolwide dress code established pursuant to this section and Section 35183 shall be enforced on the school campus and at any school-sponsored activity by the principal of the school or the person designated by the principal. For purposes of this paragraph, "gang-related apparel" shall not be considered a protected form of speech pursuant to Section 48950.
- (G) Procedures for safe ingress and egress of pupils, parents, and school employees to and from school.
- (H) A safe and orderly environment conducive to learning at the school.
- (I) The rules and procedures on school discipline adopted pursuant to Sections 35291 and 35291.5.
- (J) School site council or school safety planning committee, develops and updates the comprehensive school safety plan, shall, where practical, consult, cooperate, and coordinate with other school site councils or school safety planning committees.
- (K) The comprehensive school safety plan may be evaluated and amended, as needed, by the school safety planning committee, but shall be evaluated at least once a year, to ensure that the comprehensive school safety plan is properly implemented. An updated file of all safety-related plans and materials shall be readily available for inspection by the public.
- (L) As comprehensive school safety plans are reviewed and updated and includes policies and procedures aimed at the prevention of bullying.
- (M) The comprehensive school safety plan, written and updated by the school site council or school safety planning committee on (1/28/2019) and was submitted to the District for approval pursuant to subdivision (a) of Section 32288 on (2/21/2019).

The school district provides certificated and classified members with opportunities for professional growth and training in a variety of programs and initiatives. The training provided by the Professional Development Academy allows teachers, administrators, and paraprofessionals to become highly skilled at providing quality leadership, instruction, and support to the district's students.

The primary focus of the Professional Development Academy is supporting instruction of California State Standards and the new curriculum adoptions that have taken place during the past few years. The district's Educational Services Department, including Teachers On Special Assignment (TOSA), provide ongoing support and training in the skillful delivery of the adopted standards. Additionally, the TOSAs provide a variety of district and site-based trainings based on data, principal feedback and, teacher survey results.

The PDA also supports new teachers through our Center for Teacher Innovation (CTI) Induction Program, which provides intensive coaching and support in the inquiry process. Additionally, the TOSAs support seven elementary site-based Instructional Coaches and eight secondary Math Coaches, located at designated schools across the district. A new teacher academy is offered for all new HUSD teachers during the summer, and all elementary classroom teachers participated in ongoing training which supports ELA and Math standards, and our secondary ELA teachers also participated in training for the newly adopted secondary ELA curriculum (Collections). Additional training and support are offered to Special Education Teachers, Science and History/Social Studies teachers.

Career Technical Education Programs

West Valley High School offers a variety of academic programs that assist with school completion and post-secondary preparation. There are currently sixteen AP (Advanced Placements) Courses. These courses include: AP Art History, AP Biology, AP Calculus A/B and B/C, AP English Language and Composition, AP English Literature and Composition, AP European History, AP French Language and Culture, AP Human Geography, AP Macroeconomics, AP Physics 1, AP Psychology, AP Statistics, AP U.S. Government and Affairs, and AP U.S. History. Additionally, West Valley High School is now an IB (International Baccalaureate) School and will begin offering IB courses in the 2020/2021 school year.

West Valley High School also offers six sections of dual enrollment course through MSJC. These courses include: MUS 100--Introduction and Appreciation of Music, MUS 103--Music Theory 1, PE 110--Prevention and Care of Athletic Injuries, PE 115--First Aid and CPR, and SPAN 101--Elementary Spanish 1.

The career technical educational programs offered at West Valley High School are comprised of forty-two sections of CTE courses in eleven pathways offering many options to articulate with local community colleges. These pathways include: Ag Animal Science, Ag Biology and Chemistry, Ag Floriculture, Ag Horticulture, Ag Mechanics, Dance, Drama, Multimedia, Retail Sales, and Sports Medicine. West Valley also offers six sections of engineering courses through the PLTW program (Project Lead the Way) with a focus on Computer Integrated Manufacturing.

West Valley's CTE classes provide an opportunity for students to complete a pathway while earning a-g credit. These courses align with academic courses that support the skills that students are refining in the CTE courses. All students are encouraged to participate in a pathway most appropriate to their interest and skill. CTE courses also meet the unique needs of specialized populations of students by providing differentiated instruction that aligns with 504's and IEP's while meeting the needs on our English Learners as well.

The site evaluates the number of students completing a CTE pathway and is identifying ways to increase participation and completion through a four year plan for student's coursework.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
